§1452. Legislative intent; declaration of purpose and policy

It is the intent of the legislature to provide for the care and to protect the health, safety, and well-being of ~~transitional~~ youths in the custody or formerly in the custody of the state of Louisiana who are nearing the age of majority and who, by reason of age, are unlikely to be placed with foster families for adoption. The legislature recognizes that such ~~transitional~~ youth are likely to remain in need of supervision and services, even after reaching the age of majority, to assist them in making the transition from ~~childhood foster care~~ to independent adulthood. To that end, it is the purpose of this Chapter to establish a system of licensed facilities to care for such persons up to the age of twenty-two, to establish statewide minimum standards for the safety and well-being of the residents of such facilities, to ensure the maintenance of those standards, and to regulate conditions in these facilities through a program of licensing and inspection.

§1453. Definitions

As used in this Chapter, the following definitions shall apply unless the context clearly indicates otherwise:

* * *

(3) "Transitional youth" means a person; not less than sixteen nor older than twenty-one years of age, ~~who is either in the department's custody or was in the department's custody at the time of reaching the age of majority.~~ Nothing in this Chapter shall be construed to give the department authority or control over any person, not interdicted, who has reached the age of majority and who no longer wishes to remain in a transitional youth residence.

§1452. Legislative intent; declaration of purpose and policy

It is the intent of the legislature to provide for the care and to protect the health, safety, and well-being of ~~transitional~~ youths in the custody or formerly in the custody of the state of Louisiana who are nearing the age of majority and who, by reason of age, are unlikely to be placed with foster families for adoption. The legislature recognizes that such ~~transitional~~ youth are likely to remain in need of supervision and services, even after reaching the age of majority, to assist them in making the transition from ~~childhood foster care~~ to independent adulthood. To that end, it is the purpose of this Chapter to establish a system of licensed facilities to care for such persons up to the age of twenty-two, to establish statewide minimum standards for the safety and well-being of the residents of such facilities, to ensure the maintenance of those standards, and to regulate conditions in these facilities through a program of licensing and inspection.

§1453. Definitions

As used in this Chapter, the following definitions shall apply unless the context clearly indicates otherwise:

* * *

(3) "Transitional youth" means a person; not less than sixteen nor older than twenty-one years of age, ~~who is either in the department's custody or was in the department's custody at the time of reaching the age of majority.~~ Nothing in this Chapter shall be

construed to give the department authority or control over any person, not interdicted, who has reached the age of majority and who no longer wishes to remain in a transitional youth residence.

All services and programs to be provided to the district from the proceeds of any such tax shall be in addition to the tax services, programs, and projects which would normally be provided to the district by the city government either at present or in the future. All ad valorem taxes levied within the district pursuant to previous legislation shall remain authorized pursuant to this Section, notwithstanding the repeal of legislation authorizing said ad valorem taxes.

(3) The city council shall review and consider any plans submitted within thirty days following the submission to it by the authority, and shall adopt or reject such plan by majority vote of its members. If the city council adopts such a plan, it shall become final and conclusive and the ad valorem tax shall be levied as provided herein. If the city council rejects the plan, it shall notify the authority of this action, and the authority may again, and from time to time, prepare and submit to the city council for its review, consideration, adoption, or rejection in accordance with the procedures provided herein, a plan setting forth the matters hereinabove prescribed. Any rejection by the council should consist of specific written analyses and suggestions for improvement of the plan. Further, it shall be required that technical assistance shall be provided by the city council if required by the authority in order that the plans may be improved.

(4) Each plan submitted or resubmitted shall set forth the projects recommended, the estimated cost thereof, recommendations for funding, and such other information as required by this Section or by the authority or by the city council.

