Subject: Possible redistricting of District 81

Dear Representative Gallot,

I am currently a resident of District 81 in Jefferson Parish, and would like to state my strong opposition to any consideration of eliminating District 81 or combining of District 81 with any New Orleans District. If I had any desire to be represented by officials from New Orleans or Orleans Parish, I would have purchased a home in those areas or districts.

Hopefully, you became a State Representative to actually represent the wishes of constituents. If so, take note that this constituent is vehemently against redistricting of District 81.

I would like this e-mail to be placed in to the official House record regarding redistricting.

Sincerely,

Monica B. Haab
