Subject: Proposal to eliminate District 81

Attn: Chairman Richard Gallot, Jr.
Speaker Jim Tucker

Dear Sirs:

I have been informed that there is a plan to eliminate District 81 and combine it with a New Orleans district. As a resident living in Metairie which is in District 81 I am opposed to any such action. I do not want a New Orleans public official representing my district. I believe that our current representative should remain in Jefferson Parish.

I do not appreciate that Jefferson Parish residents were not notified of a public forum on February 17 to discuss this proposal. An obvious move to do something without our knowledge and shows already that we would not have any true representation if our district were eliminated.

Again, we do not want District 81 eliminated or combined with a New Orleans district. Thank you for hearing my comments.

Sincerely,
Diane Hollyfield
