On page 4, between lines 2 and 3, insert the following:

"§2554. Purpose; certain courts; suspension and extension of prescription and peremption and other legal deadlines

A. The legislature finds that Hurricanes Katrina and Rita created a statewide emergency which affected the entire judicial system in this state, all legal communities, and prohibited the court system from functioning as required by law. The legislature acknowledges that the proper functioning of this state’s judicial system is essential to the administration of justice for all citizens.

The legislature also recognizes that the courts in Cameron, Orleans, Plaquemines, St. Bernard, and Vermillion, the legal communities,
and the citizens were so severely devastated, and although the courts may be open on a limited basis, the massive destruction of these areas continues to endanger and infringe upon the normal functioning of the judicial system, the ability of persons to avail themselves of the judicial system and the ability of litigants or others to have access to the courts or to meet schedules or time deadlines imposed by court order or rule or statute. The majority of residents and attorneys domiciled in these areas have been displaced and numerous client files, witnesses, evidence, records and documents have been lost, damaged, or destroyed. The legislature hereby declares that there is a compelling governmental interest in protecting the rights, claims, or actions of parties and the attorneys who represent them by granting additional time and access to these courts provided in this Section.

B. (1) Notwithstanding the provisions of R.S. 9:2552 or 2553, a party who is domiciled within the parishes of Cameron, Orleans, Plaquemines, St. Bernard, or Vermilion, or whose cause of action arose within such parishes or whose attorney is domiciled within or has a law office within such parishes, may seek in any court in the state a limited suspension and/or extension of prescription or peremption periods or other legal deadlines, beyond the termination dates provided in R.S. 9:2552 and 2553, by contradictory motion or declaratory judgment. The party seeking an additional suspension and/or extension, in accordance with the provisions of this Section, shall bear the burden of proving by a preponderance of the evidence that the motion was filed at the earliest time practicable and but for the catastrophic effects of Hurricane Katrina or Rita, the legal deadline would have been timely met. If the court grants the motion, the prescription or peremptive period or other legal deadline shall be suspended or extended for a period not to exceed thirty days from the date of the granting of the motion. This limited suspension or extension shall terminate on June 1, 2006, and any right, claim, or action which would have expired during the time period of January 4, 2006, through May 31, 2006, shall lapse on June 1, 2006.

"A.1.(a)(i) If lands or property, including buildings, structures, or personal property, are destroyed, uninhabitable, or non-operational due to a disaster or emergency declared by the governor for tax year 2005, the Louisiana Tax Commission may order the ad valorem property taxes in a parish in which such lands or property are located to be assessed and collected for that year within such parish pursuant to Subsection C of this Section provided that the tax commission first receives notice in writing within ten days of the initial effective date of this Section from a majority of the elected taxing authorities in such parish that they have adopted a resolution declaring their intention to consider having the lands or property located within the parish assessed and collected for that year pursuant to Subsection C
of this Section. Upon a receipt of such notice from a majority of the elected taxing authorities within the parish, the tax commission shall notify the assessor and collector of the parish.

(ii) For the purposes of this Section, property subject to a mandatory evacuation shall be deemed to be uninhabitable or non-operational during the pendency of the mandatory evacuation.

(b) Except as provided for in Subsection D, if the tax commission does not receive notice of such intention in writing from a majority of the elected taxing authorities in such parish, the assessors in such parish shall proceed to assess ad valorem property tax within the parish in the manner provided for in Subsection B of this Section.

(2) (a) If the tax commission receives timely the notice provided for in Paragraph (1) of this Subsection from a majority of the elected taxing authorities in a parish, the tax commission shall notify the assessor and tax collector for the parish.

(b) (i) The elected taxing authorities within the parish which have timely adopted the resolution and provided notice to the tax commission as provided for in Paragraph (1) of this Subsection may adopt another resolution in the manner provided for in Item (ii) of this Subparagraph requesting an order from the tax commission that the lands or property located within the parish be assessed and collected for that year pursuant to Subsection C of this Section. Written notice of the adoption of the resolution shall be provided to the tax commission.

