"CHAPTER 20-B-4. LOUISIANA'S INVESTMENT FOR TODAY'S STUDENTS SCHOLARSHIP PROGRAM AND FUND

§3042.41. Louisiana's Investment For Today's Students Scholarship Program; creation; scholarship amounts; uses; limitations

A. The Louisiana's Investment For Today's Students Scholarship Program is hereby created.

B. Subject to the appropriation of funds for this purpose and to the extent that such funds are provided, a Louisiana's Investment For Today's Students scholarship, hereinafter referred to as a "LIFTS" scholarship, shall be redeemable by the recipient attending a Louisiana public or independent college or university or public postsecondary technical institute for the total cost of tuition of the public institution or, if attending an independent institution, for an amount equal to the highest tuition charged at a Louisiana public college or university or the actual tuition of the independent institution, whichever is less. Tuition shall not include any fees charged by the college or university or public postsecondary technical institute that are in addition to the basic course enrollment charge or any costs for the recipient to enroll in a developmental or remedial course.

C. For the purposes of this Chapter, "independent college or university" means any regionally accredited member institution of the Louisiana Association of Independent Colleges and Universities.

§3042.42. Redeeming a scholarship award; requirements

A. To redeem a LIFTS scholarship, a recipient shall meet the following requirements:

(1) Shall be a bona fide Louisiana resident as determined by rules established by the Louisiana Student Financial Assistance Commission.

(2) Shall be a graduate of a Louisiana public or state-approved nonpublic high school, or shall have been issued a high school equivalency diploma upon satisfactory completion of the General Educational Development Test, or shall have been enrolled in and successfully completed a state-approved home study program.

(3) Except as otherwise provided by R.S. 17:3042.45(B), shall have a composite score on the 1990 version of the American College Test or an equivalent concordant value on any subsequent version of such test that is not less than nineteen or have a composite score on the Scholastic Aptitude Test that is the equivalent to a score of not less than nineteen on the American College Test. A student may take the American College Test or the Scholastic Aptitude Test more than one time; however, only one score shall be submitted for a determination of eligibility for a LIFTS scholarship and the score shall be submitted to the administering agency by such date as shall be determined by the agency by rule.

(4) Shall have been accepted to attend a public or independent college or university or public postsecondary technical institute in the state and shall have registered as a full-time student in the college or university or technical institute.

B. A recipient may continue to redeem a scholarship provided he:

(1) Continues to attend a Louisiana public or independent college or university or public postsecondary technical institute as a full-time student.

(2) Maintains as of the end of each academic year or other comparable period for attendance at the public postsecondary technical institute, a cumulative grade point average of at least 3.0 on a 4.0 scale or its equivalent. The maintenance of this required grade point average shall be verified by the college or university or technical institute attended.

(3) Earns not less than twenty-four hours total credit during the fall, winter, and spring terms of the preceding award year at an institution which requires twelve semester hours or eight quarter hours as the minimum for full-time undergraduate status, unless granted an exception for cause by the administering agency of the program.

#### §3042.43. Scholarship duration; requirements; limitations

A. For attendance at a public or independent college or university, the scholarship shall cover the cost of tuition, as provided in R.S. 17:3042.41, for full-time attendance for not more than a total of ten semesters or, if applicable, fifteen quarters within a period of not more than seven years from the month following the month in which the scholarship recipient graduates from high school, is awarded the general equivalency diploma, or successfully completes the state-approved home study program. Tuition for attendance at any summer session shall be included in the scholarship; however, each such summer session shall be counted as a full semester or quarter.

B. For the purposes of this Chapter, "full-time attendance" at a public or independent college or university means registering for not less than twelve semester hours per semester or eight semester hours per quarter or six semester hours per summer session or the minimum number of hours required by the institution for full-time standing in a specified course of study or the required number of hours needed to complete the undergraduate program during that term.

