"§3511. Scope

* * *

E. All consumer credit transactions shall comply with federal Regulation Z of the Board of Governors of the Federal Reserve System. Failure to comply with Regulation Z is a violation of this Chapter.

* * *

§3514. Agreement to contract; disclosures of the contract

A. The parties to a transaction other than a consumer credit transaction may contract with one another that such transactions shall be subject to the provisions of this Chapter, in which event the transaction shall be a consumer credit transaction within the provisions of this Chapter. However, a licensed lender under this Chapter, who is not at the same time licensed under R.S. 6:951 et seq., may not contract a class one retail installment transaction subject to R.S. 6:951 et seq. under the provisions of this Chapter. This restriction shall apply only to licensed lenders under this Chapter, who are not at the same time licensed under R.S. 6:951 et seq., and shall not apply to supervised financial organizations that are exempt from licensing under both statutes. Unless a creditor is exempt from the licensing requirements of this Chapter under R.S. 9:3560, a creditor may not contract more than four transactions under the provisions of this Chapter over any calendar year without first complying with the licensing requirements under Part IX of this Chapter.

B. Written credit contracts and agreements shall accurately reflect the actual terms, conditions, and repayment schedule agreed to by the parties. If a loan is to be repaid on demand, in a lump sum, or at undefined intervals of time, interest on the loan shall be computed by the actuarial or simple interest method when allocating payments made on the loan.

* * *

§3517. Terms; construction; additional fees and charges

* * *

C. Except to the extent specifically limited in amount or prohibited by this Chapter, an extender of credit may impose and collect additional fees and charges contractually provided for under the consumer's promissory note or credit agreement. Those fees and charges that are not considered to be finance charges for Federal Truth in Lending purposes shall not be considered to be loan finance charges or credit service charges for purposes of this Chapter. The commissioner shall prescribe, by rule not inconsistent with the provisions of this Chapter, additional fees and charges which may be imposed and collected by an extender of credit if such fees and charges have been contractually provided for in the consumer's promissory note, or credit contract or agreement.

* * *

§3521. Maximum charges after negotiations

A. The obligation arising out of any consumer credit sale, including a revolving charge account, may be evidenced by a written agreement which may provide for a credit service charge not in excess of the maximum loan finance charge which could be charged, contracted for, or received by a supervised financial organization, lender who files notification pursuant to R.S. 9:3564, or licensed lender in a consumer loan transaction where the principal is the same as the amount financed and the term is a corresponding term.

B. Such written agreement must be transferred or assigned to a supervised financial organization, lender who files notification pursuant to R.S. 9:3564, or a licensed lender within thirty-five days from the date of making. If such written agreement is not so transferred or assigned within the said time limit, the seller or holder shall:

* * *

§3528. Maximum deferral charges

A. With respect to a precomputed consumer credit transaction payable in more than one installment, the parties before or after default may agree in writing to a deferral of all or part of one or more unpaid installments, and the extender of credit may make and collect a charge not exceeding the rate previously stated to the consumer calculated without regard to differences in the lengths of months, but proportionately for a part of a month, counting each day as one-thirtieth of a month. A deferral charge may be collected at the time it is assessed or at any time thereafter. Deferral charges on a precomputed consumer credit transaction may be computed on a pro rata basis or any other method of calculation that does not yield a greater sum than the maximum rates permitted in this Chapter. In lieu of the above, the entire unpaid balance of the transaction may be deferred by charging an amount equal to the rate previously stated to the consumer times the balance at the time of deferral for the period of deferral. In such a case, the transaction maturity date will be extended by the number of months that the balance is deferred.

B. The parties may agree in writing at the time of a precomputed consumer credit transaction that if an installment is not paid within ten days after its due date, the extender of credit may unilaterally grant a deferral and make charges as provided in this Section, provided the transaction consists of more than one installment. No deferral charge may be made for a period after the date that the extender of credit elects to accelerate the maturity of the agreement. A delinquency charge made by the extender of credit on an installment may not be retained if a deferral charge is made pursuant to this Section with respect to the period of delinquency.

* * *

§3530. Fees; origination; notary, documentation; over-the-credit-limit fee

* * *

F.(1) A lender may charge the consumer the convenience fee authorized by R.S. 47:532.1(C) for services performed by a public license tag agent. Such fee shall not be charged to the consumer more than once.

(2) Notwithstanding any other law to the contrary, the convenience fee authorized by R.S. 47:532.1(C) shall not be considered as interest, nor shall it be included in the calculation of interest.

§3531. Right to prepay

A. Notwithstanding any contrary provision of a consumer credit transaction, the consumer may prepay in full the unpaid balance at

any time. An extender of credit may within its discretion accept the amount tendered by the consumer to be a prepayment in full of a simple interest loan if the amount tendered is within one dollar, or to the extent provided by federal law, more or less, of the amount actually owed. Under such circumstances, the extender of credit may retain any excess amount tendered by the consumer provided that the amount tendered does not exceed the amount actually owed by more than one dollar, or to the extent provided by federal law.

B.(1) The extender of credit shall provide the consumer, within five days of the date a written request is received from the consumer, with the amount necessary to prepay the account in full; and if the amount disclosed includes an amount which is required to be refunded under this Section with respect to such prepayment, the amount of such refund.

(2) A consumer shall be entitled to receive one such disclosure of information statement each year without charge. Thereafter, the extender of credit may impose a reasonable fee to cover the cost of providing an additional disclosure statement; however, the charge imposed must be disclosed to the consumer before furnishing such disclosure statement.

