BY REPRESENTATIVE WINDHORST

State of Louisiana
Office of the Governor
Baton Rouge

June 11, 1999

Honorable Alfred W. Speer
Clerk of the House of Representatives
State Capitol
Baton Rouge, LA 70804

RE: HOUSE BILL NO. 44 BY REPRESENTATIVE WINDHORST

To amend and reenact R.S. 49:968 (G), relative to the Administrative Procedure Act; to provide relative to the procedure for the proposal and adoption of certain rules; and to provide for related matters.

Dear Mr. Speer:

Presently, under the Louisiana Administrative Procedure Act if a state agency rule is found unacceptable by a legislative oversight committee and the governor does not disapprove that action, the agency may not be able to resubmit even a substantially similar rule until the next regular legislative session. The current process gives the legislative branch appropriate review and input in the agency rule-making process while at the same time maintaining to the executive branch appropriate ability to discharge its duties.

House Bill No. 44 would extend by an additional year the period within which the agency may be barred from initiating substantially similar rule-making; that is, the agency may be required to wait until the next general regular session. Increasing the period within which an agency may be unable to discharge its duties may well jeopardize state conformity with state or federal law or federal regulation and would require the governor to more frequently overturn legislative oversight committee actions to avoid the risk that an agency will be prevented from discharging its duty under state law.

For this reason, I am vetoing House Bill No. 44 and returning it to you.

Sincerely,

M. J. "Mike" Foster, Jr.

Motion

On motion of Rep. Windhorst, the bill was returned to the calendar.

HOUSE BILL NO. 316—

BY REPRESENTATIVE GREEN

AN ACT

To amend and reenact R.S. 10:3-111 and to repeal R.S. 10:4A-209(f), relative to banks; to prohibit a drawee from charging a fee for the payment of an instrument pursuant to the drawer's instructions; and to provide for related matters.

Read by title.

State of Louisiana
Office of the Governor
Baton Rouge

June 11, 1999

Honorable Alfred W. Speer
Clerk of the House of Representatives
State Capitol
Baton Rouge, LA 70804

RE: HOUSE BILL NO. 316 BY REPRESENTATIVE GREEN

To amend and reenact R.S. 10:3-111 and to repeal R.S. 10:4A-209 (f), relative to banks; to prohibit a drawee from charging a fee for the payment of an instrument pursuant to the drawer's instructions; and to provide for related matters.

Dear Mr. Speer:

House Bill No. 316 would prohibit a bank from charging a fee for cashing a check drawn on the bank and presented for payment to the bank by someone not its customer. Although the bill's proposed objective to limit the cost of banking to consumers is admirable, I and many others strongly believe that the economy is healthier and produces more jobs and other benefits the less government intervenes. The basic fees of businesses are matters for consideration by them and those who do business with them.

For this reason I am vetoing and returning House Bill No. 316 to you.

Sincerely,

M. J. "Mike" Foster, Jr.

Rep. Green moved the passage of the bill subsequent to the Governor's veto.

Rep. McMains moved the previous question be ordered on the entire subject matter.

Rep. Green objected.

By a vote of 46 yeas and 42 nays, the House agreed to order the previous question on the entire subject matter.

If the appropriate court is not a district court, it shall sit en banc on such a rule to show cause. If the bond is posted in a court other than a district court and composed of only one judgeship position, then the rule shall be filed in the appropriate district court.

(b) At the rule to show cause, the court may consider only issues which would interrupt the enforceability of the judgment. Should the court find:

(i) A judgment of bond forfeiture has been rendered after June 22, 1993, against the commercial surety;

(ii) Proper notice pursuant to this Section has been mailed;

(iii) No suspensive appeal has been taken;

(iv) The defendant has neither been surrendered nor appeared within six months of mailing of the notice of the signing of the judgment of bond forfeiture or for bonds which total more than fifty thousand dollars, the defendant has neither been surrendered together with twenty five percent of the total amount of the bond or appeared together with cash payment of twenty-five percent of the total amount of the bond more than six months but within one year of the mailing of the notice of the signing of the judgment of bond forfeiture;

(v) Two hundred ten days have passed since the mailing of proper notice of the signing of the judgment of bond forfeiture for bonds which total fifty thousand dollars or less, or four hundred days have passed since the mailing of proper notice of the signing of the judgment of bond forfeiture for bonds of more than fifty thousand dollars; and

(vi) The judgment of bond forfeiture has not been satisfied by payment of the full amount for bonds which total fifty thousand dollars or less or has not been satisfied by the surrender or appearance of the defendant together with payment in cash of twenty-five percent of the total bond amount for bonds of more than fifty thousand dollars, if applicable, then the court may issue an order enjoining the commercial surety company from posting criminal bail bonds before the court issuing the judgment of bond forfeiture if the judgment is not satisfied within the ten days.

(c) The burden of proof at the hearing shall be upon the commercial surety by a preponderance of evidence and shall be limited to documents contained in the official court record where the judgment was rendered. The surety company may use evidence not contained in the record to show that it did not receive post-forfeiture notice or the post-forfeiture notice required pursuant to this Section was not properly mailed.

Section 2. The provisions of this Act shall only apply to bonds issued after the effective date of this Act."

The timely filing of a suspensive appeal shall suspend the enforcement or collection of the judgment of the bond forfeiture. In addition, the court may provide by court rule for the filing of an offset claim against the principal with the secretary of the Department of Revenue, in accordance with R.S. 47:299.1 through 299.20. If after six months and ten days from the mailing of proper notice of the signing of the judgment for bonds which total fifty thousand dollars or less or if after one year and ten days for bonds of more than fifty thousand dollars, a judgment of bond forfeiture against a commercial surety company has not been suspensively appealed nor satisfied or proceedings challenging the bond forfeiture have not been timely filed, the prosecuting attorney may either file a rule to show cause with the commissioner of insurance in accordance with R.S. 22:658.1 or collect the judgment in the same manner as a civil judgment.

