Re: House Bill No. 187 by Representative Joseph Lopinto

Dear Mr. Speer:

A year ago, I vetoed legislation which would have created commercial surrogacy contracts in Louisiana. In the time since, supporters of similar legislation have worked to address the bioethical concerns which led to that veto. While some progress has been made, and the legislation has been improved, I must nonetheless veto this legislation out of an abundance of concern regarding the ramifications of government-endorsed surrogacy contracts and how this legislation impacts the way we value human life.

All Louisianians are at liberty today to engage in informal agreements regarding surrogacy — this is simply a question of whether we ought to codify and regulate such agreements, and if so, what these regulations ought to entail.

My heart goes out to those who face the tragedies of miscarriage and infertility. The inability to conceive or bear children is a deep wound in our society, unnoticed by most, and suffered by too many. The desire to have a child is rooted in the love that created and sustains each of us — and when we seek the blessing of children, it is our best selves speaking to action. A state reflecting that goodness, and that love, will protect the dignity of human life — women and children at the foremost — and seek to open the doors to that fulfillment in family.

However, despite the good intentions and hard efforts of the author, this legislation still raises concerns for many in the pro-life community.
Thus, I cannot in good conscience, sign this bill. For these reasons and with deep conviction, I have vetoed House Bill No. 187 and hereby return it to the House of Representatives.

Sincerely,

BOBBY JINDAL
Governor

RE: Senate Bill No. 318 by Senator Gary Smith

Dear Mr. Speer:

Senate Bill No. 318 by Senator Gary Smith, Jr., provides for exceptions to the law that prohibits a motor vehicle dealer from authorizing a person who is not a motor vehicle dealer to perform warranty repairs.

While the bill as filed presented a narrow exemption for owners of fleet vehicles to do limited warranty work, the bill was amended. Dozens of legislators in both the House and Senate have expressed concerns about the unintended consequences of these amendments that they did not realize when they voted on the bill, and have asked me to veto it as a result.

In addition, the Louisiana Automobile Dealers Association, as well as dealerships across the state, have also asked for a veto. I am concerned that the stakeholders did not have sufficient opportunity to give their input during the development of the bill and that legislators should have the chance to consider the implications.

For these reasons, I have vetoed Senate Bill No. 318 and have returned it to the Senate.

Sincerely,

BOBBY JINDAL

RE: Senate Bill No. 418 by Senator Gary Smith

Dear Mr. Speer:

Senate Bill No. 418 by Senator Gary Smith, which was introduced on behalf of the Department of Public Safety, was inadvertently drafted in a manner that jeopardizes the integrity of the Department of Public Safety’s vehicle titling and registration database.

The legislation was intended to prohibit copying of military identification cards, which is consistent with federal law. Additionally, the legislation was intended to remove the requirement that valid photo identification be submitted with first-time renewals of vehicle registration. Due to drafting errors, the legislation would allow initial vehicle registration without the submission of valid photo identification.

For these reasons, and at the request of the Office of Motor Vehicle Commissioner Stephen Campbell, I have vetoed Senate Bill No. 418 and have returned it to the Senate.

Sincerely,

BOBBY JINDAL
Governor
