R.S. 40:1299.36.1 is all proposed new law.
A. In order to protect the health and welfare of the citizens of this state, it is the intent of the legislature to promote adult stem cell research that offers real cures and not illusory promises, and to ban the cloning of human embryos for the purpose of producing children as well as cloning for research, which always results in the destruction of human embryos when their stem cells are harvested.
B. The legislature finds that:
(1) The state has a compelling interest in promoting research that offers real cures and not illusory promises.
(2) The state also has a compelling interest in ensuring that human beings, at whatever stage of life, are not created for use as raw materials. Cloning for any purpose will compromise women's health, turn their eggs and wombs into commodities and factories and will lead to production of experimental human beings.
(3) Researchers in at least one country have announced the cloning of a human being at the embryonic stage of life by the process known as somatic cell nuclear transfer.
(4) A cloned human embryo, if implanted in the uterus of a female of reproductive age, can theoretically grow into a newborn

SENATE BILL NO. 873 (Substitute for Senate Bill No. 782 by Senator Lentini)—
BY SENATOR LENTINI
AN ACT
To enact Part XIX of Chapter 5 of Title 40 of the Louisiana Revised Statutes of 1950, to be comprised of R.S. 40:1299.36 through 1299.36.7, and R.S. 37:1285(A)(32), all relative to human cloning; to provide for definitions; to prohibit the expenditure of state funds for the purpose of human cloning; to provide for penalties; and to provide for related matters.

Called from the calendar.

Motion
Rep. Beard moved that Senate Bill No. 875 be designated as a duplicate of House Bill No. 803.

Which motion was agreed to.

Rep. Beard moved that Senate Bill No. 873 be amended to conform with House Bill No. 803 and sent up the following floor amendments:
baby. The outcome or purpose of cloning in this circumstance is cloning for reproduction. Conversely, a cloned human embryo may be allowed to develop only to the blastocyst stage and then harvested for its stem cells, resulting in the destruction of the cloned human embryo. The outcome or purpose of cloning in this circumstance is cloning for research.

(5) There is no scientific difference between cloning for reproduction and cloning for research. The only difference is the stated purpose for which the cloned human embryo is created. Thus, there are not two distinct scientific processes. There is only one process, human cloning, with two possible outcomes or purposes. Those outcomes or purposes are reproduction or destructive research.

(6) Cloning for research has not produced a single cure or treatment in animal models for any disease, nor has it produced any cures or treatments in human beings.

(7) Adult islet cells have already helped hundreds of patients with juvenile diabetes; this and other avenues that pose no moral problem hold enormous promise for the future.

(8) Promoting research using adult stem cells that have shown real benefits can be achieved by prohibiting cloning of human beings at the embryonic stage of life for both reproduction and destructive research. This safeguards the State's interest in protecting human life and promotes legitimate cure producing research.”

AMENDMENT NO. 1

"comprehensive study; and

WHEREAS, the legislature finds that there exists a small but extremely dangerous number of sexually violent predators who, because of a mental abnormality, are likely to commit a sex offense if not treated for their mental abnormality. The legislature further finds that because the current judicial commitment procedure under R.S. 28:54 et seq. is intended to provide short-term treatment to individuals with serious mental disorders, it is inadequate to address the special needs of sexually violent predators and the risk they present to society; and

WHEREAS, the legislature finds that a strategic plan regarding identification, treatment, and an involuntary civil commitment process for the potentially long-term control, care, and treatment of sexually violent predators is necessary; and

WHEREAS, the legislature finds that a review of the current authority, responsibility, and effectiveness of the Department of Public Safety and Corrections ("DPS&C") in identification and treatment of sexually violent predators and the current process of communication between law enforcement agencies regarding their status, while these individuals are under the custody and control of the DPS&C is necessary; and

WHEREAS, the legislature finds that the proposed strategic plan should accomplish the goals of civil commitment for sexually violent predators, with a focus on the best clinical practices delivered in an efficient safe environment in a comprehensive and fiscally responsible manner, particularly on the lack of resources, increasing need for community services, impact on the civil mental health population, and maintaining public safety; and

WHEREAS, the legislature finds that the existing Forensic Strategic Task Force originally established by Senate Concurrent Resolution No. 28 of the 2002 Regular Session is the appropriate body to study the specific issue of identification, commitment, and treatment of sexually violent predators and to recommend a strategic plan to the legislature for consideration."

AMENDMENT NO. 2

"BE IT FURTHER RESOLVED that within thirty days after the final passage of this Resolution, the subcommittee chairman shall have authority and responsibility for facilitating and overseeing the work of the subcommittee and shall designate working members with appropriate skill, training and expertise in the area of identification, commitment, and treatment of sexually violent predators, in order to develop and implement an effective comprehensive statewide system of control, monitoring, and treatment of this identified population in a professional and timely manner.

BE IT FURTHER RESOLVED that within sixty days after the final passage of this Resolution, the subcommittee shall examine the laws of the various states and identify each state that has enacted identification, treatment, and civil commitment laws for sexually violent predators and shall begin review of those programs.

BE IT FURTHER RESOLVED that, within one hundred eighty days after final passage of this Resolution, the subcommittee shall complete the study of the individual identification, treatment, and civil commitment programs and shall submit a summary of its findings to both the chairman of the subcommittee and the chairmen of the full Forensic Strategic Task Force.

(j) A review of the current authority, responsibility, and effectiveness of the DPS&C in identification and treatment of sexually violent predators and the current process of communication between law enforcement agencies regarding their status while these individuals are under the custody and control of the DPS&C.

BE IT FURTHER RESOLVED that, within two hundred seventy days after the final passage of this Resolution, designated members of the subcommittee will conduct on-site visits of a representative sample of the civil commitment programs in identified jurisdictions and shall submit a report on each visit to both the chairman of the subcommittee and the chairman of the full Forensic Strategic Task Force.

