

February 20, 2011

Honorable Members of the Redistricting Committee:

As a concerned voter residing in State Representative District 32, I humbly request that the boundary lines of my House of Representative's district not be changed. Historically, District 32 has included all of Allen parish, a significant portion of Beauregard Parish outside of DeRidder, and a small portion of Vernon Parish. The interests of these small town and rural areas have been served well by the elected Representative of this district. To change the district lines would be a great disservice to our area.

Although the results of the 2010 Census have not been officially published, I have heard that District 32 has gained in population, not lost. We live in a growing, not declining, district which deserves to be left in tact. In fact, much of our progress—especially improvement of roads, services, and infrastructure—facilitating a growing population is partly the result of the voice that we currently have in Baton Rouge of our District 32 Representative. We know our Representative, and our Representative knows us and works for us and with us.

Please help District 32 continue to progress by not changing the district lines. Thank you for seriously considering the history, interests, and needs of our district in your decision making process.

Sincerely,

James & Tracie Slaydon 4607 Hwy 1147 DeRidder, LA 70634
Chris Burch 775 Longacre Rd DeRidder, La. 70634
Robby & Martena Dougherty 295 Hightower Rd DeRidder, LA 70634
Robert & Sarah Quinacley 225 Billy Young Road Sugar Lake
