AMENDMENT NO. 1

Delete Senate Committee Amendments No. 1 and 2 proposed by Senate Committee on Revenue and Fiscal Affairs and adopted by the Senate November 18, 2005.

AMENDMENT NO. 2

On page 1, delete lines 11 through 13 and delete pages 2 and on page 3, delete lines 1 through 21, and insert the following:

"A. This Act shall be known as the 2005 Louisiana Sales Tax Holiday Act.

B.(1) Notwithstanding any other provisions of law to the contrary, the sales tax levied by the state of Louisiana and its political subdivisions whose boundaries are coterminous of those of the state shall not apply to consumer purchases of tangible personal property for non-business use which occur between 3:00 p.m. Thursday, December 8, 2005, and midnight Sunday, December 11, 2005.

(2) For purposes of this Act, "consumer purchases" shall mean purchases of items of tangible personal property costing ten thousand dollars or less per unit that are not for use in a trade, business or profession. Manufacturers' coupons and rebates and charges for delivery to the customer shall not be considered in determining whether an item costs ten thousand dollars or less. "Consumer purchases" as used in this Paragraph shall not mean the purchase of a vehicle subject to license and title.

C. This provision will apply if and only if during the period provided in Subsection A of this Section, one of the following occur:

(1) Title to or possession of an item of tangible personal property is transferred from a selling dealer to a purchaser.

(2) A customer selects an eligible item from the selling dealer's inventory for layaway that is physically set aside in the selling dealer's inventory for future delivery to that customer.

(3) The customer makes final payment and withdraws an item from layaway that might have been placed before the period provided in Subsection A of this Section.

(4) The customer orders and pays for an eligible item and the selling dealer accepts the order for immediate shipment, even if delivery is made after the period provided in Subsection A of this Section, provided that the customer has not requested delayed shipment.

D. Eligible items that customers purchase during the period provided in Subsection A of this Section with "rain checks" will qualify for exemption, regardless of when the "rain checks" were issued. However, issuance of "rain checks" during the exemption period will not qualify items for exemption if the otherwise eligible items are actually purchased after such period.

E.(1) When a customer purchases an eligible item during the period provided in Subsection A of this Section, and exchanges the item without additional cash consideration after such period, for an essentially similar item of different size, color, or because of a flaw or failure of the item, no additional tax is due.

(2) When a customer after the period provided in Subsection A of this Section, returns an eligible item that was purchased during such period, and receives credit on the purchase of a different item, the appropriate sales tax is due on the purchase of the new item.

F. Articles that are normally sold as a unit must continue to be sold in that manner, and cannot be priced separately in order to bring the individual items below the ten thousand dollar eligibility threshold. Items that are advertised as "buy one, get one free" or "buy one, get one at a reduced price" cannot be averaged in order for both items to fall under the ten thousand dollar eligibility threshold.

G. For a sixty-day period after the period provided in Subsection A of this Section, when a customer returns an item that

would qualify for an exemption, no credit or refunds of sales tax shall be given unless the customer provides a receipt or invoice that shows that the state sales tax was paid, or the retailer has sufficient documentation that shows that the tax was paid on the specific item. This sixty-day period is not intended to change a dealer's policy concerning the time period during which returns will be accepted.

H. Notwithstanding any other provisions of law to the contrary, the terms of this Section shall be voluntary for retail dealers; however all retailers who intend to not grant the sales tax holiday authorized in this Section shall notify the Department of Revenue not less than three days prior to the holiday period and shall place public notice signs prominently displayed in their establishment to that effect.

I. All retail dealers who must make adjustments to their cash registers resulting from offering the sales tax holiday authorized in this Section shall be reimbursed at a rate of fifty dollars per cash register.

Section 2. The secretary of the Department of Revenue is authorized to adopt and promulgate rules for the administration of the provisions of this Act in accordance with the Administrative Procedure Act."
