(5)(a)(e)(i) After receipt of the plan together with the written comments and recommendations of the city planning commission, the council shall review and consider the plan together with the written comments and recommendations. The council, by a majority vote of all its members, may adopt or reject the plan as originally submitted by the board or alter or modify the plan or any portion or detail thereof.

(b)(ii) If the plan as originally submitted by the board is adopted by the majority vote of the council, it shall become final and conclusive and may thereafter be implemented. (4)(iv) Thereafter and as often as the board may deem to be necessary or advisable, it shall prepare or cause to be prepared a plan or plans and submit the same to the planning commission in accordance with the same procedure hereinabove prescribed with respect to the original plan. The planning commission shall submit such plan, together with their written comments and recommendations, to the council for its adoption, modification, or rejection in the manner and with the same effect as provided with respect to the original plan.

G.(1)(2)(a) Notwithstanding the provisions of ~~Subsection F Paragraph (1)~~ of this ~~Section Subsection~~, the board may prepare and submit directly to the council a plan or plans setting forth its intention to employ professional consultants, experts, and such other advisors and personnel as it shall deem to be necessary or convenient to assist in the preparation of a plan or plans for the orderly and efficient development of services and improvements within the district.

(b) The plan shall specify the services proposed to be rendered by such employees, an estimate of the aggregate of the proposed salaries of such employees, and an estimate of the other expenses of the board required for the preparation of such plan or plans, together with a request that a tax in an amount sufficient to cover the costs of such salaries and expenses be levied on the real property within the district.

(c) The plan shall include a proposed budget of income and expenditures specifying the source of funding for each of the years the tax is to run.

(2)(3)(a) The council shall review and consider such plan within thirty days following submission to it by the board and shall adopt or reject such plan by a majority vote of its members.

(b) If the council adopts such plan, it shall become final and conclusive, and the tax requested by the board upon approval by special referendum of the electorate of the city of Monroe, as required by ~~Subsection J Paragraph (6)~~ of this ~~Section Subsection~~, shall be levied and collected.

(c) If the council rejects the plan, it shall notify the board of its action, and the board may again and from time to time prepare and submit to the council a plan in accordance with the procedures provided for in this ~~Subsection Paragraph~~.

H. (4) If no plan is finally and conclusively adopted in accordance with the procedures prescribed in this ~~Section Subsection~~ within four years after June 11, 1999, all power and authority conferred hereby shall lapse, the district shall be dissolved, and all power and authority incident thereto shall become null and void as a matter of law; however, in such event, all obligations contractual or otherwise, incurred by the district during its existence, shall survive and shall be fully enforceable in accordance with their terms.

(1)(5)(a) All services to be furnished within the district pursuant to any plan finally and conclusively adopted hereunder shall be furnished, supplied, and administered by the city through its regularly constituted departments, agencies, boards, commissions, and instrumentalities. All capital improvements and facilities to be acquired, constructed, or provided within the district, whether from the proceeds of bonds or otherwise, shall likewise be so acquired, constructed, or provided by the city through its regularly constituted departments, agencies, boards, commissions, and instrumentalities, it being the intention hereof to avoid the duplication of administrative and management efforts and expense in the implementation of any plan adopted for the benefit of the district.

~~(2)(b)~~ In order to provide such services and/or provide, construct, or acquire such capital improvements or facilities, the board may enter into intergovernmental local service contracts with the city.

~~(3)(c)~~ The cost of any such services, capital improvements, or facilities shall be paid for by the district from the proceeds of the special tax levied upon real property within the district as herein provided or from the proceeds of bonds.

~~J-(1)(6)(a)~~ The council, in addition to all other taxes which it is now or hereafter may be authorized to levy and collect, is hereby authorized to levy and collect a special ad valorem tax not to exceed ten mills on the dollar of assessed valuation upon all taxable real property situated within the boundaries of the city of Monroe. The tax shall be levied for a term not to exceed fifty years and shall be collected in the same manner and at the same time as all other ad valorem taxes on property subject to taxation by the city are collected. No such tax shall be levied until a plan requesting the levy of a tax is finally and conclusively adopted in accordance with the procedures prescribed herein.

~~(2)(b)~~ The proceeds of the tax shall be used exclusively for the purposes and benefit of the district.

~~(3)(c)~~ The tax shall be submitted to a referendum of the electorate of the city of Monroe and conducted in accordance with the Louisiana Election Code.

~~(4)(d)~~ The avails of the tax shall be paid over by the sheriff and ex officio tax collector to the city administration department, day-by-day, as the same are collected for the account of the district.

