"§65. Licenses to conduct gaming activities upon riverboats; limitations

* * *

B. Gaming shall be conducted aboard riverboats, subject to the following requirements:

(1)(a) ~~In any parish, except Riverboats licensed pursuant to the provisions of this Chapter, except those located in a parish which borders the Red River beginning five miles south of the Kansas City Southern Company/Louisiana Arkansas Crossing Railroad Bridge in Rapides Parish and ending five miles north of the Mid-South Company Railroad Bridge in Caddo Parish, no gaming may be~~

~~conducted while a riverboat is docked, unless the vessel is docked for less than forty-five minutes between excursions. However, should the master of the riverboat reasonably determine and certify in writing that the weather conditions or the water conditions are such that those conditions, which the master shall specify, present a danger to the riverboat, its passengers, and crew, then the riverboat may remain docked and gaming may take place until such time as the master determines that those conditions have sufficiently diminished to proceed or until the duration of the authorized excursion has expired. shall be required to conduct the mandatory number of excursions or cruises as provided in Subsection C of this Section.~~

* * *

C.(1) Riverboats licensed pursuant to the provisions of this Chapter, except those located in a parish which borders the Red River beginning five miles south of the Kansas City Southern Company/Louisiana Arkansas Crossing Railroad Bridge in Rapides Parish and ending five miles north of the Mid-South Company Railroad Bridge in Caddo Parish, shall complete two hundred fifty cruises or excursions during each calendar year. At all other times the riverboat may remain docked and gaming may be conducted while the riverboat is docked.

(2) The United States Coast Guard certified marine captain of each vessel shall be the absolute authority to determine when a vessel shall cruise in order to meet the mandatory cruise requirements or remain docked.

(3) If the riverboat gaming licensee fails to meet the mandatory cruise requirement, the Louisiana Gaming Control Board may fine the licensee up to fifty thousand dollars for each cruise or excursion less than the mandatory number of cruises or excursions required by this Subsection. The failure to meet the mandatory cruise requirements as provided by this Section shall not constitute grounds for the revocation, suspension, limitation, or nonrenewal of any license or permit held by the licensee.

(4) When a new licensee is licensed pursuant to the provisions of this Chapter, the Louisiana Gaming Control Board shall determine the number of mandatory cruises or excursions the licensee is required to make for the remainder of the year. This number shall not exceed two hundred fifty cruises or excursions.

(5) The provisions of this Subsection shall not be construed to abrogate, modify, or otherwise impair any contractual agreement between licensees and any local governing authority or person relative to the collection or distribution of fees based on a patron or passenger count. The manner and frequency of counting passengers or patrons or any other method used to determine the amount of payments derived from counting passengers or patrons shall be determined by the terms and provisions of the contractual agreement or as provided in R.S. 27:93(A). The provisions of this Subsection shall not be construed to authorize dockside gaming.

D. The provisions of Subsection C of this Section shall apply to a riverboat operated under the authority of a license which was issued prior to January 1, 1997, or any renewal thereof, and which is located on Lake Pontchartrain in the parish in which the official gaming establishment is located, as defined in R.S. 27:203 and 205(26) only if the following conditions are met:

(1) The area on the riverboat in which gaming activities are conducted does not exceed thirty thousand square feet in the aggregate.

(2) The owner or operator does not participate directly or indirectly in the ownership, construction, operation, or subsidizing of any hotel which exceeds three hundred ninety-nine guest rooms and which is located within one mile of the berthing area of a licensed riverboat.

(3) The licensed riverboat does not operate or allow to be operated for public use on the riverboat, or at its terminal, berthing area, or any hotel as defined in Paragraph (2) of this Subsection, more than eight thousand square feet of restaurant facilities in the aggregate. The eight thousand square feet of restaurant facilities in the aggregate shall be exclusive of food preparation and handling areas.

E. In the event such licensed riverboat fails to comply with the provisions of Subsection D of this Section, no gaming may be conducted on that licensed riverboat while the riverboat is docked unless the vessel is docked for less than forty-five minutes between excursions and such riverboat cruises in accordance with R.S. 27:65(B)(1) as in effect January 1, 1997. However, should the master of the riverboat reasonably determine and certify in writing that the weather conditions or the water conditions are such that those conditions, which the master shall specify, present a danger to the riverboat, its passengers, and crew, then the riverboat may remain docked and gaming may take place until such time as the master determines that those conditions have sufficiently diminished to proceed or until the duration of the authorized excursion has expired.

