"Section 2. It is the intention of this legislation to allow the Department of Wildlife and Fisheries to better manage the deer and turkey resources of this state through the collection of more detailed data by which policy decisions may be made by the Wildlife and Fisheries Commission, the Department of Wildlife and Fisheries, and the Louisiana Legislature. It is not the intention of the Louisiana Legislature by passage of this Act to provide the enforcement division of the Department of Wildlife and Fisheries additional opportunities to arbitrarily or capriciously harass citizens who are attempting to enjoy the leisure activities in the outdoors of this state, a state affectionately called the "Sportsman's Paradise". Although there are penalties contained in this Act which are associated with the requirement to possess and carry a harvest record, it is the sincere hope of the Louisiana Legislature that the agents of the enforcement division of the Department of Wildlife and Fisheries will show restraint and good judgment in their execution of the authority given to them by this Act."
