AMENDMENT NO. 4

On page 1, between lines 8 and 9 insert:

"§707. Employment of retirees

A. Any person on retirement under the Teachers' Retirement System of Louisiana may be employed or reemployed in employment covered by the provisions of this Chapter or employment by or within the Department of Education as defined in Title 36 of the Louisiana Revised Statutes of 1950, during the periods of July first through June thirtieth of any year, provided that his earnings in such employment do not exceed fifty percent of his average final compensation for such period. When such a retiree returns to any employment by an employer covered by this system, in employment covered by the provisions of this Chapter or employment by or within the Department of Education as defined in Title 36 of the Louisiana Revised Statutes of 1950, the employing agency shall report to the retirement system within forty-five days after June thirtieth the name of the retiree, his social security number, and the amount of his earnings during the previous twelve-month period. For the purposes of this Section, there shall be an annual cost-of-living adjustment to the average final compensation figure used in these computations. This cost-of-living adjustment shall be based upon and directly reflect the annual percentage increase or decrease in the Consumer Price Index for the preceding year.

B. Any person who retires and receives a benefit from the Teachers' Retirement System of Louisiana may be employed or reemployed in any employment position which is not covered by the definition of "teacher" in R.S. 11:701(23) for purposes of membership in the Teachers' Retirement System of Louisiana and is not employed by or within the Department of Education as defined in Title 36 of the Louisiana Revised Statutes of 1950, and he shall continue to receive his full retirement benefit without reduction for as long as he is employed in such employment.

C. Should any retiree, who is employed or reemployed in employment covered by the provisions of this Chapter or by or within the Department of Education as defined in Title 36 of the Louisiana Revised Statutes of 1950, earn more than fifty percent of his average final compensation as adjusted under Subsection A during the twelve-month period, his retirement benefits in the following twelve months immediately after the retirement system receives the employer's report shall be reduced during the following twelve-month period so that the total reduction equals one-half of the amount

earned in excess of fifty percent of his average final compensation for the twelve-month period covered by the report.

D. Should any employer covered by the retirement system employ a retiree in employment covered by the provisions of this Chapter or employment by or within the Department of Education as defined in Title 36 of the Louisiana Revised Statutes of 1950, and fail to submit the report required by Subsection A, the retiree shall be considered as returning to active service and shall be governed by the provisions of R.S. 11:737.

E. The provisions of this Section shall apply to all employment covered by the provisions of this Chapter even when such employment is by contract or corporate contract.

A.(1) Any member of this system who retires and, then, within twelve months of such retirement, returns to active service covered by the provisions of this Chapter, even when such employment is by contract or corporate contract, his retirement benefits shall be suspended for the duration of such active service or the lapse of twelve months reckoning from the effective date of his retirement, whichever occurs first.

(2) Upon termination of such active service or upon the lapse of twelve months since retirement, whichever occurs first, payment of the retiree's benefits shall resume in the same amount as was payable at the time of return to active service, without recomputation but with the inclusion of any cost-of-living or any increase which may have been granted to retirees of the system during the time the benefits were suspended, but these increases shall not be retroactive.

B. During the period of his return to active service, the retiree and his employer shall make contributions to the retirement system as provided by this Chapter, but the retiree shall receive no additional service credit or accrue any additional retirement benefits in the retirement system. Upon termination of such active service, the member shall, upon application, be refunded the employee contributions paid since reemployment. The refund shall be without interest. The retirement system shall retain the employer contributions.

C. Within ten days after such a retiree returns to active service, the employing agency shall notify the board of trustees in writing of such employment and the date on which it commenced. Upon termination of the employment, the employing agency shall notify the board of trustees thereof. If failure to give notice of return to active service results in any payment being made in violation of this Section, the employing agency shall be liable to the system for the repayment of such amounts.

D. Should any employer covered by the system refuse to transmit any repayment within thirty days after written notice that such repayment is due the system, the repayment shall be delinquent. Upon a certification to the state treasurer by the board of trustees of the Teachers' Retirement System that a repayment is delinquent, the state treasurer shall deduct the amount thereof from any monies then available for distribution to or for the benefit of that employer and shall transmit said amount directly to the board of

trustees. Upon making such deduction, the state treasurer shall immediately notify the employer that the deduction has been made and that the funds available for distribution to it are reduced accordingly. In like manner, the board of trustees of the system, upon receipt of said funds, shall credit such funds to the proper account affected thereby and shall notify the employer thereof.

E. In the event of the member's death during the period of his return to active service, payment of benefits to his beneficiary shall be in accordance with the retirement plan or option selected by the member at the time of his original retirement and, with the exception of R.S. 11:762(I), the provisions of R.S. 11:762 shall not be applicable. In the event the member becomes disabled during the period of his return to active service, the provisions of R.S. 11:201 through 224 and R.S. 11:778 and 779 shall not be applicable.

* * *

AMENDMENT NO. 5

On page 2, after line 7, insert:

"* * *

§783. Selection of option for method of payment after death of member

A.

* * *

Option 5. If a member has not participated in the Deferred Retirement Option Plan provided by the provisions of this Chapter and if the maximum benefit, Option 2, 2A, 3, 3A, 4, or 4A above is chosen, then a reduced retirement allowance plus an initial benefit shall be paid to the member, provided the initial benefit, together with the reduced retirement allowance, shall be certified by the actuary to be actuarially equivalent to the member's maximum or optional retirement allowance and shall be approved by the board of trustees. The amount of the initial benefit, as determined by the member, shall not exceed an amount equal to the member's maximum monthly retirement allowance times thirty-six and shall, at the option of the member, be paid in accordance with plan provisions under R.S. 11:788, or as a lump-sum payment. If a member chooses Option 5, he shall be governed by the reemployment after termination provisions of ~~R.S. 11:791~~ R.S. 11:707. The amount of the initial benefit shall be placed in an account in accordance with R.S. 11:788 and interest will be paid on any balance in the account in accordance with R.S. 11:788. Cost-of-living adjustments granted by the board of trustees to retirees who select Option 5 shall be computed on the basis of each retiree's regular monthly retirement benefit or on the basis of each beneficiary/survivor's benefit based on the option selected as reduced and shall not be computed on the initial benefit received either as a lump-sum or paid pursuant to R.S. 11:789(A)(1).

* * *

Section 2. R.S. 11:708, 737, and 791 are hereby repealed in their entirety.

Section 3. Any obligation, right, or cause of action giving rise to litigation based on the provisions of R.S. 11:707, 783(A)(Option 5), 708, 737, or 791, as those provisions existed prior to the effective date of this Act, shall be adjudicated by applying the law as it was in effect on the date on which the obligation, right, or cause of action arose.

Section 4. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided in Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval."
