AMENDMENT NO. 1

On page 5, between lines 4 and 5, insert:

"§955.1. Age modifier; actuarial soundness

A. The provisions of this Subpart were made the subject of intensive study by the office of the legislative actuary, who published an actuarial note in compliance with R.S. 24:521. The actuarial note stated that the "possibility of anti-selection exists since the employee will choose the plan that appears most financially advantageous. Generally, younger members, below age thirty and less than ten years of service, would tend to opt for the Optional Retirement Plan savings plan. The plan loses the actuarial cost savings from younger members, who would not enter, and incurs the heavier actuarial expense of older members, who would tend to join the retirement plan."

B. Therefore, based on the actuary's concern for anti-selection, and the possible resulting adverse actuarial impact to the Teachers' Retirement System, only persons who are over age thirty shall be eligible for participation in this Optional Retirement Plan, provided any such person is otherwise eligible under all other provisions of this Subpart."

§1200.3. Exclusive use of expirations

A. Except as otherwise provided herein, for purposes of soliciting, selling, or negotiating the renewal or sale of insurance coverage, insurance products, or insurance services, an insurance agent or insurance broker shall have the exclusive use of expirations, records, or other written or electronic information directly related to an insurance application submitted by or an insurance policy written through an insurance agent or insurance broker. No group self-insurance fund shall use expirations, records, or other written or electronic information to solicit, sell, or negotiate the renewal or sale of insurance coverage, insurance products, or insurance services to the insured, either directly or by providing such information to others without the express written consent of the insurance agent or insurance broker. However, such expirations, records, or other written or electronic information may be used to review an application, issue a policy, or for any other purpose necessary for placing such business through the insurance agent or insurance broker. Such expirations, records, or other written or electronic information may also be used for any other purpose which does not involve the soliciting, selling, or negotiating the renewal or sale of insurance coverage, insurance products, or insurance services.

B. This Section shall not apply:

(1) When the insured requests, individually or through another agent, that the insurance company renew the policy or write other insurance business.

(2) When the insurance agent has, by contract, agreed to act exclusively for one company or group of affiliated insurance companies, in which case the rights of the agent shall be determined by the terms of the agent's contract with that company or affiliated group.

(3) When the insurance agent or insurance broker is in default for nonpayment of premiums under the insurance agent's or insurance broker's contract or other agreement with the insurer, unless there is a legitimate dispute as to monies owed.

(4) When the agency contract is terminated and the insurance company is required by law to continue coverage for the insured; however, in that event, the insurance company shall continue to pay the insurance agent or the insurance broker commissions on such policies that the company is required to renew during the thirty-six month period following the effective date of the termination or three years, whichever is sooner. The commission shall be at the insurer's prevailing commission rates in effect on the date of renewal for that class or line of business in effect on the date of renewal for brokers or agents whose contracts are not terminated.

(5) To policies providing life and health insurance.

(C) The insurance agent or insurance broker and insurer may in a written agreement, separate from the agency contract, mutually agree to terms different from the provisions set forth in this Section. The terms of any such agreement shall be negotiated in good faith between the parties.

(D) The commissioner of insurance may adopt rules, in accordance with the Administrative Procedure Act, to enforce the provisions of this Section, and any violation of this Section or the rules adopted thereunder shall be subject to regulation by the commissioner of insurance under R.S. 23:1197. In addition the insurance agent or insurance broker shall have a right to a claim for lost commissions. Any party may request mediation to resolve such claim. If the parties do not request, agree to, or resolve the claim through mediation, the dispute shall be resolved during binding arbitration. The commissioner of insurance shall adopt rules establishing procedures for binding arbitration in accordance with the American Arbitration Association procedures."
