Rep. Ted James announces District 101 Restore Louisiana Meeting

State Representative Ted James, D-Baton Rouge, has announced that he will host a District 101 Restore Louisiana meeting. Restore Louisiana works to assist those affected by the recent historic flooding in Louisiana.

The meeting will be held tomorrow, Tuesday, October 10, from 6-8 pm, at the Greenwell Springs Road Regional Branch Library. Rep. James encourages citizens of the area to attend the meeting for the opportunity to visit with representatives from Restore Louisiana, and to receive answers to questions about specific applications.

Rep. James said, "This is the opportunity for constituents and officials to come together for an important, open conversation about what is being done to restore areas affected by the floods and to learn how and when these projects will be accomplished. I hope to see those affected, especially, attend this meeting to gain this necessary information."

The District 101 Restore Louisiana meeting will be held Tuesday, October 10, from 6-8 pm, in meeting room 2 of the Greenwell Springs Road Regional Branch Library, located at 11300 Greenwell Springs Road in Baton Rouge.
