State of Colorado
House Joint Resolution 97-1003

also SENATORS Powers, B. Alexander, Ament, Arnold, Congrove, Hopper, Lacy, and Schroeder.

WHEREAS, The federal "Intermodal Surface Transportation Efficiency Act of 1991" (ISTEA) was designed to be the comprehensive solution to federal surface transportation funding since it replaced the "Surface Transportation and Uniform Relocation Assistance Act of 1987", which marked the end of the interstate era; and

WHEREAS, The purpose of ISTEA is "to develop a National Intermodal Transportation System that is economically efficient and environmentally sound, provides the foundation for the Nation to compete in the global economy, and will move people and goods in an energy efficient manner"; and

WHEREAS, When it was proposed, ISTEA was designed to give states and local governments flexibility as to how federal moneys were to be spent in their regions but, in fact and practice, the new federal program specifies how these moneys are distributed as well as how they can be spent by states and local governments; and

WHEREAS, Examples of the types of categories for which specified percentages of ISTEA moneys may be spent include, but are not limited to, safety, enhancements, population centers over 200,000
people, areas with populations under 5,000 people, transportation projects in areas that do not meet the Clean Air Act standards, and minimum allocation, reimbursement and hold harmless programs; and

WHEREAS, For the six-year duration of ISTEA, Colorado will receive an estimated $1.31 billion in federal moneys, compared to $1.43 billion Colorado received in the previous six years; and

WHEREAS, Before the enactment of ISTEA, Colorado was permitted to use a portion of Interstate Maintenance Funds to increase vehicle carrying capacity, but under ISTEA, capacity improvements are limited to High Occupancy Vehicle (HOV) lanes or auxiliary lanes in nonattainment areas; and

WHEREAS, Since the six-year duration of ISTEA will end after the 1996 fiscal year, Congress will have to reauthorize ISTEA in order to continue the federal surface transportation funding to states and local governments; now, therefore,

Be It Resolved by the House of Representatives of the Sixty-first General Assembly of the State of Colorado, the Senate concurring herein:

That the Colorado General Assembly respectfully urges the 105th Congress of the United States to consider the following proposals as ISTEA comes under scrutiny for reauthorization:

(1) Eliminate federal mandates, sanctions, and restrictions that the powers of the states and local governments to accomplish their individual transportation needs and reduce federal oversight and reporting requirements;

(2) Transfer from the General Fund to the Highway Trust Fund, for distribution to the states, the 4.3 cents per gallon fuel tax added by the United States Congress in 1993; and

(3) Allow the 2.5 cents per gallon fuel tax added by the United States Congress in 1990 to be deposited into the Highway Trust Fund and distributed to the states, given the demonstrated need for moneys for transportation systems.

Be It Further Resolved. That copies of this Resolution be sent to the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate, the Speaker of the House and the President of the Senate of each state's legislature of the United States of America, and Colorado's Congressional delegation.

Charles E. Berry
Speaker of the House of Representatives

Judith Rodrigue
Chief Clerk of the House of Representatives

WHEREAS, The annual federal budget has not been balanced since 1969, and the federal public debt is now more than $5 trillion, an amount equaling approximately $20,000 for every man, woman, and child in America; and

WHEREAS, Continued deficit spending demonstrates an unwillingness or inability of both the federal executive and legislative branches to spend no more than available revenues; and

WHEREAS, Fiscal irresponsibility at the federal level is lowering our standard of living, destroying jobs, and endangering economic opportunity now and for the next generation; and

WHEREAS, The federal government's unlimited ability to borrow raises questions about fundamental principles and responsibilities of government, with potentially profound consequences for the nation and its People, making it an appropriate subject for limitation by the Constitution of the United States; and

WHEREAS, The Constitution of the United States vests the ultimate responsibility to approve or disapprove constitutional amendments with the People, as represented by their elected state legislatures, and opposition by a small minority in the United States Congress repeatedly has thwarted the will of the People that a balanced budget amendment to the Constitution should be submitted to the states for ratification; now, therefore,

Be It Resolved by the House of Representatives of the Sixty-first General Assembly of the State of Colorado, the Senate concurring herein:

That the General Assembly requests the United States Congress to expeditiously pass, and propose to the legislatures of the several states for ratification, an amendment to the Constitution of the United States requiring that, in the absence of a national emergency, the total of all federal appropriations made by the Congress for any fiscal year may not exceed the total of all estimated federal revenues for that fiscal year.

Be It Further Resolved. That copies of this Joint Resolution be sent to all members of the United States Senate and House of Representatives, and to the Secretary of State, and the presiding officers of both houses of the legislatures of each of the other states.

State of Colorado
House Joint Resolution 97-1027

BY REPRESENTATIVES McPherson, Adkins, George, Kaufman, Pfiffner, T. Williams, Allen, Anderson, Arrington, G. Berry, Clarke, Dean, Epps, Gotlieb, Keller, Lamborn, Lawrence, Miller, Musgrave, Nichol, Paschall, Schwarz, Sinclair, Smith, Sullivant, Swenson, Tool, Udall, and Young;

WHEREAS, The federal “Personal Responsibility and Work Opportunity Reconciliation Act of 1996”, Public Law 104-193, herein referred to as the “Act”, was passed by the United States
WHEREAS, Article III of such Act addresses the several states' obligation to provide child support enforcement services and mandates that the states adopt certain procedures for the location of an obligor and the establishment, modification, and enforcement of a child support obligation against such obligor; and

WHEREAS, The members of the Sixty-first General Assembly recognize the importance of assuring financial support for minor and dependent children; however, the General Assembly finds that those procedures specified in the Act include such far-reaching measures as the following:

(1) The necessity to implement the "Uniform Interstate Family Support Act", as approved by the American Bar Association and as amended by the National Conference of Commissioners on Uniform State Laws, which uniform act allows for the direct registration of foreign support orders and the activation of income-withholding procedures across state lines without any prior verification, certification, or other authentication that the child support order or the income-withholding form is accurate or valid and without a requirement that notice of such withholding be provided to the alleged obligor by any specified means or method, such as by first-class mail or personal service, to assure that the individual receives proper notice prior to the income-withholding;

(2) Liens to arise by operation of law against real and personal property for amounts of overdue support that are owed by a noncustodial parent who resides or owns property in the state, without the ability to determine if a lien exists on certain property;

(3) The obligation of the state to accord full faith and credit to such liens arising by operation of law in any other state, which results in inadequate notice and the inability of purchasers to have knowledge or notice of such liens;

(4) A duty placed upon employers to report all newly hired employees, whether or not the employee has a child support obligation, to a state directory of new hires within a restricted period of time after the employer hires the employee;

(5) The requirement that social security numbers be recorded when a person applies for a professional license, a commercial drivers license, an occupational license, or a marriage license, when a person is subject to a divorce decree, a support order, or a paternity determination or acknowledgment, or when an individual dies, whether or not the person has an obligation to pay child support;

(6) A requirement that the child support enforcement agency enter into agreements with financial institutions doing business in the state in order to develop, operate, and coordinate an unprecedented and invasive data match system for the sharing of account holder information with the child support enforcement agency in order to facilitate the potential matching of delinquent obligors and bank account holders;

(7) Procedures by which the state child support enforcement agency may subpoena financial or other information needed to establish, modify, or enforce a support order and to impose penalties for failure to respond to such a subpoena and procedures by which to access information contained in certain records, including the records of public utilities and cable television companies pursuant to an administrative subpoena; and

(8) Procedures interfering with the states' right to determine when a jury trial is to be authorized; and

Returned without amendments.

Secretary of the Senate