~~(5)(e)~~ It is expressly declared that the special tax hereby authorized is limited to immovable property, and nothing contained in this ~~Section Subsection~~ shall be construed to levy or authorize the levying of a tax upon movable property of any kind or description whatsoever, whether corporeal or incorporeal.

~~K-(1)(7)(a)~~ The council, when requested by resolution adopted by a majority of the members of the board, may fund the avails of the tax into bonds or other instruments of indebtedness for the exclusive benefit of the district. The principal of, the premium if any, and interest on the bonds or other instruments of indebtedness shall be payable solely from the proceeds of the special tax authorized, levied, and collected pursuant to the provisions of this ~~Section Subsection~~. The bonds shall not constitute general obligations of the parish. Any indebtedness incurred by the council for and on behalf of the district pursuant to the provisions of this ~~Section Subsection~~, evidenced by bonds, notes, or other evidences of indebtedness, or otherwise, shall be excluded in determining the power of the council to incur indebtedness and to issue its general obligation bonds. The principal amount of such bonds which may be outstanding at any one time shall never exceed the sum of twenty million dollars and shall not exceed the total principal amount which may be serviced in principal and interest not to exceed seventy-five percent of the avails estimated to be available in the first and each succeeding year that any of the bonds are to be outstanding. The proceeds derived from the sale of such bonds shall be paid over to the appropriate officials of the council for deposit to the account of the district. The bonds shall bear such rate or rates of interest and, except as herein otherwise specifically provided, shall be in such form, terms, and denominations, be redeemable at such times and places, within a period of not exceeding fifty years from the date thereof as may be provided for in the resolution of the council providing for their issuance.

~~(2)(b)~~ The bonds shall be signed by the mayor and the clerk of the council. However, in the discretion of the council one of the signatures may be in facsimile. In case any officer whose signature appears upon a bond or coupon ceases to be an officer before delivery of the bonds or

coupons to the purchaser, his signature or countersignature shall nevertheless be valid for all purposes.

~~(3)(a)(c)~~ The resolution of the council authorizing the issuance and sale of such bonds and fixing the form and details thereof may contain such other provisions as the council may deem to be necessary or advisable to enhance the marketability and acceptability thereof by purchasers and investors, including but not limited to covenants with bondholders setting forth:

(i) Conditions and limitations on the issuance of additional bonds constituting a lien and charge on the avails of the special tax levied on real property within the district, pari passu with bonds theretofore issued and outstanding; and

(ii) The creation of reserves for the payment of the principal of and interest on such bonds.

~~(b)(d)~~ These bonds and the interest thereon shall be exempt from all taxation levied for state, parish, municipal, or other local purposes.

~~(e)(e)~~ Savings banks, tutors of minors, curators of interdicts, trustees, and other fiduciaries are authorized to invest the funds in their hands in said bonds.

~~L-(1)(8)(a)~~ Notwithstanding any other provision of this ~~Section Subsection~~ to the contrary, no tax authorized herein shall be levied and no bonds shall be issued unless and until the maximum amount of the tax in mills, the years the tax is to run and to be issued under the plan, and the maximum amount of bonds to be issued has been approved by a majority of the electors in the district voting thereon in an election called for that purpose in accordance with the Louisiana Election Code.

~~(2)(b)~~ No bonds issued hereunder shall be general obligations of the state of Louisiana, the parish of Ouachita, the city of Monroe, or the district.

~~M-(9)~~ The district shall have the power to acquire, to lease, to insure, and to sell real property within its boundaries in accordance with its plans.

~~N-(10)~~ The district shall have the authority to pay the city of Monroe, the Monroe Chamber of Commerce and/or the Ouachita Economic Development Corporation for services rendered by each respective entity under a local services contract between the district and such entity for services rendered in furtherance of this ~~Section Subsection~~.

G.(1) The legislature hereby finds and declares that it is necessary for the public health, safety, and welfare of the city of Monroe that the property value deterioration in the principal area or areas of the city of Monroe known generally as the Central Business District be halted and that the causes of such deterioration be halted, since the Central Business District is the center of commercial, civic, and cultural activities of the metropolitan area.

(2) It shall be the function and duty of the board to formulate the program to implement the various development plans for downtown Monroe heretofore or hereafter submitted, and it shall revise or amend its decisions from time to time as it sees fit. Such a program shall implement the various plans with the responsibility of aiding and encouraging private development of the area and promoting and coordinating public development. In carrying out such programs, the board may consult with all departments of the city of Monroe and such other public or private agencies as are concerned with matters affecting or affected by the program. The board may conduct studies and based thereon may make such recommendations as it determines are calculated to implement the intent and purposes of this Section.

(3) The programs formulated and recommendations made as provided in Paragraph (2) of this Subsection shall be included in the plan or plans prepared as provided in Subsection F of this Section.