* * *

(10)(a) Satisfaction of judgment of bond forfeiture. Any For bonds which total fifty thousand dollars or less, any judgment forfeiting the appearance bond rendered according to this Section shall at any time, within six months, after mailing of the notice of the signing of the judgment of bond forfeiture, be fully satisfied and set aside upon the surrender or the appearance of the defendant. The appearance of the defendant shall operate as a satisfaction of the judgment and the surrender shall operate as a satisfaction of the judgment and shall fully and finally relieve the surety of any and all obligations under the bond. Any judgment forfeiting the appearance bond rendered according to this Section shall at any time, within ten days after the expiration of the six-month period provided to surrender the defendant, be fully satisfied by the payment of the amount of the bail obligation without incurring any interest, costs, or fees.

(b)(i) For bonds of more than fifty thousand dollars, any judgment forfeiting the appearance bond rendered according to this Section shall at any time within six months after mailing of the notice of the signing of the judgment of bond forfeiture, be fully satisfied and set aside upon the surrender or the appearance of the defendant. Any judgment forfeiting the appearance bond rendered according to this Section shall at any time, within ten days after the expiration of the one year period provided to surrender the defendant, be fully satisfied by the payment of the amount of the bail obligation without incurring any interest, costs, or fees.

(11) Failure to satisfy judgment of bond forfeiture.

(a) If a judgment of bond forfeiture rendered after June 22, 1993, against a commercial surety company has not been satisfied within two hundred ten days from mailing the notice of the signing of the judgment of bond forfeiture for bonds which total fifty thousand dollars or less, or within four hundred days from mailing the notice of the signing of the judgment of bond forfeiture for bonds of more than fifty thousand dollars, nor has a suspensive appeal or other proceeding challenging the bond forfeiture been timely filed, the prosecuting attorney may file with the appropriate court a rule to show cause why that commercial surety company should not be prohibited from executing criminal bail bonds before the court issuing the judgment of bond forfeiture. The appropriate court is the court where the bond is posted, whether in a district court or a court other than a district court composed of more than one judge. If the appropriate court is not a district court, it shall sit en banc on such a rule to show cause. If the bond is posted in a court other than a district court and composed of only one judgeship position, then the rule shall be filed in the appropriate district court.

(b) At the rule to show cause, the court may consider only issues which would interrupt the enforceability of the judgment. Should the court find:

(i) A judgment of bond forfeiture has been rendered after June 22, 1993, against the commercial surety;

(ii) Proper notice pursuant to this Section has been mailed;

(iii) No suspensive appeal has been taken;

(iv) The defendant has neither been surrendered nor appeared within six months of mailing of the notice of the signing of the judgment of bond forfeiture or for bonds which total more than fifty thousand dollars, the defendant has neither been surrendered together with twenty five percent of the total amount of the bond or appeared together with cash payment of twenty five percent of the total amount of the bond more than six months but within one year of the mailing of the notice of the signing of the judgment of bond forfeiture;

(vi) The judgment of bond forfeiture has not been satisfied by payment of the full amount for bonds which total fifty thousand dollars or less or has not been satisfied by the surrender or appearance of the defendant together with payment in cash of twenty five percent of the total bond amount for bonds of more than fifty thousand dollars, if applicable,

then the court may issue an order enjoining the commercial surety company from posting criminal bail bonds before the court issuing

the judgment of bond forfeiture if the judgment is not satisfied within the ten days.

(c) The burden of proof at the hearing shall be upon the commercial surety by a preponderance of evidence and shall be limited to documents contained in the official court record where the judgment was rendered. The surety company may use evidence not contained in the record to show that it did not receive post-forfeiture notice or the post-forfeiture notice required pursuant to this Section was not properly mailed.

Section 2. The provisions of this Act shall only apply to bonds issued after the effective date of this Act."

PART V. PRIVILEGES FOR PERSONS WHO SUPPLY SERVICES AND PRODUCTS TO SUPERMARKETS

§5041. Privileges for persons who supply services and products to supermarkets

A. Persons who provide security and guard services for supermarkets which are part of a chain of supermarkets shall have a privilege for the costs of providing those services. PART V. PRIVILEGES FOR PERSONS WHO SUPPLY SERVICES AND PRODUCTS TO SUPERMARKETS

§5041. Privileges for persons who supply services and products to supermarkets

A. Persons who provide security and guard services for supermarkets which are part of a chain of supermarkets shall have a privilege for the costs of providing those services. Persons who provide consumable goods which are held for sale in supermarkets which are part of a chain of supermarkets shall have a privilege for the value of those consumable goods. Persons who provide maintenance or repair services, or who supply parts used in connection with maintenance or repair services, or who provide custodial, janitorial, or waste disposal services, for supermarkets which are part of a chain of supermarkets shall have a privilege for the costs of providing those services. Persons who provide printed material for in-store advertising or promotional purposes for supermarkets which are part of a chain of supermarkets shall have a privilege for the value of those printed materials.

B. The privileges which are established in this Section shall be effective against the proceeds from the sale of all or part of the chain of supermarkets, as a going concern, and shall be superior in rank to all other privileges, mortgages, or other security interests against those proceeds, provided that the person who provided the security or guard services, or the person who provided the consumable goods can establish the following with regard to the holders of such other privileges, mortgages, or other security interests:

(1) That such holders knew that the owners, or other parties with appropriate authority, were attempting to sell all or part of the chain of supermarkets.