G. Any bonds or other evidence of indebtedness issued pursuant to this Section shall be issued by the city council by resolution or ordinance and shall be of such series, bear such date or dates, mature at such time or times, bear interest at such rate or rates, be in such denominations, be in such form, carry such registration and exchangeability privileges, be payable at such place or places, be subject to such terms of redemption, be entitled to such priorities on the ad valorem taxes authorized herein to be levied by the city council in the district and contained such other terms, all as provided in the proceedings adopted by the city council authorizing the issuance of the bonds and providing for the security thereof. Such bonds or other evidences of indebtedness may be sold by the city council at public or private sale. The authority of the city council to issue bonds of the city pursuant to this Section shall be in addition to any other authority now or hereafter conferred on the city council to issue bonds or other evidences of indebtedness.

H. If any provision or item of this Act or the application thereof is held invalid, such invalidity shall not affect other provisions, items, or applications of this Section which can be given effect without the invalid provisions, items, or applications, and to this end the provisions of this Section are hereby declared severable.

I. All laws or parts of laws in conflict herewith are hereby repealed.

Section 3. Act No. 573 of the 1975 Regular Session, Act No. 554 of the 1978 Regular Session, Act No. 411 of the 1980 Regular

Session, Act No. 163 of the 1984 Regular Session, and Act No. 265 of the 2003 Regular Session are hereby repealed in their entirety.

If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval."

PART III-H. EXPROPRIATION OF PROPERTY BY A
DECLARATION OF TAKING BY
THE CITY OF MONROE

§137. Purpose

In an effort to control the rising number of abandoned or blighted properties throughout the state and to slow urban blight, the legislature finds it necessary to implement a mechanism by which the city of Monroe is empowered to more readily obtain abandoned or blighted properties. The provisions of this Part are intended to provide a means by which governing authorities may revitalize economically depressed areas by placing abandoned or blighted properties back into the economic stream of commerce through the rehabilitation of the abandoned or blighted property. The procedure created by this Part shall be in addition to any other procedure authorized by law.

§137.1. Definitions

For the purposes of this Part, unless the context clearly otherwise requires or unless otherwise defined in specific portions of this Part, the following words or phrases shall have the respective meanings:

(1) "Abandoned property" means property that is vacant or not lawfully occupied. The term "vacant or not lawfully occupied" shall include but shall not be limited to any premises which are not actually occupied by its owner, lessee, or other invitee or if occupied, without utilities, and has been left unsecured or inadequately secured from unauthorized entry to the extent that the premises could be

entered and utilized by vagrants or other uninvited persons as a place of harborage or any premises which by reason of dilapidation, deterioration, state of disrepair, or other such status is otherwise detrimental to or endangers the public safety, health, or welfare.

(2) "Blighted property" means any commercial or residential premises, including a vacant lot, which has been declared vacant, uninhabitable, or hazardous by an administrative hearing officer acting pursuant to R.S. 13:2575 and 2576, or any other applicable law.

(3) "Governing authority" means the city of Monroe or any assignee thereof which is authorized by the municipality to carry out the purpose of this Part.

(4) "Notice" means the sending of written communication to a person entitled to receive notice pursuant to this Part by any of the following methods:

(a) By means of registered or certified mail, return receipt requested, to an owner at the address of the owner listed in the assessor's office for the parish in which the abandoned or blighted property is located.

(b) In the same manner as service of citation or other process as provided for in the Louisiana Code of Civil Procedure and R.S. 13:3201 et seq., whether made by a sheriff, deputy sheriff, or constable or as otherwise provided by law in any civil matters.

(c) By a duly authorized building inspector or other representative of the political subdivision, as provided by ordinance.

(d) In the event that the owners are absent or unable to be notified in accordance with Subparagraphs (4)(a) through (c) of this Section, notice may be made by publication once a week for two consecutive weeks in an official journal of the political subdivision in which the property is located.

(e) The appointment of a curator according to the Louisiana Code of Civil Procedure upon whom the notice may be mailed or served as provided for in this Paragraph.

