To Whom It May Concern:

I, Councilman Byron Lee, am offering my support for District 83 which currently represents precincts on the Westbank of Jefferson Parish to also represent the minority precincts of unincorporated areas of Jefferson Parish on the Eastbank as well as the Westbank. These precincts on the Westbank and Eastbank are represented by me as well as the minority school board representative. These areas carry like issues and are considered by me to be a community of interest.

Please accept this e-mail as my offer of support. If you have any questions or need additional information, please feel free to contact me at (504) 364-2603.

Sincerely,

Byron Lee
Councilman, District Three
