Upon being reported by a committee, a bill shall be designated as a duplicate of a bill which was introduced in the other house provided the Clerk of the House and the Secretary of the Senate have jointly certified such bill to be a duplicate to the chairman of the committee and the committee has adopted a separate motion to that effect to so designate the bill.

D. Upon the approval of a majority of the members present, a bill on second or third reading may be designated as a duplicate of a bill which was introduced in the other house provided the Clerk of the House and the Secretary of the Senate have jointly certified such bill to be a duplicate to the presiding officer of the appropriate house.

E.(1) Each duplicate bill which is certified as required herein and designated as such a duplicate by the house of origin shall recite, after its number, the number of the bill that it duplicates, as follows: "Duplicate of _____ Bill No. _____".

(2) Each duplicate bill which is certified as required herein and designated as such a duplicate by the house of origin shall recite, below the number of the bill that it duplicates, the name of the primary author of the bill from the house in which the bill is introduced immediately followed by the name of the primary author of the bill it duplicates from the other house which shall be followed by the name(s) of any coauthor(s) from the same house as the primary author of the bill and the name(s) of any coauthor(s) from the same house of the primary author of the bill that it duplicates. F. A bill from the other house which is certified as required herein and which is designated a duplicate of or which is determined to be identical or substantially similar to a bill introduced in the receiving house may be conformed, if necessary, to the bill which it duplicates or which is substantially similar in the receiving house, if the bill introduced in the receiving house has been reported favorably, or with amendments, or by substitute by a committee and has been ordered engrossed and passed to a third reading. At the second reading of the bill from the other house, it shall be in order to offer amendments, if necessary, to conform the bill to the bill introduced in the receiving house. If certified as required herein and amended to conform, the conformed bill, then designated a duplicate bill, shall be referred to the Legislative Bureau in lieu of being referred to committee. If no amendments were necessary to conform the bill or upon the approval of a majority of the elected members of the receiving house, it shall be in order to refer the bill to the Legislative Bureau in lieu of being referred to committee and if so referred to the Legislative Bureau, the bill, if necessary, shall be designated a duplicate bill. The bill of which it is a duplicate or to which it was conformed which was introduced in the receiving house shall be returned to the calendar subject to call in the order of business to which it had otherwise last advanced.

G. Except for the requirements of referral to and report by a committee in the second house, duplicate bills shall be enacted into law only by the same vote and according to the same procedures and formalities required for enactment of other bills and joint resolutions and duplicate concurrent resolutions shall be adopted by the same vote and according to the same procedures as otherwise required.

H. Each duplicate bill which is finally passed by the legislature shall be enrolled to recite, after its number, the number of the bill that it duplicates, as follows: "Duplicate of _____ Bill No. _____". On the following line, the enrolled bill shall recite the name of the primary author of the bill from the house in which the bill is introduced immediately followed by the name of the primary author of the bill it duplicates from the other house which shall be followed by the name(s) of any coauthor(s) from the same house as the primary author of the bill and the name(s) of any coauthor(s) from the same house of the primary author of the bill that it duplicates as follows: "BY (title and name of primary author in house of origin) AND (title and name of primary author in other house) COAUTHORED BY (title and name(s) of coauthor(s) in house of origin) AND (title and name(s) of coauthor(s) in other house)".

I. For the purposes of this Joint Rule, the following terms shall have the following meanings:

(1) "Bill" shall include a bill, a concurrent resolution, and a joint resolution, unless the context clearly indicates otherwise.

(2) "Duplicate bill" shall mean a bill filed in one house which has been designated as being identical or substantially similar to a bill filed in the other house, a bill which has been determined to be identical to a bill in the receiving house, and a bill which has been conformed by amendments adopted by the receiving house to make the bill identical to a bill introduced in the receiving house.

§2516. Powers of the board

R.S. 38:2516 is all proposed new law.

The board may do all things necessary to conduct a study and formulate and consider a plan for the conservation of groundwater resources and where appropriate, the prevention or alleviation of damaging or potentially damaging land surface subsidence and groundwater quality degradation. For this purpose, the board shall hold hearings and may:

(1) Require registration with the board of all wells, showing the date drilled, the name of the driller, if available, and the current ownership together with any other information the board may reasonably require to permit it to accomplish the purposes of this Part. However, no charge shall be assessed for such registration.

(2) Require all users of groundwater within the district to register with the board, showing the number, location, and capacity of wells owned or operated by them or solely for the beneficial use or uses of that groundwater. The board shall classify each user as an industrial user, or as a commercial, rural, or municipal user of groundwater upon the basis of such information. The board may require periodic renewals of such registrations to determine alterations in uses of water within the district. Such registrations may be required on an annual basis or such greater periods of time as the board may deem appropriate.

