Rep Tucker,

I want to express my extreme displeasure with the current revisions in District 16. It is absolutely unfair & unacceptable to split the metropolitan area of Monroe & West Monroe into so many districts. An area of our size deserves & requires a district that is similar to the boundaries of the current district 16. I encourage you to change your position & support Rep Katz's amendment that she is introducing this AM.

Robert S. Hendrick, Jr.
District 16
Monroe, LA