(2) That such holders knew that the projected revenues from the operation of the chain of supermarkets might not be sufficient to pay the costs of operation of the chain of supermarkets during the time that the owners, or other parties with appropriate authority, were attempting to sell all or part of the chain of supermarkets.

(3) That such holders expressly approved the efforts to sell all or part of the chain of supermarkets.

C. The lessor of any leasehold being transferred shall enjoy a like privilege and priority against the security interest of any such holder; so too shall the lessor of any distributing facility enjoy a privilege and priority with respect to the portion of the rent bearing the same ratio as the number of supermarkets so sold bears to the total stores serviced out of that facility.

D. The privileges created by this Section, by R.S. 9:5021, and by Civil Code Article 3227 are specifically exempted from the provisions of R.S. 9:4770 and R.S. 10:9-201.

"CHAPTER 3-A. LOUISIANA STRIPPER
PROPERTY TAX RELIEF FUND

§231. Declaration of public policy

The legislature does hereby declare that a decline in the price of oil and gas dramatically affects Louisiana's marginally producing oil and gas wells in that such low prices make it difficult if not impossible for the owners of such wells to bear the burden of the ad valorem property tax: a tax which must be paid despite a lack of income from the well with which to pay it. Understanding the need of the local governments which rely upon such tax as the basis for their funding, the legislature hereby deems it in the best interest of the state that both producers from marginal wells and local governments be assisted by the creation of this fund.

§232. Louisiana Stripper Property Tax Relief Fund; disposition of funds

A. Money equal to the amount necessary to fund the program as provided for in R.S. 30:323, shall be deposited into the state treasury immediately upon receipt of the collections from the severance tax on oil and gas as provided for in R.S. 47:633 received by the state each fiscal year. However, the amount deposited in the fund shall not exceed two percent of such state oil and gas severance tax each fiscal year, or four million dollars, whichever is less.

B.(1) After compliance with the requirements of Article VII, Section 9(B) of the Constitution of Louisiana relative to the Bond Security and Redemption Fund, and prior to money being placed in the state general fund, an amount equal to that deposited as required by Subsection (A) of this Section shall be credited to a special fund hereby created in the state treasury to be known as the Louisiana Stripper Property Tax Relief Fund. The money in this fund shall be used solely as provided in Subsection (C) of this Section.

(2)(a) All unexpended and unencumbered money in this fund at the end of the fiscal year shall be deposited into the state general fund.

(b) The money in this fund shall be invested by the state treasurer in the same manner as monies in the state general fund and interest earned on the investment of these monies shall be credited to this fund, again, following compliance with the requirement of

Article VII, Section 9(B) relative to the Bond Security and Redemption Fund.

C. The money in the Louisiana Stripper Property Tax Relief Fund shall be used solely for the implementation of a Stripper and Incapable Well Property Tax Relief Program by the commissioner of conservation as provided for in R.S. 30:233. None of the money in the fund shall be used to administer the program.

§233. The Stripper Property Tax Relief Program

A. The Stripper Property Tax Relief Program shall consist of the following:

Any operator of a well defined for severance tax purposes for an entire ad valorem property tax year as a stripper well pursuant to R.S. 47:633(7)(c)(i)(aa), shall be entitled to be reimbursed for one-twelfth of the amount of ad valorem property tax paid on the well, on related LAW [Lease Unit Well(s)] Code well(s), and on facilities directly related to such well(s) for such tax year, if the monthly field price of oil paid or posted for oil by the designated crude oil purchaser of record with the commissioner of conservation is below fifteen dollars per barrel for any month of such year. The operator shall be responsible for the distribution on a pro rata basis of the refund to those parties who hold a working interest in the well.

B. The reimbursement provided for in this Chapter shall be made by the commissioner from the Louisiana Stripper Property Tax Relief Fund within three months of the date the operator submits to him evidence of the payment of ad valorem property tax on the well and the related facilities for the tax year, if the Department of Revenue, upon written application, provides written certification that the well met the qualifications provided for in Subsection (A) for the entire tax year.

C. The commissioner shall promulgate rules and regulations pursuant to the Administrative Procedure Act in order to implement the provisions of this Chapter.

D.(1) Notwithstanding any other law to the contrary, no legislator who files a notarized statement with the Board of Ethics either before or after the effective date of this Chapter pledging that he, or he and his spouse, will not take advantage of any benefit provided for in this Chapter, and no spouse of such legislator if the legislator has included the spouse in such statement, nor any corporation, partnership, or other legal entity in which he or they own any interest, except publicly traded corporations, shall be the recipient of any benefit provided for in this Chapter.

(2) The provisions of this Subsection shall not be interpreted as modifying any other requirements or prohibitions of the Code of Governmental Ethics as provided for in Chapter 15 of Title 42 of the Louisiana Revised Statutes of 1950, and such legislator, spouse, and other legal entities in which the legislator and/or the spouse of such legislator owns any interest, shall be subject to all such requirements and prohibitions.

Section 2. This Act shall become effective on July 1, 1999."

(b) For the purposes of this Section, "approved special schools" means the Louisiana School for the Deaf, the Louisiana School for the Visually Impaired, the Louisiana Special Education Center in Alexandria, the Louisiana School for Math, Science, and the Arts, and the New Orleans Center for Creative Arts, after such school is operational, and the Louis Armstrong High School for the Arts, after such school is operational.

