178. State Sales Tax Paid on Property Destroyed in a Natural Disaster

This refund provision gives financial assistance to persons who have suffered uninsured losses in natural disasters. The sales tax paid on destroyed property can be refunded upon the filing of a proper claim. The refund is based upon taxes paid by the owner on the destroyed property. The purpose of this refund is to provide financial relief to persons who have suffered uninsured losses in natural disasters.

**Legal Citation**
R.S. 47:315.1

**Origin**

**Effective Date**
August 17, 1969

**Beneficiaries**
Owners of property destroyed by a natural disaster in an area determined by the President of the United States to need federal assistance.

**Administration**
The documentation submitted for tax claims is generally incomplete; claims that appear to be reasonable and probable are honored. Under the present system, there is no correlation between need and eligibility for refunds. A better system could probably be devised for giving aid to persons adversely affected by natural disasters.

**Estimated Fiscal Effect**
During fiscal year 2013-2014 in sales tax refunds issued to victims of natural disasters were negligible. We are unable to predict the future fiscal effect.

179. Materials Used in the Construction, Restoration, or Renovation of Housing in Designated Areas

This refund provision offers a financial incentive to persons who renovate, restore, or rehabilitate existing structures or who construct new housing in certain blighted areas of the state. These areas are determined by local governing authorities. The purpose of this refund provision is to encourage people to improve the conditions of the blighted areas.
