Subject: the elimination of district 81

Dear Sirs;

I am a resident of District 81 and have been since 1979. It has come to my attention that in your redistricting process, the plan is to eliminate District 81 altogether and combine it with a diminished New Orleans district. I oppose this plan. I've lived in Jefferson Parish since 1962. I want my representative to be from Jefferson Parish because he will have a vested interest in what's best for Jefferson Parish. It is important to me to have an elected official who has my best interest at heart. If my elected official has to do what's best for Jefferson Parish, it may not be what's best for New Orleans and vice-versa. It seems to me, that it would be more logical to combine districts within their own parishes. In closing, I would like this email to be put into the official House record regarding redistricting.

Sincerely,

Bob Cagle
