B. Upon introduction and upon joint certification of the Clerk of the House and the Secretary of the Senate to the presiding officer of the appropriate house, a bill in either house may be designated as a duplicate of a bill introduced in the other house.

The increasing use of water for municipal, industrial, agricultural, recreational, and other purposes in North Central Louisiana is hereby found and declared to be a matter of great public interest; the continued uncontrolled use of groundwater from the Sparta Aquifer will create critical problems; the public welfare requires that such water be put to the highest beneficial use; and there is a need to study these matters and provide for the efficient administration, conservation, and orderly development of groundwater resources in the parishes of Bienville, Bossier, Caddo, Caldwell, Claiborne, Jackson, LaSalle, Lincoln, Morehouse, Natchitoches, Ouachita, Richland, Sabine, Union, Webster, and Winn.

§2515. Meetings; election of officers; board actions

R.S. 38:2515 is all proposed new law.

Within thirty days after appointment of the voting members to the board, the board shall meet for its organizational meeting, and it shall meet at its domicile no less than quarterly thereafter. At its organizational meeting, the board shall:

(1) Elect a chairman, vice-chairman, secretary, and treasurer.

(2) Establish its domicile within the district.

(3) Begin formulation and consideration of a plan for the conservation of groundwater and where appropriate, prevention and alleviation of damaging or potentially damaging land surface subsidence and groundwater quality degradation.

B.(1) Any action of the board must be approved by a majority of a quorum of the voting members of the board present and voting at such meeting.

(2) A written statement of the action approved by the board, together with a copy of the rule, regulation, or order, shall be prepared by the board's secretary and presented by the secretary to each commissioner appointed pursuant to R.S. 38:2514(A)(1) within three days after the action is approved.

(3) Each commissioner appointed pursuant to R.S. 38:2514(A)(1), within ten days of receipt of the statement, may advise the board secretary of his disapproval, in writing. An affirmative vote of two-thirds of the board's voting members shall be required to override the veto. If the board overrides the veto, the action approved by the board shall become final.

§2516. Powers of the board

R.S. 38:2516 is all proposed new law.

The board may do all things necessary to conduct a study and formulate and consider a plan for the conservation of groundwater resources and where appropriate, the prevention or alleviation of damaging or potentially damaging land surface subsidence and groundwater quality degradation. For this purpose, the board shall hold hearings and may:

(1) Require registration with the board of all wells, showing the date drilled, the name of the driller, if available, and the current ownership together with any other information the board may reasonably require to permit it to accomplish the purposes of this Part. However, no charge shall be assessed for such registration.

(2) Require all users of groundwater within the district to register with the board, showing the number, location, and capacity of wells owned or operated by them or solely for the beneficial use or uses of that groundwater. The board shall classify each user as an industrial user, or as a commercial, rural, or municipal user of groundwater upon the basis of such information. The board may require periodic renewals of such registrations to determine alterations in uses of water within the district. Such registrations may be required on an annual basis or such greater periods of time as the board may deem appropriate.

(3) Require well owners who are users, well owners providing water to other users, and users of groundwater who are not well owners to keep and furnish, on request, information necessary to
carry out this Part pertinent to wells, drawdowns, grouting, casing sizes, property descriptions, and other pertinent information reasonably required by the board, provided that as to wells in existence on August 15, 1999 such information is available.

(4) Collect data; make investigations and inspections; examine properties, papers, books, and records relevant to groundwater use or conservation; examine, survey, check test, and gauge all water wells within the district; require well owners who are users or well owners providing water to other users, at their own expense, to meter wells to allow accurate determination of rates of use. Metering may be required on a continuous or periodic basis, and the board may require approval of metering devices and provide for the keeping of records and making of reports by owners of water wells providing water to users, and users of groundwater within the district.

(5) Require that authorized representatives of the board be enabled to enter property at reasonable times and under reasonable conditions to inspect wells, perform tests, and examine records pertaining to water usage.

(6) Establish groundwater use priorities, if required, and under conditions supported by research data, which indicate depletion of water subject to this Part.

(7) Cooperate with and enter into contracts or cooperative agreements with other governmental units and agencies of this state, with governments and agencies of other states and of the United States, and with private agencies or other groundwater conservation districts for the achievement of the purposes of this Part.

(8) Receive grants and enter into contracts for groundwater resource development.

(9) Conduct studies and investigations of all problems concerning groundwater resources of the district.

(10) Use and permit the use of any of its property or facilities for recreational purposes and to operate thereon such concessions as may be appropriate to such recreational use or uses as long as such activities do not increase the net operating expenses of the district.

(11) Sue and be sued as a body corporate.