(5) "Owner" means any person having an ownership interest in the property as shown in the conveyance records of the parish in which the property is located, including but not limited to ownership or leasehold interest.

(6) "Property" means any portion of immovable property, including servitudes, leases, rights-of-way, and other rights in or to immovable property.

§137.2. Authority to expropriate; acquisition of abandoned or blighted property prior to judgment

A. When the governing authority cannot amicably acquire property needed by the governing authority for the rehabilitation of abandoned or blighted property in order to return it to commerce, it may acquire the same by expropriation and may acquire the abandoned or blighted property prior to judgment in the trial court fixing the amount of compensation due to the owner of the abandoned or blighted property.

B. At least fifteen days prior to filing a petition for expropriation, the governing authority shall send notice to the owner of its intention to expropriate the property pursuant to this Part. The letter of notification shall also inform the owner that he shall waive all defenses to the taking except claims for compensation or damages if, within fifteen days after being served with the citation and pleading:

(1) He does not object to the taking on the grounds that it is not for a public purpose; or

(2) He fails to show that the abandoned or blighted conditions of the property have been rehabilitated and that all taxes and public liens have been paid.

C. Except for the provisions of R.S. 48:453(E), 456(A)(3) and (B), and as otherwise provided in this Part, such expropriation by the governing authority shall be conducted in the manner that the Department of Transportation and Development may expropriate property for highway purposes, as set forth in R.S. 48:441 through 460.

§137.3. Contents of petition for expropriation; place of filing

The right of expropriation granted by this Part shall be exercised in the following manner:

(2) The petition shall contain a statement of the purpose for which the property is to be expropriated, a legal description of the property being expropriated, and the name of the record owner or owners.

(3) The petition shall have annexed to it the following:

(a) A certified copy of a resolution adopted by the governing authority generally authorizing the taking of abandoned or blighted property and declaring that it is necessary or useful for the purposes of this Part.

(b) An itemized statement of the amount of money estimated to be the full extent of the owner's loss for the actual taking, use, damage, or destruction, as the case may be. It shall be signed by a qualified and licensed real estate appraiser who made the estimate and shall include the date on which the appraisal was made.

(c) A copy of the letter of notification of intention to expropriate the property, as required by R.S. 19:137.2(B), and an affidavit setting forth the efforts to notify the owner.

§137.4. Prayer of petition; ex parte order for deposit; value determination

The petition shall conclude with a prayer that the abandoned or blighted property be declared taken for the purpose of rehabilitating economically depressed property by placing it back into the economic stream of commerce. Upon presentation of the petition, the court shall issue an order directing that the amount of the appraisal be deposited in the registry of the court. Upon the deposit of the amount of the appraisal in the registry of the court, for the use and benefit of the persons entitled thereto, the clerk shall issue a receipt showing the amount deposited, the date it was deposited, the style and number of the cause, and the description of the property as contained in the petition.

§137.5. Vesting of title

Upon presentation of the receipt issued by the clerk of court, the court shall render an immediate ex parte order transferring and vesting full and complete right, title, and ownership in and to the property unto the governing authority, free and clear of all rights of all interested owners, and all such rights and interests shall be transferred to and attach to the funds on deposit. The rights and interests of all creditors shall be transferred and attach to the funds on

deposit. Upon vesting of title, the governing authority may enter upon and take possession of the property.

§137.6. Notice to defendant

Upon receipt of the deposit and the ex parte order, the clerk of court shall comply with all laws governing citation as to each named defendant.

§137.7. Contesting validity of proposed taking; waiver of defenses

A. Any defendant desiring to contest and oppose the validity of the taking on the grounds that:

(1) the property taken was not expropriated for a public purpose; or

(2) the abandoned or blighted conditions of the property have been substantially rehabilitated, and all taxes and governmental liens have been paid shall file a verified response to the petition setting forth the facts forming the basis for such opposition within fifteen days after the date on which the citation was served on him or a court-appointed curator on his behalf. The pleadings setting forth the defendant's opposition shall be served pursuant to Code of Civil Procedure Article 1314. The opposition shall be tried contradictorily as a summary proceeding with preference over all other matters to the judge alone and shall be decided prior to fixing the case for trial on the compensation or damages due to the defendant.

