(1) In any case in which a taxpayer has paid a disputed amount of sales or use taxes imposed or levied by the state or any taxing other authority in the state under protest pursuant to R.S. 47:1576, or any similar provision of any law or ordinance enacted by such taxing authority, and filed a suit for recovery of the disputed amount (hereinafter referred to as a "refund action"), the taxpayer shall be entitled to a refund of an amount equal to fifty percent (50%) of the aggregate of (a) the amount paid under protest by the taxpayer in such action and (b) the amount of interest actually earned or accrued on the disputed amount that was paid under protest by the taxpayer. The remainder of the amount paid under protest by the taxpayer in such action and any remaining interest actually earned or accrued on the disputed amount that was paid under protest by the taxpayer shall be paid to the taxing authority or taxing authorities as otherwise provided by law or ordinance.

(2) For taxable periods that began on or after January 1, 2001, and ended on or before December 31, 2001, and subject to the right of a taxpayer to take advantage of the amnesty provisions set forth in Section 4 of this Act, any assessment and distraint action, as provided in R.S. 47:1562 through 47:1573, or any similar provision of any law or ordinance enacted by any taxing authority in this state, any summary court proceeding, as provided in R.S. 47:1574, or any similar provision of any law or ordinance enacted by any taxing authority in this state, or any ordinary suit under the provisions of the general laws regulating actions for the collection of sales or use taxes, if any, found due by the taxpayer, shall be made or filed by the state or other taxing authority, as the case may be, on or before June 30, 2003, and any such collection action shall be made or filed only after an examination of the books and records of the taxpayer to determine the amount, if any, of sales or use taxes claimed to be due by the taxpayer; provided that the time for making or filing any such collection action shall be extended (a) by means of a written agreement between the taxpayer and the state or other taxing authority, as the case may be, made prior to June 30, 2003. A collection action shall not be considered as timely made or filed, for purposes of this Section, if such collection action constitutes (i) an assessment or other collection action that is arbitrary or that is based on an estimate by the taxing authority of the amount, if any, of sales or use taxes claimed to be due by the taxpayer, or (ii) an assessment

or other collection action that is made or filed pursuant to or in reliance upon R.S. 47:1566, or any similar provision of any law or ordinance enacted by a taxing authority in the state."

AMENDMENT NO. 16

On page 5, between lines 16 and 17, insert the following:

"Section 4.A. There is hereby enacted the "Limited Louisiana Sales and Use Tax Amnesty Act of 2002".

B. Definitions. As used in this Section, the following terms have the meaning ascribed to them in this Section, except when the context clearly indicates a different meaning:

(1) "Amnesty program" means the Limited Louisiana Local Sales and Use Tax Amnesty Act of 2002."

(2) "Cellular equipment sales and use tax" means sales or use tax imposed or levied by the state or any political subdivision or other taxing authority in the state on or with respect to the sale or other disposition by a dealer of any cellular, PCS, or wireless telephone, or any electronic accessories that are physically connected with such telephones and personal communication devices used in connection with the sale or use of mobile telecommunications services, as defined in R.S. 47:301(10)(v).

(3) "Taxable period" means any taxable period that began on or after January 1, 2001, and ended on or before December 31, 2001, and for which a sales and use tax return is required by law to be filed with the state or any taxing authority.

(4) "Taxing authority" means the state and any state, parish, municipality, political subdivision, or other taxing jurisdiction or authority within the state of Louisiana.

(5) "Taxpayer" means any individual or entity subject to the cellular equipment tax by any law of the state of Louisiana, payable either to the state of Louisiana or one or more taxing authorities and collected by one or more taxing authorities.

C. The taxing authorities in the state shall establish an amnesty program for any cellular equipment sales and use tax that might be due by a taxpayer for a taxable period. Amnesty applications shall be prepared by the taxing authorities on or before August 1, 2002, and shall provide for specification by the taxpayer of the taxable period or taxable periods for which amnesty is being sought by the taxpayer.

