(2)(a) The word "hotel" as used herein shall mean and include any establishment, both public and private, engaged in the business of furnishing or providing rooms and overnight camping facilities intended or designed for dwelling, lodging, or sleeping purposes to transient guests where such establishment consists of two or more guest rooms and does not encompass any hospital, convalescent, or nursing home or sanitarium, or any hotel-like facility operated by or in connection with a hospital or medical clinic providing rooms exclusively for patients and their families.

(c) The hotel shall not advertise room rates to the general public at below market rates.

(3) The tax so authorized shall be imposed by ordinance adopted by the district, acting by and through its board of commissioners, without the need of an election.