(3) Require well owners who are users, well owners providing water to other users, and users of groundwater who are not well owners to keep and furnish, on request, information necessary to

carry out this Part pertinent to wells, drawdowns, grouting, casing sizes, property descriptions, and other pertinent information reasonably required by the board, provided that as to wells in existence on August 15, 1999 such information is available.

(4) Collect data; make investigations and inspections; examine properties, papers, books, and records relevant to groundwater use or conservation; examine, survey, check test, and gauge all water wells within the district; require well owners who are users or well owners providing water to other users, at their own expense, to meter wells to allow accurate determination of rates of use. Metering may be required on a continuous or periodic basis, and the board may require approval of metering devices and provide for the keeping of records and making of reports by owners of water wells providing water to users, and users of groundwater within the district.

(5) Require that authorized representatives of the board be enabled to enter property at reasonable times and under reasonable conditions to inspect wells, perform tests, and examine records pertaining to water usage.

(6) Establish groundwater use priorities, if required, and under conditions supported by research data, which indicate depletion of water subject to this Part.

(7) Cooperate with and enter into contracts or cooperative agreements with other governmental units and agencies of this state, with governments and agencies of other states and of the United States, and with private agencies or other groundwater conservation districts for the achievement of the purposes of this Part.

(8) Receive grants and enter into contracts for groundwater resource development.

(9) Conduct studies and investigations of all problems concerning groundwater resources of the district.

(10) Use and permit the use of any of its property or facilities for recreational purposes and to operate thereon such concessions as may be appropriate to such recreational use or uses as long as such activities do not increase the net operating expenses of the district.

(11) Sue and be sued as a body corporate.

(12) Expand the district to include adjacent parishes, upon approval by the board, and with the consent of the governing body of the parish involved, said parish to have the same representation on the board, and subject to the same conditions, as provided for the original parishes included in R.S. 38:2514(A)(2), being added to the bottom of the rotating list of such parishes.

(13) Hire such personnel and retain such consultants, including attorneys, as shall be reasonably necessary to the performance of its functions. Personnel from other agencies shall be used wherever practical and possible.

C. Notwithstanding any provision of law to the contrary, the board shall have no authority to regulate water produced from formations producing oil or gas or both for commercial purposes or to issue any rule, regulation, or order conflicting with the regulation of drilling to and production from or disposition of water from such formations by the commissioner of conservation. Neither shall the board have authority to regulate the production of salt water used for pressure, maintenance, secondary recovery operations, or other operation for the production of oil or gas.

D. The board may make, after notice, and hearing, and enforce rules, regulations, or orders necessary from time to time to achieve the purposes and powers as outlined in this Part; and such rules, regulations, and orders shall be effective and enforceable immediately upon promulgation in the official journal of each parish affected.

§2517. Suits and failure to bring suit

R.S. 38:2517 is all proposed new law.

A. Whenever it appears that a person is violating or is threatening to violate this Part or a rule, regulation, or order of the board, the board shall bring suit to restrain that person from continuing the violation or from carrying out the threat.

B. Venue shall be in the district court in the parish in which the board is domiciled.

C. In any such suit, the board may obtain injunctions, including temporary restraining orders and preliminary injunctions as the facts warrant.

D. If the board fails to bring suit within ten days to restrain a violation of this Part or any rule, regulation, or order of the board, any person in interest adversely affected by the violation who has notified the board in writing of the violation or threat thereof and has requested the board to sue, may bring suit to prevent any further violation in the district court of the parish in which the board is domiciled. If the court finds that injunctive relief should be granted, the board shall be made a party and shall be substituted for the person who brought the suit, and the injunction shall be issued as if the board has at all times been the complaining party.

§2518. Administrative procedure

R.S. 38:2518 is all proposed new law.

A. Except as may be inconsistent with the express provisions of this Part, the board shall be governed by and subject to the Administrative Procedure Act.

B. At hearings conducted by the board, members of the board or members of its staff may testify and present exhibits or other evidence.

C. Notice of hearings by the board must be given by publication in the official journal of each parish to be affected. The board may designate one of its members to conduct public hearings on its behalf.

D. At the request of the board, the chairman may subpoena witnesses and require their attendance and testimony before the board. The chairman may require the production of any books, papers, or records material to the questions lawfully before the board. Subpoenas shall be served by any agent of the board, by the sheriff, or by any other officer authorized by law to serve process in this state. No person shall be excused from attending and testifying or producing books, papers, or records, or from obeying the subpoena of the board or of a court of record on the ground that the testimony or evidence required by such person may tend to incriminate or subject the person to penalty or forfeiture. Nothing in this Section shall be construed as requiring any person to produce books, papers, or records, or to testify in response to any inquiry not pertinent to some question lawfully before the board or a court for determination. No natural person shall be subject to criminal prosecution or to any penalty or forfeiture relative to any testimony or evidence required to be provided to the board or a court. However, no person testifying shall be exempt from prosecution and punishment for perjury.

