**HOUSE FLOOR AMENDMENTS**

Amendments proposed by Representative Hebert to Engrossed Senate Bill No. 776 by Senator Jones, et al.
(7)(a) At any time that less money is allocated to a State Board of Elementary and Secondary Education election district than is required for full funding of all eligible applications in that election district, applications shall be fully funded as provided in this Section until all available money has been committed for expenditure in the manner provided in Subparagraph (b) of this Paragraph.

(b)(i) The department shall calculate the approximate percentage of the total number of children in each school system in each election district who will be eligible to enter public school kindergarten pursuant to R.S. 17:151.3 in the following year, who will be eligible to receive free or reduced price meals pursuant to the federal child nutrition program, who are not likely to be enrolled in an early childhood education class, based on the level of the enrollment in such classes in the previous school year, and that can be enrolled in ECD classes as provided in this Section with the money available for such purpose.

(ii) An amount of the total money available in each election district shall be set aside to provide ECD classes for the same percentage as that calculated pursuant to Subsubparagraph (i) of this SubParagraph of the total number of children in each school system in each State Board of Elementary and Secondary Education election district who will be eligible to enter public school kindergarten pursuant to R.S. 17:151.3 in the following year, who will be eligible to receive free or reduced price meals pursuant to the federal child nutrition program, and who are not likely to be enrolled in an early childhood education class, based on the level of the enrollment in such classes in the previous school year.

(iii) In the case that any single applicant is located in more than one State Board of Elementary and Secondary Education election district, that applicant shall be assigned to the election district in which it predominates.

(iv) Should any single applicant have a sufficient number of children who will be eligible to enter public school kindergarten pursuant to R.S. 17:151.3 in the following year, who will be eligible to receive free or reduced price meals pursuant to the federal child nutrition program, and who, based on the level of the enrollment in early childhood classes in the previous school year, are not likely to be enrolled in such classes such that providing funding for such children to be enrolled in ECD classes equal to the percentage calculated pursuant to Subsubparagraph (i) of this SubParagraph would consume more than the amount of funding set aside for that election district, then the applicant shall divide into the maximum number of groups provided for in the manner provided by Subsection F of this Section. Each such group shall be considered a different applicant from the same election district.

(b) In the case that money set aside for use in any election district remains unallocated after the qualification of applicants, the State Department of Education shall redistribute such money among remaining school systems in such district which have outstanding but unfilled applications on a basis which shall be provided by rule which assures complete and adequate funding of each funded applicant.

Rep. Hebert moved the adoption of the amendments.

By a vote of 30 yeas and 72 nays, the amendments were rejected.

Rep. Salter moved the final passage of the bill, as amended.

Point of Order

Rep. Richmond asked for a ruling from the Chair as to whether House Bill No. 1654 levies a new tax or increases an existing tax and therefore would require the favorable vote of two-thirds of the elected members to finally pass the House.
Ruling of the Chair

The Chair ruled that the bill did not levy a new tax or raise an existing tax and that the levy of a new fee or increase in an existing fee by a department headed by a statewide elected official would require the favorable vote of a majority of the elected members to finally pass the House.

Rep. Pinac moved the final passage of the bill, as amended.