B. The ex parte order vesting title in the governing authority shall become final upon the failure of the defendant to timely file the opposition provided in Subsection A of this Section. If the defendant files an opposition, the ex parte order becomes final upon the rendering of a judgment in favor of the governing authority on the trial of the opposition or as otherwise provided in the Code of Civil Procedure.

§137.8. Defendant's answer; requirements; delay for filing

When property is expropriated pursuant to this Part, any defendant may apply for a trial to the district court for the parish in which the property is located to determine the measure of compensation to which he is entitled, if:

(1) The defendant or owner applies for a trial within fifteen days from the date of service upon him or a curator ad hoc appointed for him, or within an extended period of time granted by the court for good cause not to exceed sixty days, otherwise it shall be conclusively presumed that the amount deposited by the governing authority is correct and the defendant or owner shall thereafter be barred from disputing the deposited amount.

(2) His answer sets forth the amount he claims, including the value of each parcel expropriated.

(3) His answer has a certificate thereon showing that a copy thereof has been served personally or by mail on all parties to the suit who have not joined in the answer.

§137.9. Encumbrances and taxes

A. Subsequent to the rendition of the ex parte order of expropriation, the governing authority shall notify all parties having any mortgage, lien, or encumbrance on the property of the pendency of the proceedings. Such notices shall be sent to all such parties as may be reasonably ascertained. Notices may be sent as provided for in R.S. 19:137.1(4). The rights and interest of all creditors shall be transferred and attached to the funds on deposit. The court shall have

summary jurisdiction to rank the creditors according to law and their respective priority and order distribution of the funds.

B. The expropriated property shall be vested in the governing authority free and clear of all mortgages, liens, privileges, and encumbrances. All inscriptions for taxes, tax liens, and governmental charges shall be canceled according to law upon payment of same to the extent that the funds are available from the amount deposited into the registry of the court. When the ex parte order vesting title in the governmental authority becomes final, as provided in R.S. 19:137.7(B), the court shall order, upon ex parte motion, the Recorder of Mortgages to cancel and erase all liens, mortgages, and encumbrances affecting the expropriated property and shall also order the taxing authority to cancel and erase all taxes, tax liens, and governmental charges against the property.

§137.10. Minimum qualifications for application

No blighted property may be expropriated under the provisions of this Part unless the governing authority determines that the blighted property being expropriated is located in a federally designated census tract, as determined by the United States Bureau of the Census, in which ten percent or more of the property is blighted, as defined in this Part.

§137.11. Acquisition by third persons

The governing authority shall provide an equal opportunity for all natural or juridical persons, including but not limited to sole proprietorships, partnerships, corporations, or limited liability companies, whether for profit or nonprofit, to acquire property expropriated pursuant to the provisions of this Part when the governing authority decides to sell, convey, or otherwise dispose of any property expropriated pursuant to the provisions of this Part. Notwithstanding the foregoing provisions, the governing authority may establish a preference for the allocation of these properties to low-income families, directly or through for profit or nonprofit organizations which will have rehabilitated or constructed housing on the property.

§137.12. Sale of expropriated property

Notwithstanding any other provision of law to the contrary, the municipality may sell property acquired pursuant to this Part at public or private sale. Before any such sale may be made, the governing authority shall enact an ordinance generally approving said sales. Said ordinance shall state whether such sales shall be by public or private sale. If the ordinance states that such sales shall or may be by private sale, the ordinance shall establish a fair and equitable policy which shall have uniform application for determining the sale price. For purposes of this Section, the sale of property acquired pursuant to this Part shall not be considered the sale of surplus property or of property owned by the municipality."
