I'm not sure that the decision makers on the State Congressional Re-Districting Plan fully comprehend the rage being exhibited by Northshore voters on the proposed re-districting plan that breaks up the parishes within the area. I rarely send messages to you but on this one you need to listen to the people. To say that they are upset is an understatement. The "pay raise" issue is a small brush fire compared to this! I, in the strongest of terms, ask you to hold fast and protect the solidarity of the Northshore. Rep. Steve Scalise has an exceptional plan he has proposed. I don't see it being debated and I question why. We are asking our "Tea Party" members as well as all registered voters to comment on this critical decision. Stay united!!!