* * *

§3543. Property insurance

A. An extender of credit may, in addition, request or require a consumer to insure property, all or part of which is involved in a contract or agreement, made under the authority of this Chapter, and include the cost of the insurance as a separate charge in the contract or agreement. The property shall be described so as to readily identify it and such description shall be included as part of the contract or agreement. This insurance and the premiums or charges thereon shall bear a reasonable relationship to the amount, term, and conditions of the contract or agreement, and to the existing hazards or risk of loss, damage, or destruction. This insurance and the premiums or charges thereon shall also bear a reasonable relationship to the character and value of the property insured or to be insured, when, in the event of loss, such insurance policy does not pay off the entire balance of the loan. Such insurance shall not provide for unusual or exceptional risks or coverages which are not ordinarily included in policies issued to the general public.

* * *

§3554. Powers of commissioner

* * *

E. The commissioner may, upon notice to a person regulated by this Chapter and reasonable opportunity to be heard at an administrative hearing, revoke or suspend the license, notification, or registration if:

* * *

(3)

* * *

(c) The commissioner finds any fact or condition exists which, if it had existed at the time of the original application for licensure, notification, or registration, would have warranted the refusal of its issuance.

* * *

I.(1) The commissioner may remove from office any individual with power to direct the management or policies of a person regulated by this Chapter, including but not limited to any officer, director, or manager, if any such individual is convicted of, pleads guilty to, or

is found guilty after a plea of nolo contendere, of any felony under any state or federal law, or of a misdemeanor of which fraud is an essential element or which involves any aspect of the business of making loans. Prior to such removal, the commissioner shall serve written notice upon such individual and upon the person regulated by this Chapter, of his intent to remove such individual from office. If such individual remains in office thirty days after such written notice, the commissioner may revoke the license or other privileges granted by this Chapter without any further notification or a hearing.

(2) The commissioner may, upon notice to an individual with the power to direct the management or policies of a person regulated by this Chapter, including but not limited to any officer, director, or manager, and after reasonable opportunity to be heard at an administrative hearing, remove the individual from participating in the affairs of a licensee if that individual has been prohibited, temporarily or permanently, by any other state or federal regulator from participating in activities for which he is licensed under this Chapter.

J. ~~When the commissioner has~~ If it is found, after an administrative hearing, that consumers who have done business with the extender of credit have been aggrieved by an improper loan finance charge, credit service charge, deferral charge, delinquency charge, or improper rebate, or has included an improper item in the amount financed, he shall bring the commissioner may institute a civil action on behalf of such consumers in any form which he deems appropriate to effectuate the provisions of this Subsection, in order to recover any such money improperly exacted from the consumer by the extender of credit provided that sixty days have passed after giving notice by certified mail of his intentions. All monies recovered shall be returned to the aggrieved consumer who shall be made a party to such litigation in a manner deemed to be reasonable and which shall assure prompt and expeditious payment to the consumer, in whole or in part, and is calculated to minimize the expenses associated with the distribution of such monies. Notwithstanding any other law to the contrary, the commissioner shall not have the authority to bring a class action for or against any party.

* * *

L. The commissioner shall have authority to examine the books, records, and accounts of all persons regulated under or making loans subject to the Louisiana Consumer Credit Law. Such examination shall not occur more frequently than once a year unless there arises the necessity for an additional examination based on a probable cause.

* * *

§3555. Injunctions; investigations; enforcement actions; civil penalties; costs

* * *

D. Civil penalties paid to the commissioner, and overcharge violations of five dollars or less per consumer ordered by the commissioner to be refunded, and paid to the commissioner, shall be credited to a special fund hereby created in the state treasury to be known as the Louisiana Consumer Credit Education Fund. Such monies shall be deposited in the fund after compliance with the requirements of Article VII, Section 9(B) of the Constitution of Louisiana relative to the Bond Security and Redemption Fund, and prior to such monies being placed in the state general fund. The monies in this fund shall be invested by the state treasury in the same manner as monies in the state general fund, and interest earned on the investment of such monies shall be credited to the fund. The monies in the fund, and any interest or dividend which may be earned, shall be used solely to finance education programs for consumers and lenders concerning the provisions of the consumer credit laws, and

for reimbursement of the office of financial institutions' costs in enforcing the provisions of this Chapter as provided in R.S. 9:3554(A)(3).

* * *

§3556.1. Records; rules

A. Each person regulated by this Part shall maintain records of its consumer credit sales or loans as required by the commissioner or by rule. Persons who make consumer credit sales and do not transfer or assign their agreements to a supervised financial organization, a lender who files notification pursuant to R.S. 9:3564, or a licensed lender within thirty-five days, as provided by R.S. 9:3521, shall comply with the Records Retention Rule for licensed lenders, and shall promptly notify the commissioner that such person is collecting or otherwise enforcing consumer sales agreements or consumer loans and shall further retain copies of all such documents and contracts on file for examination by the commissioner.

* * *

§3561.1. License; examination; renewal fees; records

A. The initial application, survey, and license fee for a license to make consumer loans shall be five hundred dollars and shall be payable only by cashier's check, certified check, or money order. ~~No portion of the fee shall be refunded if the application is denied. Such application, survey, and license fee shall be nonrefundable. If the license is not issued for any reason, upon written request of the applicant, the fee shall be applied to the submission of a new application.~~