F. If any riverboat license is granted on or after January 1, 1997, for a riverboat to conduct gaming in the parish of the official gaming establishment, no gaming may be conducted on such riverboat while such riverboat is docked unless the vessel is docked for less than forty-five minutes between excursions. However, should the master of the riverboat reasonably determine and certify in writing that the weather conditions or the water conditions are such that those conditions, which the master shall specify, present a danger to the riverboat, its passengers, and crew, then the riverboat may remain docked and gaming may take place until such time as the master determines that those conditions have sufficiently diminished to proceed or until the duration of the authorized excursion has expired.

G. Notwithstanding Subsections D and E of this Section, if the official gaming establishment is not subject to an enforceable casino operating contract as defined in R.S. 27:205(6) which contains exclusivity provisions in accordance with the requirements of R.S. 27:241(G) and (H)(1), any riverboat licensed in the parish of the official gaming establishment may conduct gaming activities in compliance with the provisions of Subsection C without adhering to the restrictions in Paragraphs (D)(1), (2), and (3) set forth above.

On page 12, delete lines 24 through 26, and on page 13, delete lines 1 through 26, and on page 14, delete lines 1 through 11 in their entirety and insert the following:

"A.(1) For the purpose of funding, a type 1, type 3, and type 4 charter school shall be considered an approved public school of the local school board entering into the charter agreement and shall receive funding a per pupil amount each year from the local school board in whose jurisdiction it is located in an amount for each pupil based on average daily membership in the charter school that is equal to the average current operating expenditure per pupil received by the local school board pursuant to the most recent legislatively approved minimum foundation program formula, including appropriate weighted factors, and from other revenue sources expended by the local school board on schools of the same grade within its system:

(2)(a) A type 2 charter school shall be provided for and funded at a level which represents an amount equaling the combined state and local target amount which is funded for the district in which the charter school is located. For the purposes of this Paragraph "target amount" means what it means in use in the minimum foundation formula:

(b) In the first year of operation, the amount required by Subparagraph (a) of this Paragraph shall be estimated based on the number of pupils authorized by the charter to be enrolled. The allocation subsequently shall be reconciled with the actual amount due based on the actual October first membership of the initial year of operation:

(c) The funds appropriated for the schools provided for in this Paragraph shall be allocated to the governing authority of each school as provided in the charter to use for the operation of such schools:

based on the October first membership count of the charter school. Type 2 charter schools shall receive a per pupil amount each year from the state Department of Education using state funds specifically provided for this purpose. The per pupil amount provided to all charter schools shall be computed annually and shall be equal to no less than the per pupil amount received by the school district in which the charter school is located from the following sources based on the district's October first membership count:

(a) The state-funded per pupil allocation received by the district pursuant to the most recent legislatively approved minimum foundation program formula resolution, including all levels.

(b) Local revenues received during the prior year by the school district from the following sources, excluding any portion which has been specifically dedicated by the legislature or by voter approval to capital outlay or debt service:

(i) Sales and use taxes, less any tax collection fee paid by the school district.

(ii) Ad valorem taxes, less any tax collection fee paid by the school district.

(iii) Earnings from sixteenth section lands owned by the school district.

(2) Initial allocations of the per pupil amount required in Paragraph (1) of this Subsection shall be based on estimates provided

by the state Department of Education using the most recent local revenue data and projected pupil counts available. Allocations shall be adjusted during the year to reflect actual pupil counts and actual prior year local revenue collections.

(3) In no case shall the per pupil amount required in Paragraph (1) of this Subsection be less than the combined state and local per pupil allocation for the district in which the charter school is located as defined by the most recent legislatively approved minimum foundation program formula resolution, including all levels.

(4) Charter schools may agree to a lesser per pupil amount than that required in Paragraph (1) or (3) of this Subsection in exchange for specific services that the chartering authority agrees to provide to the school.

(5) Within fifteen days after the receipt of any state, local, or other funding to which the charter school is entitled or which came as a result of students enrolled in the charter school, the chartering authority shall ensure that those funds are available for use by such charter schools."
