(c) The board may apply the provisions of Civil Code Article 2323 or 2324, or both, to assert a credit or offset for the allocated percentage of negligence or fault of a qualified health care provider provided at least one of the following conditions is met:

(i) A payment has been made to the claimant by, in the name of, or on behalf of the qualified health care provider whose percentage of fault the board seeks to allocate.

(ii) A payment has been made to the claimant by, in the name of, or on behalf of another qualified health care provider in order to obtain a dismissal or release of liability of the qualified health care provider whose percentage of fault the board seeks to allocate, provided that there shall be no separate credit or offset for the fault of an employer or other vicariously liable entity who was not independently negligent or otherwise at fault and who makes a payment in order to obtain a dismissal or release of liability of a single qualified health care provider for whom the payor is vicariously liable.

(v) The qualified health care provider does not object within thirty days after notice of the board's intention to allocate the health care provider's percentage of fault is delivered via certified mail to the plaintiff, the qualified health care provider, and the qualified health care provider's professional liability insurer or to their attorneys.

(vi) The court determines, after a hearing in which the qualified health care provider whose percentage of fault the board seeks to allocate shall be given an opportunity to appear and participate, that there has been collusion or other improper conduct between the defendant health care providers to the detriment of the interests of the fund.

(d) Except where the sum of one hundred thousand dollars has been paid by, in the name of, or on behalf of the qualified health care provider whose percentage of fault the board seeks to allocate, in any case in which the board is entitled pursuant to the provisions of Civil Code Article 2323 or 2324, or both, to assert a credit or offset for the allocated percentage of negligence or fault of a qualified health care provider, the board shall have the burden of proving the negligence or fault of the qualified health care provider whose percentage of fault the board seeks to allocate.
