Subject: House District 16

I urge you to reconsider the proposed configuration of House District 16. This district is a very cohesive, conservative district that is home to the core business community for Northeast Louisiana, including the headquarters for CenturyLink (a Fortune 500 company) and the ANGUS Chemical / Dow Chemical Sterlington plant. The proposed district diffuses the impact of the Northeast Louisiana business community and morphs the existing house District 16 into something that it is not logical. I am strongly opposed to the proposed reconfigured District 16.

I urge you to reconsider the draft configuration of District 16. **Representative Rosalind Jones will offer an amendment on Thursday that will redraw House District 16. We support her amendment and urge you to support it as well.**

Thanks for your consideration.

Regards,
Doug
