II. CONCLUSION

The proposed measure cannot be accomplished statutorily.

Since the proposed joint resolution modifies a constitutionally protected right, particularly with regard to the authority of the legislature to pass laws relative to concealed weapons, such a modification would require a constitutional amendment in order to have the same level of protection.

III. OTHER PENDING MEASURES

Total joint resolutions introduced: 49

Total joint resolutions reported by other standing committees: 20

There are no other instruments amending Art. I, Section 11 of the Constitution and no apparent conflicts.