(2) Upon receipt by the state and notwithstanding the provisions of Article VII, Section 9(B) of this constitution, the treasurer shall directly deposit in and credit to the school funds thirty percent of all money which is received by the state each year as the result of a settlement embodied in a document called the Master Settlement Agreement which was signed on November 23, 1998 in settlement of litigation involving forty-six states, including Louisiana, and the Brown and Williamson Tobacco Corporation and others, hereinafter

referred to as the tobacco settlement which is hereby granted by the state to each city and parish school board and each approved special school and which shall hereafter be maintained by the treasurer on behalf of the students attending all private elementary and secondary schools in the state approved by the State Board of Elementary and Secondary Education; twenty percent of the interest income earned on the collective investment of the monies credited to the school funds; twenty percent of the realized capital gains on the collective investment of the monies credited to the school funds, unless such percentage is changed by law enacted by two-thirds of the elected members of each house of the legislature; and twenty percent of the dividend income earned on the collective investment of the monies credited to the school funds. No appropriation shall be made from any of the school funds nor shall any expenditure of money in the school funds be authorized or permitted. If any money has been received as a result of the settlement prior to the effective date of this Section, the treasurer shall transfer from the state general fund to the school funds on the effective date of this Section an amount of money which shall make the collective balance of the school funds equal to the amount of such money previously received. No state monies shall be used directly or indirectly to discriminate or have the effect of discrimination in providing equal educational access and opportunities.

(3) Of the tobacco settlement money to be credited to the school funds, fifteen percent shall be deposited into the Private Education Excellence Fund, and two hundred and fifty thousand dollars shall be credited to the school funds of the Louisiana School for the Deaf, the Louisiana School for the Visually Impaired, the Louisiana Special Education Center, the Louisiana School for Math, Science and the Arts, the New Orleans Center for Creative Arts, after such school is operational, and the Louis Armstrong High School for the Arts, after such school is operational. Of the remaining funds, thirty percent shall be equally divided among all city and parish school system funds. Seventy percent shall be divided among all city and parish school system funds in an amount to each system's school fund that bears the same relationship to the total of the remainder being divided that the system's total state share amount as contained in the minimum foundation program budget letter approved by the State Board of Elementary and Secondary Education bears to the whole amount of the state share appropriated pursuant to the minimum foundation formula in the year to which the budget year relates. The interest income, realized capital gains, and dividend income that are required in this Paragraph to be credited to each school fund shall be credited in an amount of the total each school's fund balance bears to the collective balance of all school funds.

(4) All the interest income, realized capital gains, and dividend income resulting from the collective investment of the monies in the school funds that are not required in this Paragraph to be credited to the school funds shall, notwithstanding the provisions of Article VII, Section 9(B) of this constitution, be directly credited to the Louisiana Educational Excellence Fund, hereinafter referred to as the LEEF Fund, which is hereby established in the state treasury.

(5)(a) The state treasurer shall annually disburse to each city and parish school board upon the warrant of its superintendent and each approved special school upon the warrant of its chief executive out of the LEEF Fund an amount that bears the same relationship to the total LEEF Fund balance that each school fund balance bears to the collective balance of all school funds, hereinafter referred to as investment earnings. These investment earnings may be expended as provided in Paragraph (C) of this Section.

(b) The state treasurer shall annually disburse to the state superintendent of education out of the LEEF Fund an amount that bears the same relationship to the total LEEF Fund balance that the Private Education Excellence Fund balance bears to the collective balance of all school funds, hereinafter referred to as investment

earnings. The superintendent shall distribute these investment earnings to each private elementary and secondary school approved by the State Board of Elementary and Secondary Education upon the warrant of its principal on the basis of a formula that provides to each such school an equal amount for each enrolled student. These investment earnings may be expended as provided in Paragraph (D) of this Section.

(6) At the end of the period during which payments under the tobacco settlement are to be received by the state, each city and parish school board and the boards of directors of the Louisiana School of Math, Science, and the Arts, the New Orleans Center for Creative Arts, when such school is operational, and the Louis Armstrong High School for the Arts, if such school is operational, may elect to either maintain its school fund in the state treasury to continue to be invested by the state treasurer or it may transfer its fund balance to its own custody and thereafter provide for investment of the fund itself. At the end of such period, the school fund of every other approved special school and the Private Education Excellence Fund shall remain in the state treasury to be invested by the state treasurer.

(B) Investment. (1) The money credited to the school funds pursuant to Paragraph (A) of this Section shall be invested by the state treasurer. Notwithstanding any provision of this constitution or other law to the contrary, a portion of money in the school funds may be invested in stock in the same manner and subject to the same restrictions of law as for the money in the Louisiana Education Quality Trust Fund. The treasurer shall contract, subject to the approval of the State Bond Commission, for the management of such investments. The state treasurer shall collect from the LEEF Fund, prior to its disbursement, an amount to cover the costs of investing and managing the monies in the school funds as approved by the State Bond Commission.

(2) The state treasurer shall annually disburse the total amount of investment earnings due each city and parish school board and each approved special school from its fund pursuant to Paragraph (A)(5) of this Section upon the warrant of the superintendent of each system or the chief executive of the approved special school accompanied by an affidavit that the system's or school's plan for expending the money has been filed with the state Department of Education as required in Paragraph (C) of this Section.

(3) The state superintendent shall annually distribute the amount due to each school pursuant to Paragraph (A)(5)(b) of this Section upon the warrant of each school principal accompanied by an affidavit that the school's plan for expending the money has been filed with the state Department of Education as required in Paragraph (D) of this Section.

(C) Expenditures. (1) Only investment earnings may be expended. Each city and parish school board may annually authorize its superintendent to and each chief executive of an approved special school may warrant all of its investment earnings or he may warrant any portion of its earnings. Any unwarranted earnings shall be maintained in an account from which it may be warranted and withdrawn in subsequent years unless the city or parish school board or the chief executive of an approved special school directs such earnings to be deposited into their permanent school fund. Any investment earnings directed to be deposited into a permanent school fund may not thereafter be warranted or expended.