C. For attendance at a public postsecondary technical institute, the scholarship shall cover the cost of tuition, as provided in R.S. 17:3042.41, for full-time attendance. The limitation on the duration of the scholarship for attendance at a public postsecondary technical institute and the definition of full-time attendance at such an institute shall be established by rule of the administering agency, but shall be comparable to the time periods and definitions established by this Chapter for attendance at a public or independent college or university.

#### §3042.44. Award ceremony

Each LIFTS scholarship recipient shall be suitably recognized at the award ceremony or school reception provided by R.S. 17:177 for presentations of the Legislative Academic Achievement Award. Members of the legislature representing the district in which a scholarship recipient is located shall be invited to attend the ceremony or school reception and may present the scholarship award.

#### §3042.45. Administration

A. The LIFTS scholarship program shall be administered by the Louisiana Student Financial Assistance Commission which shall provide by rules adopted pursuant to the Administrative Procedure Act for all matters necessary to implement the provisions of this Chapter.

B. In the event that funds available for the LIFTS scholarship program for any fiscal year are insufficient to award both new and continuing scholarships to all eligible persons as provided by this Chapter, the Louisiana Student Financial Assistance Commission shall increase the minimum test scores specified in R.S. 17:3042.42(A)(3) for those persons seeking an initial award of the scholarship to a score that is sufficient to assure that program expenditures do not exceed funds available for program purposes.

C. All tuition payments for a LIFTS scholarship shall be made by the commission directly to the institution to which such tuition is due.

#### §3042.46. Louisiana's Investment For Today's Students Fund

A.(1) There shall be established in the state treasury the Louisiana's Investment For Today's Students Fund, hereinafter referred to as the "LIFTS" fund. Out of the funds remaining in the Bond Security and Redemption Fund after a sufficient amount is allocated from that fund to pay all obligations secured by the full faith and credit of the state which become due and payable within any fiscal year as required by Article VII, Section 9(B) of the Constitution of Louisiana, the treasurer shall deposit into the LIFTS fund certain revenues as specified in R.S. 27:270(A)(3).

(2) Notwithstanding any other provision of law to the contrary and only in the event that the sales and use tax exemption suspension as enumerated in R.S. 47:321(E) is continued beyond June 30, 1997, the state treasurer shall, after complying with the provisions of Article VII, Section 9(B) of the Constitution of Louisiana, annually deposit an amount not to exceed fifteen million dollars derived from such suspended exemptions into the fund.

(3) Monies in the LIFTS fund shall be invested as provided by law and all earnings realized in each fiscal year on the investment of monies in the fund shall be deposited in and credited to the fund. Except as provided in this Section, all unexpended and unencumbered monies in the LIFTS fund at the end of the fiscal year shall remain to the credit of the fund.

B. The legislature annually shall appropriate monies from the LIFTS fund exclusively to pay the costs of the scholarship program created by this Chapter.

C. If the balance in the LIFTS fund exceeds one billion dollars at the close of any fiscal year, all monies in excess of one billion dollars shall be credited to the state general fund.

Section 2. R.S. 27:270(A)(3) and (B) are hereby amended and reenacted to read as follows:

This shall include the expenses of the corporation, the expenses resulting from any contract or contracts entered into for ordinary and customary business

services rendered to the corporation, and the amount required to be transferred to the state treasury pursuant to Paragraph (2) of this Subsection.

B. A "Casino Gaming Proceeds Fund" is hereby established in the state treasury. All funds transferred by the corporation to the state treasury shall first be credited to the Bond Security and Redemption Fund in accordance with Article VII, Section 9(B) of the Constitution of Louisiana. Thereafter, the state treasurer shall credit to the Casino Gaming Proceeds Fund the amount of net revenues which the corporation determines are surplus to its needs, as provided for in Subsection A of this Section. No monies shall be allotted or expended from this fund unless pursuant to an appropriation by the legislature in accordance with law.

C. The legislative auditor or person designated by him shall be responsible for an annual financial audit of the books and records of the corporation in accordance with R.S. 24:513. A. Effective July 1, 1997, the Orleans Regional Technical Institute is hereby merged with Delgado Community College in the University of Louisiana system and on this date the funds, property, obligations, programs, and functions of the Orleans Regional Technical Institute are transferred from the State Board of Elementary and Secondary Education to and hereby are vested in the Board of Trustees for State Colleges and Universities.

