(3) A relative may continue to be eligible for foster care reimbursement for caring for a child in the care, custody, or guardianship of the office of community services beyond three years where:

(a) The child cannot safely return home.

(b) Adoption has been determined not to be an appropriate or legally viable permanent plan for the child in accordance with the best interest of the child.

(c) Other higher priority permanency options for the child, including placement with a legal guardian or in the legal custody of a relative willing and able to offer a safe, wholesome, and stable home for the child, have also been determined not to be appropriate and in the best interest of the child.

(d) The department has documented a compelling reason for the child to remain in foster care on a long-term basis, the relative has committed to a permanent, lifetime relationship with the child and parenting the child through minority, and the juvenile court has determined in accordance with Louisiana Children's Code Article 702 that long-term foster care is the most appropriate permanent plan for the child.

* * * *

G. The office of community services and the kinship foster parent shall develop a case plan for the foster care of the child, which shall be periodically reviewed and updated. If the plan includes the use of an approved day care center or family day care home, the office of community services shall pay for child care arrangements, according to the rates established by the department, but only if funds are made available by appropriation by the legislature. The kinship foster parent shall cooperate with any activities specified in the case plan for the foster child, such as counseling, therapy, court sessions, or visits with the foster child's parents or other family members. The kinship foster parent shall also cooperate and assist in efforts to achieve a safe, permanent home for the child.
On motion of Rep. Strain, the amendments were adopted.

Rep. Strain moved the final passage of the bill, as amended.
