Ladies and Gentlemen:

We, the conferees appointed to confer over the disagreement between the two houses concerning House Bill No. 37 by Representative Baldone, recommend the following concerning the engrossed bill:

1. That Senate Committee Amendment Nos. 1 and 2 proposed by the Senate Committee on Judiciary Section C and adopted by the Senate on June 9, 2004, be rejected.
2. That the engrossed bill be amended as follows:

AMENDMENT NO. 1

On page 1, line 2, after "R.S. 40:981.3(E)" delete the comma "," and delete the remainder of the line and delete lines 3 and 4 in their entirety and insert "and to enact R.S. 9:2800.14, relative to criminal sentencing; to provide with respect to sentences imposed pursuant to drug free zones; to provide for an application process for compensation for wrongful conviction and imprisonment; to provide compensation; to create the Innocence Compensation Fund as a special fund in the state treasury; to provide for the deposit, use, and investment of monies in the fund; to provide procedures for filing an application; to provide for the period of time in which the application shall be filed;"

AMENDMENT NO. 2

On page 1, between lines 5 and 6 insert the following:

"Section 1. R.S. 9:2800.14 is hereby enacted to read as follows:

§2800.14. Application process; compensation; proof; assignment of powers and duties

A. All compensation applications filed in accordance with this Section shall be referred to the Board of Pardons, hereinafter referred to as "the board".

(1) The board shall receive, investigate, and make a final decision on all applications for compensation filed in accordance with the Administrative Procedure Act.

(2) If from its findings of fact, the board decides that the applicant is entitled to compensation because he is found to be factually innocent of the crime of which he was convicted, it shall determine the compensation due, and it shall order payment to the applicant, in annual installments not to exceed ten thousand dollars, from the Innocence Compensation Fund which shall be created specifically for the administration of awards under this Section. The board shall annually prepare and submit a report for the prior calendar year to the governor and legislature, on or before the first

day of April, commencing in 2005, including the number of orders and the total amount of funds distributed in accordance with this Section.

(3) Compensation shall be calculated at a minimum rate of twelve thousand dollars per year incarcerated or the equivalent of working forty hours a week for one year at the current federal minimum wage. The board may consider the unique barriers and obstacles as the applicant adjusts to life after being released from prison, and it may increase the compensation and it shall provide written reasons therefor, however, the amount of compensation shall not exceed five hundred thousand dollars total.

(4) As compensation for the loss of life opportunities resulting from the time spent incarcerated, the board shall also order payment from the Innocence Compensation Fund to provide expenses for tuition and fees, not to exceed twenty-five hundred dollars, at any Louisiana public college or university.

(a) State aid in accordance with Subparagraph(A)(3)(c) shall include assistance in meeting any admission standards or criteria required at any of the applicable institutions, including but not limited to assistance in satisfying requirements for a certificate of equivalency of completion of secondary education and assistance in completing any adult education program or courses.

(b) The right to receive aid in accordance with Subparagraph(A)(3)(c) shall be for ten years after the release of an applicant who qualifies for aid. State education aid shall continue for up to a total of five years of aid when initiated within the ten-year period or until the degree or program for which the applicant is authorized is completed, whichever is less, as long as the applicant makes satisfactory progress in the courses or program in which he is enrolled. Aid is available for completion of any degree or program which the applicant chooses and which is available from the applicable institutions.

(5) In determining the compensation owed to the applicant, the board may not deduct any expenses incurred by the state or any of its political subdivisions in connection with the arrest, prosecution, conviction, and imprisonment of the applicant for a crime of which the board finds he was factually innocent, including expense for food, clothing, shelter, and medical services.

B. An applicant is entitled to compensation in accordance with this Section if he has served in whole or in part a sentence in prison under the laws of this state for a crime for which he was convicted and:

(1) The applicant received a full pardon on the basis of innocence; or

(2) The applicant had his conviction reversed or vacated and the board determined that he is factually innocent of the crime of which he was convicted.

C. For the purposes of this Section, "factual innocence" means that the applicant did not commit the crime for which he was convicted and incarcerated nor did he commit a crime statutorily defined as a lesser included offense of the crime for which he was convicted based upon the same set of facts used in his original conviction.

D. Any applicant claiming compensation in accordance with this Section based on a disposition enumerated in Subsection B of this Section that occurs on or after September 1, 2004, shall file an application within two years from the date of the occurrence of that disposition.

E. Any applicant claiming compensation in accordance with this Section and based on a disposition enumerated in Subsection B of this Section that occurred prior to September 1, 2004, shall file an application on or before September 1, 2006, or be forever barred from filing an application.

F. This Section shall apply to all applications for compensation from applicants who have been convicted of and imprisoned for crimes of which they are factually innocent. Applications which are predicated on convictions involving willful misconduct on the part of state actors are not limited to the recovery provided in this Section.

G.(1) There is hereby created, as a special fund in the state treasury, the Innocence Compensation Fund, hereinafter referred to as the "fund". The source of monies for the fund shall be appropriations, donations, grants, and other monies which may become available for the purposes of the fund.

(2) The monies in the fund shall be subject to appropriation and may only be used as provided in Paragraph (3) of this Subsection. The monies in the fund shall be invested by the treasurer in the same manner as monies in the state general fund, and interest earnings shall be deposited in and credited to the fund. All unexpended or unencumbered monies remaining in the fund at the end of the fiscal year shall remain to the credit of the fund.

(3) Monies appropriated from the fund shall be used exclusively by the Board of Pardons to compensate applicants who are found to be factually innocent of the crime of which convicted, as provided in Subsection A of this Section."

AMENDMENT NO. 3

On page 1, line 6, change "Section 1." to "Section 2."