B.(1) Any student enrolled in a program of study at the Orleans Regional Technical Institute at the time of the merger with Delgado Community College shall be permitted to complete such program of study at no greater cost or conditions than those applicable to the student prior to the merger.

(2) Any person employed at the Orleans Regional Technical Institute on the date of merger with Delgado Community College shall have the right to be retained in his position pursuant to the same policies and conditions applicable to such person prior to the merger. The Board of Trustees for State Colleges and Universities shall

conduct a careful and deliberate review of the programs and employees at the former technical institute and provide for an employee transition that is consistent with the mission of Delgado Community College and that provides opportunities for an employee to have a role at the community college at least equivalent to his position prior to the merger. Such opportunities shall include but not be limited to providing such additional training or professional development, or both, at no cost to the employee as is necessary to prepare the employee to undertake his role at the community college subsequent to the transfer.

(3) A student, faculty member, or other employee of the technical institute on the date of the merger with Delgado Community College shall be entitled to and eligible for all benefits provided by law, rule, or regulation for students, faculty, and employees, respectively, of other public two-year institutions of higher education in the University of Louisiana system.

(4) The Division of Occupational Studies at Delgado Community College shall be headed by a dean. The dean of the division initially shall be the individual serving as the director of the Orleans Regional Technical Institute on the date of merger with Delgado Community College. All occupational programs at Delgado Community College shall be under the Division of Occupational Studies.

C. Prior to July 1, 1997, the Board of Trustees for State Colleges and Universities shall conduct an independent audit of the Orleans Regional Technical Institute to establish the assets, liabilities, and fund balances of the institute.

D. Notwithstanding any provision of law to the contrary, Delgado Community College shall give preference in the operation of vending stands, vending machines, and other concessions operated on its premises and on the premises of the former technical institute to blind persons pursuant to programs for such persons administered by the Department of Social Services. Additionally, no other vending stands, vending machines, or other concessions shall be operated on the same premises as the vending stands, vending machines, and other concessions given preference by this Subsection. No blind person shall be required to pay any fee, service charge, or other cost to operate any vending stand, vending machine, or other concession on the premises of Delgado Community College or on the premises of the former technical institute and no blind person operating such a vending stand, vending machine, or other concession on such premises shall be adversely impacted in any way in the operation of such stand, machine, or concession without reasonable or just cause.

E. Nothing in this Section shall affect in any way any other vocational-technical education facility under the management, control, and supervision of the State Board of Elementary and Secondary Education other than the Orleans Regional Technical Institute.

F. The Board of Trustees for State Colleges and Universities shall submit a written report to the House Committee on Education and the Senate Committee on Education by not later than December 31, 1998, on the effects of the transfer of the Orleans Regional Technical Institute. The report shall compare the program with the program prior to the transfer with particular emphasis on access by students to occupational training programs compared to such access prior to transfer, including statistics relative to student applications, admissions, and admission refusals.

Section 2. For purposes of this Section, "the community college" shall mean Delgado Community College; "the institute" shall mean the Orleans Regional Technical Institute; "the board" shall mean the State Board of Elementary and Secondary Education; and "the trustees" shall mean the Board of Trustees for State Colleges and

