RE:

Redistricting Southern Hills

Dear Mr. Speaker:

It has come to my attention after watching the 5PM news here in Shreveport yesturday, that someone is trying to incorporate Southern Hills with the Moretown area.

First, the population of Caddo Parish does not warrant such a move. Caddo Parish is a majority white and the creation of this new district would leave Caddo Parish with FOUR minority districts and not a single WHITE district within the whole parish. Apparentily this IS NOT an accurate reflection of the demographics of Caddo Parish and this redistricting should NOT PASS.

Second, All of the people that I have spoken with OPPOSE this measure very strongly and we simply want to be left alone to try and better our community

PLEASE oppose this effort at all costs.

Thank

You,