(2) Prior to warranting its investment earnings, each city and parish school system and each approved special school shall file with the state Department of Education a plan for the expenditure of any funds disbursed pursuant to this Section. The plan shall be filed in a format established by the state Department of Education after consultation with the legislative auditor who shall use each such plan

as a basis for auditing each city and parish school board's and each approved special school's use of its investment earnings to assure compliance with law. The plan, any expenditures permitted thereunder, and the audit authority regarding such expenditures shall be as provided by law.

(3) No investment earning disbursed to a city or parish school board or the chief executive of an approved special school pursuant to this Section shall displace, replace, or supplant appropriations from the state general fund which means that no disbursement to any city or parish school board or an approved special school from the LEEF Fund shall be expended for any purpose for which a state general fund appropriation was expended the previous year unless the total appropriations for that fiscal year from the state general fund exceed general fund appropriations for the previous year minus any amounts attributable to a larger population of students in the previous year. Nor shall any money disbursed to a city or parish school board pursuant to this Section displace, replace, or supplant locally generated revenue which means that no disbursement to any city or parish school board from the LEEF Fund shall be expended for any purpose for which a local revenue source was expended the previous year unless the total of the local revenue for that fiscal year exceeds such local revenue amounts for the previous year.

(4)(a) All investment earnings disbursed to any city or parish school system or any approved special school shall be expended by the system or school to enhance instruction or academic achievement by students as provided in each system's or school's plan and as provided by law. Expenditures shall not be permitted for administration of the funds, except as collected by the state treasurer to cover the costs of investing and managing the monies as provided in this Section; building maintenance, renovation, or upkeep; capital improvements; or increases in salary for any employee.

(b) Each city or parish school system and any approved special school shall expend no less than five percent of its annual investment earnings on a smoking and substance abuse prevention program.

(D) Expenditures. (1)(a) Prior to warranting any funds pursuant to this Section, each private school principal shall file with the state Department of Education a plan, as provided by law and in the format required by the department, for the expenditure of the money which is focused exclusively on the enhancement of instruction or academic achievement of the students in such school. No money may be expended on any theological instruction or material. No money may be expended on any facility renovation, maintenance, construction, or capital improvements of any kind. No money may be expended on increases in salary for any employee. No money may be expended or pledged to support debt. No money may be expended for the administration of funds, except as collected by the state treasurer to cover the costs of investing and managing the monies as provided in this Section.

(b) Each private school shall expend no less than five percent of its annual investment earnings on a smoking and substance abuse prevention program.

(2) The legislative auditor shall use such plan as a basis for auditing each school's use of its investment earnings to assure compliance with the law. The legislative auditor shall be provided with sufficient access to the records of each private school to be able to make the determination required by this Paragraph."

"§10.8. Master Settlement Agreement Disposition

Section 10.8.(A)(1)(a) Education Trust Fund. The Education Trust Fund is hereby established as a special permanent trust fund in the state treasury. Excluding any amounts appropriated during the 1999 Regular Session of the Louisiana Legislature and after allocation of money to the Bond Security and Redemption Fund as provided in Article VII, Section 9(B) of this constitution, the treasurer shall deposit in and credit to the Education Trust Fund fifty percent of all money which is received as a result of the Master Settlement Agreement, referred to in this Article as the "settlement agreement", executed November 23, 1998, and approved by Consent Decree and Final Judgment entered in the case "Richard P. Ieyoub, Attorney General, ex rel. State of Louisiana v. Philip Morris, Incorporated, et al.", bearing Number 98-6473 on the docket of the Fourteenth Judicial District for the parish of Calcasieu, state of Louisiana.

(b) The treasurer shall deposit into the Education Trust Fund so much of the investment earnings attributable to the investment of the money in the Education Trust Fund as the Revenue Estimating Conference annually determines is necessary to protect the corpus of the fund from losing value as the result of inflation.

(c) The amounts deposited as provided in this Paragraph shall be permanently credited and no appropriation shall be made from the Education Trust Fund.

(2) Investment. The treasurer shall invest the money in the Education Trust Fund with the same authority and subject to the same limitations as for the Louisiana Education Quality Trust Fund. The treasurer may contract, subject to the approval of the State Bond

Commission, for the management of such investments and, if a contract is entered into, an amount necessary to pay the costs of the contract shall be appropriated out of the investment earnings.

(3) Appropriations. (a) Except for the amount determined annually by the Revenue Estimating Conference required to protect the corpus from the effect of inflation and the amount required to pay the contract entered into to manage the investment of the money in the corpus, all interest earnings, dividends, realized capital gains or other earnings accruing from the investment of the money in the Education Trust Fund, referred to in this Article as "investment earnings", shall, after allocation of the money to the Bond Security and Redemption Fund as provided in Article VII, Section 9(B) of this constitution be deposited in and credited to the Louisiana Education Excellence Fund, referred to in this Section as the "LEEF Fund".

(b) The money in the LEEF Fund shall be invested by the state treasurer as is money in the state general fund and such investment earnings shall, after allocation of the money to the Bond Security and Redemption Fund, be deposited in the LEEF Fund. The money in the LEEF Fund shall annually be disbursed or appropriated as provided in Subparagraphs (4) and (5) of this Paragraph.

