Subject: Against Elimination of District 81, Metairie

Dear Representative Gallot and Speaker Tucker,

Sixteen years ago my husband and I moved our family from New Orleans to Metairie in order to provide an better environment in which to live and raise our children. I have been extremely satisfied with my representation as a member of District 81, and exercise my right to vote regularly. Under no circumstances would I be satisfied with losing our District and being reclassified and lumped with New Orleans due to its dwindling population after Hurricane Katrina. Members of District 81 also suffered in the aftermath of Katrina, but we pulled together to rebuild our neighborhoods.

Please consider this my formal request to keep District 81 in tact and not combine it with any New Orleans Districts. I would like this Email to be placed in the official House record regarding redistricting.

Thank you for your consideration.