BE IT FURTHER RESOLVED that, within one year after the final passage of this Resolution, the subcommittee shall submit a proposal for a strategic plan for a civil commitment scheme containing a detailed fiscal note to the chairman of the subcommittee, the chairmen of the full task force, the chairman of the Senate Committee on Judiciary C, the chairman of the House Committee on the Administration of Criminal Justice, the president of the Senate, and the speaker of the House of Representatives.

BE IT FURTHER RESOLVED that such proposal shall outline how the proposed scheme will accomplish the goals of civil commitment for sexually violent predators, with a focus on best clinical practices delivered in an efficient safe environment in a comprehensive and fiscally responsible manner, particularly on the lack of resources, increasing need for community services, impact on civil mental health population, and maintaining public safety."

“§502.6. Legislative intent; report

The legislature hereby finds that the financial stability represented by a solid retirement system is of paramount importance to the welfare and enjoyment of life of the citizens of this state, particularly her public servants. To that end, changes in the structure of such a system should be undertaken only after due deliberation and rumination. The construction of a defined contribution retirement plan allows the health of the state fisc to improve while simultaneously providing greater portability and flexibility to the members of the system. In an abundance of caution, and to ensure our state employees a retirement upon which they may reasonably rely in planning for their futures, we believe it prudent to investigate opportunities for providing greater security within the plan. To that end, the state treasurer and the board of trustees of this system shall submit to the legislature, at least thirty days before the convening of the 2005 Regular Session, a report regarding when and how to integrate this defined contribution plan with Social Security, including recommended contribution rates and levels and a fair and efficacious plan for providing for the disability of a state employee.”

Message from the Governor

The following message from the Governor was received and read:

June 7, 2004

The Honorable Alfred W. Speer
Clerk of the House of Representatives
State Capitol
Baton Rouge, LA 70804

Re: House Bill No. 1167 by Representative Pinac
TOURISM/COMMISSION: Provides relative to the membership of the Louisiana Tourism Development Commission and the board of directors of the Louisiana Tourism Promotion District.

Dear Mr. Speer:

After discussion of my concerns about House Bill No. 1167 with the bill’s author and the secretary of the Department of Culture, Recreation and Tourism, I have decided to veto it. While I support the overall purpose of the bill, I am concerned that amendments added in committee diminish the role of the Tourism Promotion District.

For this reason, I have vetoed House Bill No. 1167 and am returning it to the House of Representatives.

Sincerely,

Kathleen Babineaux Blanco
Governor

AMENDMENT NO. 1
On page 1, delete lines 8 through 16 and insert the following:

"A. Within three days of taking possession of collateral, a secured party who utilizes the additional default remedies provided by this Chapter to obtain possession of collateral shall file a "Notice of Repossession" with the recorder of mortgages in the parish where the collateral was located and with the appropriate official. For purposes of this Section, the appropriate official shall be:

(1) The constable of the justice of the peace court, if the debtor’s last-known address is within the election district of the justice of the peace court and the outstanding balance is within the jurisdictional limits of the court.

(2) The constable or marshal of the city court, if the debtor’s last-known address is within the geographic boundaries of the city court and the outstanding balance is within the jurisdictional limits of the court.

(3) The sheriff for the parish of the debtor’s last-known address, if there is no other appropriate official as defined in this Subsection.

B. The secured party shall pay seventy-five dollars to the recorder of mortgages and two hundred fifty dollars to the appropriate official for each "Notice of Repossession" filed.

C. If the sheriff is the appropriate official in a parish having a population in excess of four hundred sixty-five thousand persons, as determined by the most recent federal decennial census, then there shall be no fee paid to the sheriff; however, the "Notice of Repossession" shall still be filed with the sheriff.

D. The commissioner of the Office of Financial Institutions shall have the authority to promulgate rules and regulations in accordance with the Administrative Procedure Act to implement the provisions of this Chapter, including but not limited to establishing fees and assessments.

Section 2. This Act shall take effect and become operative if and when the Act which originated as Senate Bill No. 768 becomes law and is effective.

Section 3. In the event of any conflict between the provisions of this Act and those of any other Act adopted by the legislature at its Regular Session in 2004, regardless of which Act is adopted later or signed later by the governor, the provisions of this Act shall prevail.

Section 4. Because the legislature finds and declares that questions of law may be raised by some persons with respect to the constitutionality of some of the provisions of this Act or the Act which originated as Senate Bill No. 768, the public welfare requires that such questions of law be resolved with expedition prior to such time as its provisions take effect in order to avoid disruption of the orderly implementation of its provisions. Therefore, the legislature finds that the remedy of declaratory judgment to determine the constitutionality of the provision of this Act or the provisions of the Act which originated as Senate Bill No. 768 should be immediately made available in order to avoid confusion by the public. Therefore, any interested party domiciled in this state may institute an action in the Nineteenth Judicial District Court seeking a declaratory judgment to determine the constitutionality of the provisions of this Act. The attorney general and the commissioner of the Office of Financial Institutions shall be served with a copy of the proceeding and be entitled to be heard. In the interest of further expediting this procedure, the Nineteenth Judicial District Court, First Circuit Court of Appeal, and the Louisiana Supreme Court are urged to minimize all unnecessary delays and may suspend all applicable rules of court for this limited purpose.

Section 5. Unless otherwise specifically excepted, if any provision of this Act or its application is held to be invalid or unconstitutional by a final and definitive judgment, such invalidity shall not affect other provisions or application of the Act which are not specifically declared to be invalid or unconstitutional and which can be given effect without the invalid provision or application, and to this end the provisions of this Act are hereby declared severable.