(4)(a) Fifty percent of the balance of the LEEF Fund shall annually be disbursed by the state treasurer to each city, parish or other local school system, the Louisiana School for the Deaf, the Louisiana School for the Visually Impaired, the Louisiana Special Education Center in Alexandria, the Louisiana School for Math, Science, and the Arts, the New Orleans Center for Creative Arts, after such school is operational, and the Louis Armstrong High School for the Arts, after such school is operational, and the state superintendent on behalf of all school children attending private elementary and secondary schools in the state that have been approved by the State Board of Elementary and Secondary Education, both academically and as required for such school to received money from the state, referred to in this Section as "private schools". Such disbursement shall be in amounts determined by the calculation provided in Subsubparagraph (b) of this Subparagraph and such amounts shall be indicative of the undivided interest each such recipient has in the monies deposited in the Education Trust Fund.

(b) Out of one-half of the investment earnings from the Education Trust Fund, the state treasurer shall credit fifteen percent of such amount to all private schools collectively; two hundred and fifty thousand dollars annually each to the Louisiana School for the Deaf, the Louisiana School for the Visually Impaired, the Louisiana Special Education Center in Alexandria, the Louisiana School for Math, Science, and the Arts, the New Orleans Center for Creative Arts, after such school is operational, and the Louis Armstrong High School for the Arts, after such school is operational; and, of the remaining funds, thirty percent shall be equally divided among all city, parish, and other local school system and seventy percent shall be divided among all city, parish, and other local school systems in an amount to each system that bears the same relationship to the total of the remainder being divided that the system's total state share amount as contained in the minimum foundation program budget letter approved by the State Board of Elementary and Secondary Education bears to the whole amount of the state share appropriated pursuant to the minimum foundation formula in the year to which the budget year relates.

(c) The state treasurer shall annually report to each participating school and system the value of its undivided interest in the Education Trust Fund.

(d)(i) All money disbursed as provided in this Subparagraph shall be expended to enhance instruction or academic achievement by students. No expenditures shall be made for building maintenance, renovation, or upkeep; capital improvements; or increases in salary

for any employee. Five percent shall be spent on programs to prevent smoking and substance abuse.

(ii) The state superintendent of education shall be responsible for receiving and allocating all money due private schools.

(iii) Each school and school system participating shall annually prepare and submit to the state Department of Education a plan developed and prepared by a committee comprised of teachers as provided by law, for the expenditure of funds disbursed pursuant to this Paragraph. The department shall review such plans for compliance with the requirements of this Subparagraph and to assure that the expenditure plans will support excellent educational practice. No money shall be disbursed to any participating school or school system if the submitted plan is rejected by the department; however, any undisbursed money shall remain credited to the school or school system. All such plans shall be available to the standing committees of the legislature for review. Such plans shall be used by the Legislative Auditor to determine whether the money is being expended in compliance with the requirements of law.

(e) No amount appropriated as required in this Subparagraph shall displace, replace, or supplant appropriations from the general fund for elementary and secondary education, including implementing the Minimum Foundation Program. This Subsubparagraph means that no appropriation for any fiscal year from the balance of the LEEF Fund shall be made for any purpose for which a general fund appropriation was made the previous year unless the total appropriations for the fiscal year from the state general fund for such purposes exceed general fund appropriations of the previous year. Nor shall any money allocated to a city or parish school board pursuant to this Section displace, replace, or supplant locally generated revenue which means that no allocation to any city or parish school board from the investment earnings attributable to the Education Trust Fund shall be expended for any purpose for which a local revenue source was expended the previous year unless the total of the local revenue amount expended that fiscal year exceeds the total of such local revenue amounts for the previous year.

(5) Fifty percent of the balance of the LEEF Fund shall be appropriated to meet the costs to the state of a program of tuition assistance for students attending Louisiana institutions of postsecondary education. At any time the amount provided for in this Subparagraph exceeds what is required, the excess shall be appropriated as provided in Subparagraph (4) of this Paragraph.

(B) Education Support Fund. (1) After allocation of money to the Bond Security and Redemption Fund as provided in Article VII, Section 9(B) of this constitution, the treasurer shall deposit in and credit to the Education Support Fund ten percent of the remaining amount of money attributable to the settlement agreement and ten percent of any proceeds from any bonds issued as authorized in Paragraph (B) of this Article. The money in the fund shall be invested by the state treasurer as provided for money in the state general fund and, after allocation of money to the Bond Security and Redemption Fund as provided in Article VII, Section 9(B) of this constitution, all earnings on the investment of the money shall be deposited and credited to the Education Support Fund. The money in the Education Support Fund shall annually be appropriated for the purposes provided in this Paragraph.

(2) The balance in the Education Support Fund shall annually be appropriated to each city and parish or other local school system in an amount that bears the same relationship to such balance that the system's total state share amount as contained in the minimum foundation program budget letter approved by the State Board of Elementary and Secondary Education bears to the whole amount of the state share appropriated pursuant to the minimum foundation formula in the year to which the budget year relates.

(3) The amounts appropriated pursuant to this Paragraph shall be expended for early childhood education programs focused on enhancing the preparation of at-risk children for school and on remediation and assistance to those children who fail to achieve the required scores on any tests passage of which are required pursuant to state law or rule for advancement to a succeeding grade or other educational programs approved by the legislature.

(C) Health Care and Research Fund. (1) After allocation of money to the Bond Security and Redemption Fund as provided in Article VII, Section 9(B) of this constitution, the remaining amount of money attributable to the settlement agreement and any remaining proceeds from any bonds issued as authorized in Paragraph (B) of this Article after the amounts required in Paragraph (C) of this Article are deposited and credited to the Education Support Fund shall be deposited in and credited to the Health Care and Research Fund. The money in the fund shall be invested by the state treasurer as provided for money in the state general fund and, after allocation of money to the Bond Security and Redemption Fund as provided in Article VII, Section 9(B) of this constitution, all earnings on the investment of the money shall be deposited and credited to the Health Care and Research Fund. The money in the Health Care and Research Fund shall annually be appropriated for the purposes provided in this Paragraph.