D.(1) The amnesty program shall provide that upon written application by a taxpayer and upon compliance with the terms and provisions of the amnesty program for any taxable period for which amnesty has been granted, the taxing authority shall seek to collect only fifty percent (50%) of the amount of any cellular equipment sales and use tax and related interest as provided by law due as reflected on the amnesty application filed by the taxpayer, and no penalties of any kind or nature whatsoever shall be collected by the taxing authority. In addition, the taxing authority shall not seek civil or criminal prosecution for any taxpayer for the taxable period for which amnesty has been granted.

(2) Amnesty shall be granted only to those taxpayers applying for amnesty prior to December 31, 2002, who or which have filed the amnesty application, filed a tax return for each taxable period for which amnesty is requested, complied with the terms and provisions of this Act, and have paid the entire amount due as provided in this Section.

(3) Amnesty applications must include a written waiver of all rights, restrictions, and delays for assessing, collecting, or protesting taxes and interest due as set forth in R.S. 47:1562 through 1565 and

1576, or any similar provision of any law or ordinance enacted by a taxing authority, and the filing of such applications shall make the tax, interest, and penalty immediately due and payable and subject to the distraint procedure provided for in Title 47 of the Louisiana Revised Statutes, or any similar provision of any law or ordinance enacted by a taxing authority. However, no penalty due with respect to any cellular equipment sales and use taxes shall be collected by the taxing authority if the taxpayer complies with the provisions of the amnesty program.

(4) Amnesty shall be granted for only the taxable periods specified in the application and only if all conditions of the amnesty program are satisfied by the taxpayer.

E. Amnesty shall not be granted to any taxpayer who or which is a party to any criminal investigation or to any civil or criminal litigation that is pending in any court of the United States or the state of Louisiana for fraud in relation to any tax imposed by a law of the state of Louisiana or ordinance properly enacted by a taxing authority.

F. Amnesty shall be allowed even for a taxable period involved in an ongoing or unresolved review or examination of the taxpayer's return or books and records with respect to any cellular equipment sales and use tax.

G. Amnesty shall be granted for any taxpayer who or which has been previously notified by any taxing authority in writing of a failure to file a timely return or of an existing tax liability for any taxable period regardless of the amount of the liability. Amnesty shall be granted even if there exists a lien against the taxpayer's property, both movable and immovable, pursuant to R.S. 47:1577, or any similar provision of any law or ordinance enacted by a taxing authority. Amnesty shall also be granted even if the taxing authority has initiated proceedings under the assessment and distraint procedure pursuant to R.S. 47:1569 through 1573, or any similar provision of any law or ordinance enacted by a taxing authority, or if any taxing authority has entered into an installment agreement with the taxpayer. However, the taxpayer is obligated to pay any fees associated with these proceedings. Taxing authorities shall not collect any penalty of any kind or nature whatsoever that is or may be due to the taxing authority for any taxable period that meets the requirements of the amnesty program.

H. Amnesty shall be granted for any taxpayer who or which has not been previously notified by the taxing authority in writing of a failure to file a timely return or of an existing tax liability for any taxable period regardless of the amount of the liability.

I. Taxing authorities shall implement the provisions of this Section and shall adopt such rules and regulations as are necessary to implement the provisions of this Section no later than August 1, 2002. Any such rules and regulations shall be uniform in all respects and shall apply uniformly to all cellular equipment sales and use taxes imposed or levied by the taxing authorities."

Provided, further, that the funds appropriated herein shall be allocated to local school systems and the state agencies listed herein and the eligible nonpublic entities to implement the proposed salary supplements.

Provided, however, that the one-time salary supplements shall in no way affect existing salary schedules, or benefit formulae for any

noncertificated school support personnel. The one-time salary supplements shall be considered a one-time payment effective for Fiscal Year 2002-2003 only. Any salary supplement payments made in subsequent fiscal periods shall require additional appropriations. No contributions to retirement systems shall be made concomitant with these salary supplement payments, nor shall there be any effect on the computation of future retirement benefits.
