State Representative Regina Barrow to host community cleanup day

State Representative Regina Barrow, D-Baton Rouge, is joining with Cumulus Media and CADAV (Community Against Drugs and Violence) to lead the community in a cleanup day. Members of the Baton Rouge community are invited to participate in the community cleanup, which will be held on Saturday, September 13, from 7:30 am to 12:30 pm. The cleanup will cover areas from Airline Highway 190 to 75th Avenue.

Barrow said, "Our goal is to clean up this area and make a safer environment for our residents. It is time we, as a community, come together and take pride in our city. I hope to see the public come out and join us for this important and necessary event."