(2)(a) Twenty-five percent of the money in the Health Care and Research Fund shall be appropriated to the Board of Regents for allocation by them to fund health science research project grants submitted to the Board of Regents and recommended to the legislature for funding by the Board of Regents after competitive review by a committee established by the Board of Regents for such purpose and comprised of persons with expertise in the areas of health research and the needs of the state.

(b) The Board of Regents shall annually submit to the legislature and the governor not less than sixty days prior to the beginning of each regular session of the legislature a proposed program and budget for the expenditure of the money. In addition, the program and budget shall be submitted in a concurrent resolution for the approval or rejection of the legislature. If it is rejected it may be resubmitted by the board. The program and budget shall be approved by a vote of two-thirds of the elected members of both houses prior to appropriation of the money provided for in this Subparagraph.

(3) Seventy-five percent of the money in the Health Care and Research Fund shall be appropriated, upon a vote of two-thirds of the elected members of both houses of the legislature, for any or all of the following programs or purposes:

- (a) Early intervention in health or health-related problems.
- (b) School-based health clinics.
- (c) Infant mortality prevention.
- (d) Drug prevention and treatment programs, including but not limited to, judicial programs of intensive court-supervised probation for persons accused of drug offenses designed to rehabilitate the offender.
- (e) Providing health insurance for indigent children.
- (f) Teen pregnancy prevention.

(D) Louisiana Investment for Tomorrow Fund. (1) Notwithstanding the provisions of Paragraphs (B) and (C) of this Article and in lieu of the deposit of money attributable to the settlement agreement in the funds established in such Paragraphs,

upon two-thirds vote of the elected members of each house of the legislature fifty percent of the money received by the state as a result of the settlement agreement shall be deposited into the Louisiana Investment for Tomorrow Trust Fund which is hereby created as a special permanent trust fund in the state treasury and is referred to in this Article as the "LIFT Fund".

(2) Investment. The treasurer shall invest the money in the LIFT Fund with the same authority and subject to the same limitations as for the Louisiana Education Quality Trust Fund. The treasurer may contract, subject to the approval of the State Bond Commission, for the management of such investments and, if a contract is entered into, an amount necessary to pay the costs of the contract shall be appropriated out of the investment earnings.

(3) Investment earnings from investment of money in the LIFT Fund shall be appropriated as provided in Paragraphs (B) and (C) of this Article.

(F) Revenue Bond Authority. Upon two-thirds vote of both houses of the legislature and the approval of the State Bond Commission, or its successor, the treasurer may issue and sell bonds, notes, or other obligations, hereinafter referred to as "bonds" secured by a pledge of not more than fifty percent of the monies received by the state as a result of the settlement agreement. Such bonds may be issued only up to the amounts authorized by the legislature. At no time may the cumulative principle balance of bonds exceed fifty percent of the LIFT Fund balance, including an amount equal to fifty percent of the amount of settlement agreement money due in the next succeeding fiscal year. The treasurer may pay from the fifty percent of the revenues attributable to the settlement agreement any principal, interest, or premium, if any, and other obligations incident to the issuance, security, prepayment, defeasance, and payment in respect thereof without the need for legislative appropriation. "SUBPART F. OPTIONAL RETIREMENT PLAN§502. Creation of optional retirement plan

There is created an optional retirement plan for the unclassified state employees who are eligible pursuant to R.S. 11:504 to become members of the Louisiana State Employees' Retirement System. Those eligible employees who select this optional benefit shall not be considered eligible for any benefits provided by the defined benefit plan, and cannot maintain any service credit in the defined benefit plan once this option is elected.

§503. Selection of providers

The Board of Trustees of the Louisiana State Employees' Retirement System shall select no more than three providers with which participants will be authorized to place their contributions in products that shall be selected by the Board of Trustees. In selecting the providers, the board of trustees shall consider, among other things, the following:

A. The tax status of the product.

B. The portability of the products offered by the providers.

C. The types of products offered by the providers.

D. The relation of the costs and benefits as relates to the amount of the contributions to be made pursuant to the provisions of this Part.

E. The ability of the designated provider or providers to provide the rights and benefits under the products.

§504. Eligibility; irrevocable election

A.(1) The following unclassified state employees shall be eligible to make an irrevocable election to participate in this optional retirement plan:

(a) The chief executive officer of the State Group Benefits Program.

(b)(i) Any unclassified state employee who is appointed by a statewide elected official and whose appointment is subject to confirmation by the Louisiana Senate.

(ii) Any unclassified state employee who is a member of the staff of any such employee described in Item (i) of this Subparagraph.

(2) Such election shall be made in writing and filed with the Louisiana State Employees' Retirement System within sixty days from such appointment. Elections will be effective as of the date of appointment. If an eligible employee fails to make the election timely, he shall become a member of the retirement system's defined benefit plan as of the date of appointment.

B.(1) Any participating member of the defined benefit plan, who would otherwise be eligible to participate in this optional retirement plan under the provisions of Subsection A of this Section, may irrevocably elect to participate in this optional retirement plan under the provisions of this Subpart, but any such election shall be filed in writing with the Louisiana State Employees' Retirement System prior to September 1, 2000, or the member shall remain in the defined benefit plan.

(2) If, pursuant to this Paragraph, an election is made to participate in the optional retirement plan by a current member of the defined benefit plan, then the employee and employer contributions that were made on behalf of such member in the defined benefit plan shall be transferred to the participant's optional retirement plan.