Universities. All unfinished business, references in laws and documents, employees, property, obligations, and books and records of the institute shall be transferred as provided in this Section. Upon the merger of the institute with the community college, any pending or unfinished business of the institute and of the board on behalf of the institute shall be taken over and be completed by the community college with the same power and authorization as that of the institute and the trustees shall be the successor in every way to the board for the purpose of completing such business. Any reference in laws and documents to the institute shall be deemed to apply to the community college and all such references to the board in relation to the institute shall be deemed to apply to the trustees. A legal proceeding to which the institute or the board on behalf of the institute is a party and which is filed, initiated, or pending before any court on the effective date of this Section, and all documents involved in or affected by said legal proceeding, shall retain their effectiveness and shall be continued in the name of the community college or the trustees on its behalf. All further legal proceedings and documents in the continuation, disposition, and enforcement of said legal proceeding shall be in the name of the community college or the trustees on its behalf, and the community college shall be substituted for the institute without necessity for amendment of any document. This Act shall not be construed so as to impair the contractual or other obligations of the institute, of the board on its behalf, or of the state of Louisiana. All obligations of the institute, or of the board on its behalf, shall be the obligations of the community college or the trustees on its behalf. The community college and the trustees on its behalf shall be the successor in every way to the institute and the board on its behalf, including all of the obligations and debts of the institute. All funds heretofore dedicated by or under authority of the constitution and laws of this state or any of its subdivisions to the payment of any bonds issued for construction or improvements for any facility under the control of the institute shall continue to be collected and dedicated to the payment of those bonds, unless and until other provision is made for the payment of such bonds. In like manner, all other dedications and allocations of revenues and sources of revenues heretofore made shall continue in the same manner, to the same extent, and for the same purposes as were provided prior to the enactment of this Act, unless and until other provision is made for the payment of said bonds. This Act shall not be construed or applied in any way which will prevent full compliance by the state, or any department, office, or agency thereof, with the requirements of any Act of the Congress of the United States or any regulation made thereunder by which federal aid or other federal assistance has been or hereafter is made available. All books, papers, records, money, actions, and other property of every kind, movable and immovable, real and personal, heretofore possessed, controlled, or used by the institute are hereby transferred to the community college.

Section 3. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided in Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval."

A.(1) Partial birth abortion is the performance of a procedure on a female by a licensed physician or any other person whereby a living fetus or infant is partially delivered or removed from the female's uterus by vaginal means, and with specific intent to kill or do great bodily harm is then killed prior to complete delivery or removal.

(2) As used in this Section, the terms "fetus" and "infant" are used interchangeably to mean the biological offspring of human parents.

B. It shall not be unlawful for a licensed physician to perform a partial birth abortion where the procedure is necessary to save the life of the mother because her life is endangered by a physical disorder, physical illness, or physical injury, and further provided that no other medical procedure would suffice for that purpose.

C. As used in this Section, the term "person" shall not include the female upon whom the partial birth abortion is performed, and she shall not be subject to prosecution hereunder or as accessory to the offense or as a co-conspirator thereto.

D. Whoever commits the crime of partial birth abortion shall be imprisoned at hard labor for not less than one nor more than ten years or fined not less than ten thousand nor more than one hundred thousand dollars.

B.(1) As used in this Section, partial birth abortion means the intentional performance of a procedure on a female by a licensed physician or any other person whereby a living fetus or infant is partially delivered or removed from the female's uterus by vaginal means and then killed prior to complete delivery or removal.

(2) As used in this Section, the terms "fetus" and "infant" are used interchangeably to mean the biological offspring of human parents.

C. There is hereby created a cause of action against the licensed physician or any other person who performs a partial birth abortion for civil damages for survival and wrongful death as more fully set forth in Louisiana Civil Code Articles 2315.1 and 2315.2, except that such causes of action shall only be in favor of the natural or biological father of the aborted infant or fetus, the mother of the aborted infant or fetus or the parents or guardian on behalf of the mother of the aborted infant or fetus if the mother was a minor at the time of the abortion, unless such person's criminal conduct caused the pregnancy, or the person consented to the partial birth abortion.

Section 3. R.S. 40:1299.35.1(1) is hereby amended and reenacted to read as follows:

§1299.35.1. Definitions

As used in R.S. 40:1299.35.0 through 1299.35.18, the following words have the following meanings:

(1) "Abortion" means the deliberate termination of a human pregnancy after fertilization of a female ovum, by any person, including the pregnant woman herself, with an intention other than to produce a live birth, remove an ectopic pregnancy, or to remove a dead unborn child caused by a spontaneous abortion, missed abortion, or inevitable abortion.
