Dear Rep. Tucker,

Please include my email in the record of the House Government Affairs Committee, for review by the U.S. Department of Justice or any district court determining pre-clearance pursuant to the Voting Rights Act of 1965. It is ironic that at the time this Act was passed I was dodging bullets in Vietnam, and now I find myself fighting a different war.

As a resident of New Orleans and New Orleans East, It is felt that my voting rights are being diluted by Amendment 203 and 248. Please reconsider your vote for these amendments. I do not want my vote infringed upon.

Sincerely,

SFC Edward L. Mayo  
U.S. Army Retired
