IV. PUBLIC COMMENT

There was no public comment.

V. OTHER BUSINESS

Discussion and approval of 2021 annual actuarial valuations and the required contributions and dedication of revenues contained therein for the Clerks' of Court Retirement and Relief Fund

Greg Curran presented the valuation for the system, labeled Exhibit A and contained in the records of this meeting, and explained the effects of various factors on the fund's cost structure that increase or decrease the normal cost accrual rate. He explained valuation results for the system from last year.

Kenneth Herbold, Louisiana Legislative Auditor, P.O. Box 94397, Baton Rouge, LA 70804, (225) 336-8096, presented the Louisiana Legislative Auditor's Actuarial Review of the 2020 Actuarial Valuation of the Clerks' of Court Retirement and Relief Fund, Exhibit A, and provided assessments of the review's actuarial treatment of assumed net investment return, cost of living adjustments, and assumed mortality rates.

Mr. Curran offered a motion to adopt the actuarial funding valuation report for the Clerks' of Court Retirement and Relief Fund dated June 30, 2021, as presented by G.S. Curran & Company, Ltd., as the official valuation for the system and, as specified in the report, to include all assumptions contained therein, including the minimum recommended net direct employer contribution rate of 21.25% for the fiscal year ending 2023, and to recognize that the system should receive all allocated ad valorem and revenue sharing funds.

Without objection, the motion passed by a vote of 7 yeas and 0 nays. Representative DeVillier, Mr. Broussard, Mr. Curran, Ms. Johnson, Mr. McGimsey, Senator Peacock, and Mr. Waguespack voted yea.

Discussion and approval of 2021 annual actuarial valuations and the required contributions and dedication of revenues contained therein for the District Attorneys' Retirement System

Greg Curran presented the valuation for the system, labeled Exhibit A and contained in the records of this meeting, and explained the effects of various factors on the fund's cost structure that increase or decrease the normal cost accrual rate. He explained valuation results for the system from last year.

Kenneth Herbold, Louisiana Legislative Auditor, P.O. Box 94397, Baton Rouge, LA 70804, (225) 336-8096, presented the Louisiana Legislative Auditor's Actuarial Review of the 2021 Actuarial Valuation of the District Attorneys' Retirement System, Exhibit A, and provided assessments of the review's actuarial treatment of cost of living adjustments, assumed net investment return, and assumed mortality rates.

Mr. Curran offered a motion to adopt the actuarial funding valuation report for the District Attorneys' Retirement System dated June 30, 2021, as presented by G.S. Curran & Company, Ltd., as the official valuation for the system and, as specified in the report, to include all assumptions contained therein, including the minimum recommended net direct employer contribution rate of 8.50% for the fiscal year ending 2023, and to recognize that the system should receive all allocated ad valorem and revenue sharing funds.

Without objection, the motion passed by a vote of 7 yeas and 0 nays. Representative DeVillier, Mr. Broussard, Mr. Curran, Ms. Johnson, Mr. McGimsey, Senator Peacock, and Mr. Waguespack voted yea.