(12) Expand the district to include adjacent parishes, upon approval by the board, and with the consent of the governing body of the parish involved, said parish to have the same representation on the board, and subject to the same conditions, as provided for the original parishes included in R.S. 38:2514(A)(2), being added to the bottom of the rotating list of such parishes.

(13) Hire such personnel and retain such consultants, including attorneys, as shall be reasonably necessary to the performance of its functions. Personnel from other agencies shall be used wherever practical and possible.

C. Notwithstanding any provision of law to the contrary, the board shall have no authority to regulate water produced from formations producing oil or gas or both for commercial purposes or to issue any rule, regulation, or order conflicting with the regulation of drilling to and production from or disposition of water from such formations by the commissioner of conservation. Neither shall the board have authority to regulate the production of salt water used for pressure, maintenance, secondary recovery operations, or other operation for the production of oil or gas.

D. The board may make, after notice, and hearing, and enforce rules, regulations, or orders necessary from time to time to achieve the purposes and powers as outlined in this Part; and such rules, regulations, and orders shall be effective and enforceable immediately upon promulgation in the official journal of each parish affected.

§2517. Suits and failure to bring suit

R.S. 38:2517 is all proposed new law.

A. Whenever it appears that a person is violating or is threatening to violate this Part or a rule, regulation, or order of the board, the board shall bring suit to restrain that person from continuing the violation or from carrying out the threat.

B. Venue shall be in the district court in the parish in which the board is domiciled.

C. In any such suit, the board may obtain injunctions, including temporary restraining orders and preliminary injunctions as the facts warrant.

D. If the board fails to bring suit within ten days to restrain a violation of this Part or any rule, regulation, or order of the board, any person in interest adversely affected by the violation who has notified the board in writing of the violation or threat thereof and has requested the board to sue, may bring suit to prevent any further violation in the district court of the parish in which the board is domiciled. If the court finds that injunctive relief should be granted, the board shall be made a party and shall be substituted for the person who brought the suit, and the injunction shall be issued as if the board has at all times been the complaining party.

§2518. Administrative procedure

R.S. 38:2518 is all proposed new law.

A. Except as may be inconsistent with the express provisions of this Part, the board shall be governed by and subject to the Administrative Procedure Act.

B. At hearings conducted by the board, members of the board or members of its staff may testify and present exhibits or other evidence.

C. Notice of hearings by the board must be given by publication in the official journal of each parish to be affected. The board may designate one of its members to conduct public hearings on its behalf.

D. At the request of the board, the chairman may subpoena witnesses and require their attendance and testimony before the board. The chairman may require the production of any books, papers, records, or from obeying the subpoena of the board or of a court of record on the ground that the testimony or evidence required by such person may tend to incriminate or subject the person to penalty or forfeiture. Nothing in this Section shall be construed as requiring any person to produce books, papers, or records, or to testify in response to any inquiry not pertinent to some question lawfully before the board or a court for determination. No natural person shall be subject to criminal prosecution or to any penalty or forfeiture relative to any testimony or evidence required to be provided to the board or a court. However, no person testifying shall be exempt from prosecution and punishment for perjury.

E. In the case of failure or refusal of a person to comply with a subpoena issued by the chairman of the board, or in the case of the refusal of a witness to testify or answer as to a matter regarding which the person may be lawfully interrogated, any district court on application of the board may, in term time or in vacation, issue an attachment to compel the person to comply with the subpoena and to appear before the board with the requested documents and to give
testimony upon whatever matters are lawfully required. The court may punish for contempt those disobeying its orders as in the case of disobedience of a subpoena issued by the court or refusal to testify therein.

F. The board shall make a record of all hearings which shall be available for public inspection at the office of the board during reasonable office hours. In the event of a suit contesting any rule, regulation, or order of the board, the board shall cause a transcript of the record to be made at its cost. In the event the party contesting any rule, regulation, or order in any such suit is ordered to pay costs, such party shall also be required to reimburse the board for the cost of making the transcript of the hearing in question.

§2319. Court review and injunctive relief

R.S. 38:2319 is all proposed new law.

A. Any aggrieved person of the district may, within thirty days after the adoption of any rule, regulation, order or taking of other action by the board, file suit in the district court in which the board is domiciled to contest the said rule, regulation, order, or other action taken. The court may affirm the decision of the board or remand the case for further proceedings. The court may reverse or modify the decision if the court determines that substantial rights of the aggrieved person have been prejudiced because the administrative finding, inference, conclusion, or decision either:

(1) Violates a constitutional or statutory provision.

(2) Exceeds the statutory authority of the board.

(3) Was made pursuant to unlawful procedure.

(4) Was affected by other error of law.

(5) Was arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

(6) Was manifestly erroneous in view of the reliable, probative, and substantial evidence on the whole record. In the application of the rule, where the board has the opportunity to judge the credibility of witnesses by firsthand observation of demeanor on the witness stand and the reviewing court does not, due regard shall be given to the board's determination of credibility issues.

