Subject: Keeping the Northshore whole!

I ask that you give the Northshore communities the respect of keeping us whole, with regard to your current redistricting efforts. I have lived here for 17 years and we have historically been added to and/or divided to the benefit of others. Our Northshore communities have growth over the last several decades and certainly post-Katrina, to where we now demand our own identity. I am asking that you see to it that we gain this identity in this current redistricting process.