(3) Any otherwise eligible employee who has service credit in the defined benefit plan shall be ineligible to participate in the optional retirement plan, unless such employee transfers all such credit from the defined benefit plan to this optional retirement plan in accordance with this Subsection.

§505. Contributions

A. Each participant of this optional retirement plan shall contribute monthly the same amount that would have been contributed to the defined benefit plan, as if the participant were a member of that plan. Participant's contributions may be made by employer pick-up in accordance with the provisions of Section 414(h)(2) of the United States Internal Revenue Code or any amendment thereto. The entirety of each participant's contribution, less any monthly fee established by the Board of Trustees for the Louisiana State Employees' Retirement System to cover the cost of administration and maintenance of the optional retirement plan, shall be remitted to the applicable designated provider or providers for application to the participant's account or accounts.

B.(1) Each employer agency, institution or board shall contribute to the Louisiana State Employees' Retirement System on behalf of each participant in this optional retirement plan the same amount that would have been contributed to the defined benefit plan.

(2)(a) Upon receipt of this contribution, the Louisiana State Employees' Retirement System shall promptly pay over to the appropriate designated provider or providers an amount equal to the employer's portion of the normal cost contribution as set forth in the actuarial valuation of the retirement system which is approved annually by the Public Retirement Systems' Actuarial Committee. That amount shall be credited to the participant's account or accounts, subject to any other applicable provisions of this Section.

(b) Notwithstanding the provisions of Subparagraph (a) of this Paragraph, the Louisiana State Employees' Retirement System shall retain and apply to the unfunded accrued liability the amount if any, of the employer contributions paid on behalf of any optional retirement plan participant which exceeds the employer's portion of the normal cost contribution.

(3)(a) In addition to the amount retained pursuant to Paragraph (2) of this Subsection, an additional contribution shall be retained, subject to the following procedures. The annual actuarial valuation presented to the Public Retirement System's Actuarial Committee pursuant to R.S. 11:127(C) shall identify any adverse actuarial impact occurring on and after July 1, 2000, as the result of participation of the employees set forth in this Section. Then, the system actuary shall identify and recommend the additional amount of the employer's portion of the normal cost contributions made on behalf of optional retirement plan participants that is necessary to be retained to offset such adverse actuarial impact, if any.

(b) Any additional amount of the employer's portion of the normal cost contributions recommended to be retained pursuant to Subparagraph (a) of this Paragraph, shall be retained from such employer contributions that are made in the then current plan year. That amount shall be increased or decreased annually thereafter according to the same procedures in the amount needed to offset such adverse actuarial impact to the system, if any.

(4) The process of retaining contributions, as identified in Paragraphs (B) (2) and (3) of this Subsection shall continue until the unfunded accrued liability of the retirement system is fully amortized.

C. Notwithstanding the provisions of Subsections A and B of this Section, the Louisiana State Employees' Retirement System shall not remit any fund or contributions to any provider or providers from an employer agency, institution or board until the correct and total amount to be remitted to the Louisiana State Employees' Retirement

System under Subsections A and B of this Section is received each month from the employer agency, institution or board.

§506. Limitations; unclassified employees

Any eligible person who elects to participate in this optional retirement plan shall always be ineligible for membership in the defined benefit plan, even if he is employed in a position covered by the defined benefit plan and shall only be entitled to those benefits set out in this subpart consisting of sections 502 through 508. If any such optional retirement plan participant assumes a new position covered by the retirement plan then he shall continue to participate in the optional retirement plan, notwithstanding the provisions of R.S. 11:417. If any such optional retirement plan participant assumes a new position in state service not covered by the defined benefit plan he must at that time begin membership in the retirement system which provides benefits for that position in state service.

§507. Benefits not obligation of the state; unclassified employees

A. Any person covered by R.S. 11:502 through 508 who elects to participate in this optional retirement plan shall agree that the benefits payable to participants are not the obligations of the state of Louisiana or the Louisiana State Employees' Retirement System and that such benefits and other rights of the optional retirement plan are the sole liability and responsibility of the designated provider or providers to which contributions have been made. Furthermore, all such participants shall in accordance with this agreement expressly waive his or her rights set forth in Article X, Section 29(A) and (B) of the Louisiana Constitution.

B.(1) Benefits shall be payable to such optional retirement plan participants or their beneficiaries by the designated provider or providers and not by the Louisiana State Employees' Retirement System, in accordance with the contract types provided by the providers selected and the contracts approved for use in the optional retirement plan by the board of trustees of the Louisiana State Employees' Retirement System.

(2) Additionally, the board of trustees may approve direct transfers by and between providers.

(3) Participants in the optional retirement plan shall not be entitled to any benefits that members in the defined benefit plan are entitled; to include but not limited to, disability benefits, survivor benefits, participation in the Deferred Retirement Option Plan, and any cost of living adjustments granted to retirees of the defined benefit plan.

(4) Participants in the optional retirement plan shall specifically acknowledge and do hereby waive any of the benefits that accrue to members in the defined benefit plan.

C. Any such optional retirement plan participant receiving retirement benefits under Subsection B of this Section shall be eligible to participate in the State Employees' Group Benefits Program in accordance with its laws and regulations.

D. By participating in the optional retirement plan the participant and the provider shall be responsible for complying with all applicable provisions of the Internal Revenue Code, and if any violation of this Code does occur as a result of the participant's participation in the optional retirement plan, it will be the responsibility and liability of the participant and the provider and not the Louisiana State Employees' Retirement System.

E. There shall be no liability on the part of and no cause of action of any nature shall arise against the Louisiana State Employees' Retirement System, or its agents or employees, for any action taken in the performance of the duties under this Subsection

§508. Implementation
