(2) "Covered employee" means a person having a co-employment relationship with both a PEO and the PEO's client pursuant to an executed PEO service agreement.

(3) "Co-employment relationship" means an employment relationship whereby both the client and the PEO have an employer/employee relationship with the covered employee and the direction and control of the covered employee is shared by or allocated between the client and the PEO pursuant to a PEO service agreement.

(4) "Experience rating" shall have the meaning assigned to it under the Employment Security Law.

(5) "Independent contractor" means a person who, for the purposes of the Employment Security Law, satisfies the exception provided in R.S. 23:1472(10)(E).

(6) "Person" means an individual, association, partnership, corporation, limited liability company, or other entity.

(7) "Professional Employer Organization" or "PEO" means any person that offers professional employer services pursuant to a professional employer services agreement with a client, including but not limited to administrative services organizations and employee leasing organizations that provide services pursuant to a PEO agreement. Such PEO shall be considered an employer for purposes of this Chapter.

(8) "Professional employer services agreement" or "PEO services agreement" means an agreement between a professional employer organization and a client pursuant to which the professional employer organization will upon execution of the agreement co-employ a substantial part of a client's workforce and undertake specified responsibilities as an employer for all covered employees that are co-employed by the agreement between the professional employer organization and the client.

(9) "Staffing service" means any person, other than a professional employer organization, that hires its own employees and assigns them to a client to support or supplement the client's workforce. (10) "Temporary employee" is an employee, whether called temporary employee or leased employee, who is recruited by a staffing service or employee leasing company, is assigned to a client by such service or company, and is expected to return to the staffing service or leasing company for reassignment at the end of duties at the client company.

(11) "UI tax account" means a state unemployment tax account.

§1762. Exemptions and exceptions

A. This Part shall not apply to the following:

(1) Labor organizations as defined by the National Labor Relations Act.

(2) Staffing services.

(3) Temporary employment arrangements.

(4) Independent contractors.

(5) Political subdivisions of the state or the United States and any of their programs or agencies.

B. (1) This Part shall not prohibit a client who is party to a collective bargaining agreement from contracting with a PEO, if the union consents to such agreement.

(2) A PEO arrangement shall have no effect on collective bargaining agreements that are in existence prior to the PEO arrangement.

C. This Part shall not apply to contracts for services where no co-employment relationship exists and neither party represents such services as being PEO services.

D. (1) This Part does not exempt a client of a registered PEO or a covered employee from any other license requirements imposed under local, state, or federal law.
(2) A covered employee who is licensed, registered, or certified under law is considered to be an employee of the client for purposes of that license, registration, or certification.

(3) A registered PEO is not engaged in the unauthorized practice of an occupation, trade, or profession that is licensed, certified, or otherwise regulated by a governmental entity solely by entering into a professional employer services agreement with a client or co-employing an employee of such a client.

§1763. Rights and responsibilities

A. For purposes of this Chapter, as long as the professional employer services agreement between the PEO and the client remains in force, a PEO shall be deemed an employer of the covered employees to the extent and for the purposes enumerated in the professional employer services agreement. However, the PEO shall have the following employer rights and responsibilities with regard to such covered employees in any case:

(1) It shall pay the wages of covered employees from its own accounts.

(2) It shall have the responsibility for the withholding and remittance of payroll-related taxes of the covered employees from its own accounts.

(3) It shall pay federal unemployment taxes as required by federal unemployment laws.

(4) It shall have the right to sponsor and maintain fully insured employee benefit and welfare plans for covered employees. Nothing in this Part shall prevent a client from including covered employees in a client benefit program or plan or shall prevent covered employees from participating in such a program or plan.

B. (1) A PEO shall be liable for state unemployment taxes for wages paid by the PEO to covered employees but only for the duration of the PEO services agreement applicable to such employees. The PEO shall collect federal and state unemployment taxes. The PEO shall remit all collected federal unemployment taxes to the United States Department of Treasury, Internal Revenue Service and shall remit all collected state unemployment taxes to the Department of Labor. A PEO shall be required to provide a client with an invoice detailing the services provided which shall include an itemization of the actual federal and state unemployment taxes owed and paid on behalf of the covered employees, as well as any amount the PEO charges for such service.

(2) A PEO shall keep separate records and submit separate quarterly contribution and wage reports for each of its client entities using the client's account number, and unemployment contribution rate.

(3) The PEO and the client shall be jointly and severally liable for any unpaid contributions, interest, and penalties due for Louisiana unemployment taxes attributable to wages for services performed for the client by covered employees.

(4) A PEO client shall be released from joint and several liability under Paragraph (B)(2) and the client shall be released from the separate reporting and contribution rate requirements imposed under Paragraph (B)(3) upon the posting and continued maintenance by the PEO of a surety bond issued by a corporate surety authorized to do business in the state in the amount of one hundred thousand dollars to ensure prompt payment of contributions, interest, and penalties for which the PEO is or may become liable. After three years the bond shall be adjusted in accordance with rules promulgated by the Department of Labor.

(5) The PEO shall designate and identify each client and covered employees thereof for each calendar quarter with the filing of quarterly wage reports with the Department of Labor.

(6)(a) No transfer of experience rating will be approved between any client and the PEO unless it is determined by the administrator that an acquisition of assets has occurred. Co-employment of a client's employees without an acquisition of the business and its other assets will not of itself constitute an acquisition for purposes of the transfer of experience rating.

(b) However, the experience rating will transfer between one PEO to another when it is determined by the administrator that an acquisition of assets has occurred, even if such acquisition is only of a clearly segregable and identifiable or a substantial portion of the first PEO's labor force.

(7) If a professional employer services agreement is terminated and, within thirty days, the client engages the services of another PEO, both the terminated or terminating PEO and the new PEO will notify the unemployment insurance tax section of the Department of Labor directly within thirty days, and no other action need be taken.

(8) If a professional employer service agreement is terminated and the client resumes sole employment of previously covered employees, any inactive unemployment insurance account previously held by the client will be reopened under its previously existing experience rating. No transfer of experience rating shall be made from the PEO. If there is no previous account number or the account lies dormant for seven years, a new account will be established in accordance with law. If there is no existing experience rating, one will be established pursuant to state law for new businesses.

§1764. Registration

A. Except as provided in R.S. 23:1762(D), no person shall engage in the business of or act as a PEO or provide, or offer to provide, PEO services, unless it is validly registered as is provided for in this Part.

B. No person shall be validly registered if he fails to provide to the administrator all of the information required by this Part, or if he provides false or misleading information.

C. The administrator may bring an action to enjoin or restrain any person who is in violation of the provisions of this Section.

§1765. Application for registration

Every applicant for an initial and a renewal PEO registration shall file with the administrator a completed application on a form prescribed by rules and regulations of the administrator and shall remit an annual registration fee.
