Message from the Governor

The following message from the Governor was received and read:
State of Louisiana  
Office of the Governor  
Baton Rouge  
June 11, 1999  

Honorable Alfred W. Speer  
Clerk of the House of Representatives  
State Capitol  
Baton Rouge, LA  70804  

RE: HOUSE BILL NO. 44 BY REPRESENTATIVE WINDHORST  

To amend and reenact R.S. 49:968 (G), relative to the Administrative Procedure Act; to provide relative to the procedure for the proposal and adoption of certain rules; and to provide for related matters.  

Dear Mr. Speer:  

Presently, under the Louisiana Administrative Procedure Act if a state agency rule is found unacceptable by a legislative oversight committee and the governor does not disapprove that action, the agency may not be able to resubmit even a substantially similar rule until the next regular legislative session. The current process gives the legislative branch appropriate review and input in the agency rule-making process while at the same time maintaining to the executive branch appropriate ability to discharge its duties.  

House Bill No. 44 would extend by an additional year the period within which the agency may be barred from initiating substantially similar rule-making; that is, the agency may be required to wait until the next general regular session. Increasing the period within which an agency may be unable to discharge its duties may well jeopardize state conformity with state or federal law or federal regulation and would require the governor to more frequently overturn legislative oversight committee actions to avoid the risk that an agency will be prevented from discharging its duty under state law.  

For this reason, I am vetoing House Bill No. 44 and returning it to you.  

Sincerely,  

M. J. "Mike" Foster, Jr.  

Lies over under the rules.

ROLL CALL

The roll was called with the following result:
To amend and reenact R.S. 10:3-111 and to repeal R.S. 10:4A-209 (f), relative to banks; to prohibit a drawee from charging a fee for the payment of an instrument pursuant to the drawer's instructions: and to provide for related matters.

Dear Mr. Speer:

House Bill No. 316 would prohibit a bank from charging a fee for cashing a check drawn on the bank and presented for payment to the bank by someone not its customer. Although the bill's proposed objective to limit the cost of banking to consumers is admirable, I and many others strongly believe that the economy is healthier and produces more jobs and other benefits the less government intervenes. The basic fees of businesses are matters for consideration by them and those who do business with them.

For this reason I am vetoing and returning House Bill No. 316 to you.

Sincerely,

M. J. "Mike" Foster, Jr.

Lies over under the rules.