E. In the case of failure or refusal of a person to comply with a subpoena issued by the chairman of the board, or in the case of the refusal of a witness to testify or answer as to a matter regarding which the person may be lawfully interrogated, any district court on application of the board may, in term time or in vacation, issue an attachment to compel the person to comply with the subpoena and to appear before the board with the requested documents and to give

testimony upon whatever matters are lawfully required. The court may punish for contempt those disobeying its orders as in the case of disobedience of a subpoena issued by the court or refusal to testify therein.

F. The board shall make a record of all hearings which shall be available for public inspection at the office of the board during reasonable office hours. In the event of a suit contesting any rule, regulation, or order of the board, the board shall cause a transcript of the record to be made at its cost. In the event the party contesting any rule, regulation, or order in any such suit is ordered to pay costs, such party shall also be required to reimburse the board for the cost of making the transcript of the hearing in question.

§2319. Court review and injunctive relief

R.S. 38:2319 is all proposed new law.

A. Any aggrieved person of the district may, within thirty days after the adoption of any rule, regulation, order or taking of other action by the board, file suit in the district court in which the board is domiciled to contest the said rule, regulation, order, or other action taken. The court may affirm the decision of the board or remand the case for further proceedings. The court may reverse or modify the decision if the court determines that substantial rights of the aggrieved person have been prejudiced because the administrative finding, inference, conclusion, or decision either:

- (1) Violates a constitutional or statutory provision.
- (2) Exceeds the statutory authority of the board.
- (3) Was made pursuant to unlawful procedure.
- (4) Was affected by other error of law.
- (5) Was arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.
- (6) Was manifestly erroneous in view of the reliable, probative, and substantial evidence on the whole record. In the application of the rule, where the board has the opportunity to judge the credibility of witnesses by firsthand observation of demeanor on the witness stand and the reviewing court does not, due regard shall be given to the board's determination of credibility issues.

B. On institution of any such suit, the court shall issue an order setting the matter for trial, as by summary process, and such suit shall be tried in term time or in vacation, with the greatest possible dispatch. Pending a hearing, the court may grant a temporary restraining order suspending the action of the board upon a showing of immediate and irreparable injury in accordance with Code of Civil Procedure Art. 3603.

§2520. Falsification of documents to evade; penalty

R.S. 38:2520 is all proposed new law.

A. No person shall, for the purpose of evading this Part or any rule, regulation, or order of the board made hereunder:

- (1) Make or cause to be made any false entry or statement of fact in any report required to be made pursuant to this Part or by any rule, regulation, or order made by the board.
- (2) Make or cause to be made any false entry or omit an entry in an account, record, or memorandum kept by any person in connection with this Part or any rule, regulation, or order of the board.

(3) Remove out of the jurisdiction of the state, or destroy or mutilate, alter, or by any other means falsify any book, record or other paper pertaining to matters regulated by this Part or by any rule, regulation, or order issued by the board.

B. Whoever violates this Section shall be fined not more than five thousand dollars, or imprisoned not more than six months, or both.

§2521. Violations; penalty; jurisdiction; attorney to conduct suit; complicity

R.S. 38:2521 is all proposed new law.

A. Whoever knowingly and willfully violates this Part or a rule, regulation, or order of the board made hereunder shall be subject to a civil penalty of not more than one thousand dollars a day for each day of violation and for each act of violation, if a penalty for the violation is not otherwise provided in this Part.

B. Whoever knowingly and willfully aids or abets a person in a violation of this Part or any rule, regulation, or order of the board made hereunder shall be subject to the same penalties provided for the principal violator.

C. The place of suit to recover penalties pursuant to this Section shall be selected by the board, as may be appropriate, in the district court of the parish of the residence of any one of the defendants or in the district court of the parish where the violation took place.

D. Suit shall be at the direction of the board and shall be instituted and conducted in its name by the attorney for the board."

(b) Deliver to the commissioner of insurance a bond in the amount equal to twelve percent of its outstanding liabilities not covered by the Louisiana Insurance Guaranty Association, calculated using the most recent quarterly financial statements as filed with the Department of Insurance. The bond shall issue from an authorized surety company doing business in this state which has a minimum surplus of five hundred million dollars and is subject to approval of the commissioner of insurance. The bond shall be conditioned on the same terms as stated in Subparagraph (a) above and must be renewed annually. (4) Upon request by the corporation and compliance with the pertinent provisions above, the commissioner may permit the corporation to substitute one form of security for another, all as described in Paragraph (3).

(5) Upon proper presentation of claims information, the commissioner of insurance shall release a portion of the initial amount of the deposit or authorize a reduction in the bond or the amount of the reinsurance agreement, as appropriate. When evidence is presented to the commissioner of insurance that no further liability exists from any claim arising from any legal obligation of the corporation to which the full faith and credit guarantee of the state is pledged, the commissioner shall consent to terminate the deposit, bond, or reinsurance agreement."