B. On institution of any such suit, the court shall issue an order setting the matter for trial, as by summary process, and such suit shall be tried in term time or in vacation, with the greatest possible dispatch. Pending a hearing, the court may grant a temporary restraining order suspending the action of the board upon a showing of immediate and irreparable injury in accordance with Code of Civil Procedure Art. 3603.

§2520. Falsification of documents to evade; penalty

R.S. 38:2520 is all proposed new law.

A. No person shall, for the purpose of evading this Part or any rule, regulation, or order of the board made hereunder:

(1) Make or cause to be made any false entry or statement of fact in any report required to be made pursuant to this Part or by any rule, regulation, or order made by the board.

(2) Make or cause to be made any false entry or omit an entry in an account, record, or memorandum kept by any person in connection with this Part or any rule, regulation, or order of the board.

(3) Remove out of the jurisdiction of the state, or destroy or mutilate, alter, or by any other means falsify any book, record or other paper pertaining to matters regulated by this Part or any rule, regulation, or order issued by the board.

B. Whoever violates this Section shall be fined not more than five thousand dollars, or imprisoned not more than six months, or both.

§2521. Violations; penalty; jurisdiction; attorney to conduct suit; complicity

R.S. 38:2521 is all proposed new law.

A. Whoever knowingly and willfully violates this Part or a rule, regulation, or order of the board made hereunder shall be subject to a civil penalty of not more than one thousand dollars a day for each day of violation and for each act of violation, if a penalty for the violation is not otherwise provided in this Part.

B. Whoever knowingly and willfully aids or abets a person in a violation of this Part or any rule, regulation, or order of the board made hereunder shall be subject to the same penalties provided for the principal violator.

C. The place of suit to recover penalties pursuant to this Section shall be selected by the board, as may be appropriate, in the district court of the parish of the residence of any one of the defendants or in the district court of the parish where the violation took place.

D. Suit shall be at the direction of the board and shall be instituted and conducted in its name by the attorney for the board."

On page 1, between lines 7 and 8, insert the following:

"Art. 204. Execution of warrant

The warrant shall be directed to all peace officers in the state. It shall be executed only by a peace officer and may be executed in any parish by any peace officer having authority in the territorial jurisdiction where the person arrested is found, or by any peace officer having authority in one territorial jurisdiction in this state who enters another jurisdiction in close pursuit of the person arrested. However, no warrant issued for violation of a traffic offense may be executed by a peace officer until at least thirty days after notice of issuance of the warrant has been mailed to the offender.

* * *

A. When a peace officer observes activity which the peace officer believes constitutes a criminal offense, and the peace officer decides to issue a summons instead of arresting and booking the alleged offender, the peace officer shall serve the summons on the alleged offender immediately after the peace officer observes the activity. The requirement of this Subsection shall be subject to the exception contained in Subsection D of this Section.

B. When a summons has been issued by a magistrate, the service of a summons is made in the same manner as a citation in a civil action.

D. No summons, or any other document which provides notice of or citation for any violation of any provision of criminal law shall be served or delivered through the United States mail unless the peace officer certifies, under oath or affirmation, that the peace officer has made a good faith effort to serve the summons on the alleged offender but was not able to make that service because of extinguating circumstances or there is a legitimate law enforcement reason for delaying service due to an ongoing criminal investigation. The certification shall specify the extinguating circumstances which precluded the personal service of the summons. "§893. Reserves--noncancellable health and accident insurance

A. The legal minimum standard for computing the active life reserve, including the unearned premium reserve, of noncancellable health and accident policies shall be based on Conference Modification of Class III Disability Experience with interest at not to exceed three and one-half percent per annum on the full preliminary term basis.

B. For policies with a waiting period of less than three months or providing benefits at ages beyond the limits of Conference Modification of Class III Disability Experience, the tables shall be extended to cover the provisions of such policies on such basis as the commissioner of insurance may approve.

C. The reserve for losses under noncancellable disability policies shall be based on Conference Modification of Class III Disability Experience, except that for claims of less than twenty-seven months' duration the reserve may be taken as equivalent to the prospective claim payments for three and one-half times the elapsed period of disability; but in no case shall the reserve be less than the equivalent of seven weeks' claim payments.

D. For a point of service policy, reserves shall be required for the indemnity exposure only and may be based on an insurer's actual experience or, in the case of an insurer in business for less than five years, may be based on industry standards.

E. The commissioner of insurance shall modify the application of the tables and requirements prescribed in this Section to policies or to claims arising under policies in accordance with the waiting period contained in such policies and in accordance with any limitation as to the time for which indemnity is payable.