(ii) The resolution must be adopted by a vote of two-thirds of the members of the elected taxing authority after a public meeting conducted in accordance with the open meetings law. In addition to any other requirements of the open meetings law, special public notice of the time, place, and subject matter of such meeting shall be published on two separate days within fifteen days preceding the meeting in the official journal of the taxing authority and another newspaper with a larger distribution than that of the official journal, if one exists in the parish.

(3) (a) If the tax commission determines that it has received notice from a majority of the elected taxing authorities in a parish requesting that the lands or property located within the parish be assessed and collected for that year pursuant to Subsection C of this Section, and that the notice of each such elected taxing authority was received within thirty days of the tax commission's receipt of the first notice provided for in Paragraph (1) of this Subsection, then the tax commission shall order the assessor and collector of such parish to proceed to assess and collect all ad valorem property taxes in the parish pursuant to Subsection C of this Section.

(b) Except as provided for in Subsection D, if the tax commission does not receive timely notice of the request provided for in Subparagraph (a) of this Paragraph from a majority of the elected taxing authorities, it shall notify the assessor and tax collector of such fact and the assessor and tax collector of such parish shall proceed to assess ad valorem property tax within the parish in the manner provided for in Subsection B of this Section.

(4)(a) For purposes of this Subsection, "elected taxing authorities" means taxing authorities whose member or members are chosen by a vote of the electorate.

(b) Municipalities shall be considered by the tax commission as one elected taxing authority for purposes of making the following determinations:

(i) Whether it has received the notice provided for in Paragraph (1) of this Subsection from a majority of elected taxing authorities in a parish.

(ii) Whether it has received the notice provided for in Paragraph (3) of this Subsection from a majority of the elected taxing authorities in a parish requesting that the lands or property located within the parish be assessed and collected for that year pursuant to Subsection C of this Section.

"Section 2. (A)(1) Any active contributing member of the Louisiana State Employees' Retirement System and any person who has creditable service in the system who has been furloughed, terminated, or placed on leave without pay due to the budget reductions required by the effects of hurricanes Katrina and Rita, who is ineligible to retire under the provisions of R.S. 11:441(A)(1)(a), (b), or (c), but who has earned a minimum of ten years of creditable service and who has attained the age of fifty years, and who elects to retire under the provisions of this Section on or after December 1, 2005, and on or before February 28, 2006, shall be eligible, notwithstanding the provisions of R.S. 11:441(A)(1)(a), (b), or (c), to receive a lump sum benefit payment from the system; however, the individual may opt at the time of retirement to receive a lump sum benefit payment from the system for up to two and one-quarter percent of his average compensation, as determined pursuant to R.S. 11:231, for every year of creditable service.

(2) Notwithstanding any other provision of law to the contrary, any person who has attained the age of fifty years to whom this Section would otherwise apply who retired pursuant to the provisions of Act 194 of the 2004 regular legislative session or pursuant to the provisions of R.S. 11:441(A)(1) on or after November 1, 2005, shall, upon application to the system's board of trustees, have his retirement benefit recalculated under the provisions of this Section, so long as his application for recalculation is received by the system on or before February 28, 2006. The person shall receive the greater of the two benefit calculations and shall be subject to the provisions of the law pursuant to which he receives the greater benefit.

(3) The provisions of this Section shall not apply to any person who receives an additional retirement benefit under any other provision of law included but not limited to R.S. 11:557, 582, and 602 and R.S. 24:36.

(8) All unused accumulated sick and annual leave of a person retiring under the provisions of this Section shall be converted to retirement credit in accordance with the provisions of R.S. 11:424 and no payment shall be made therefor by any state agency other than the system; however, the individual may opt at the time of retirement to receive a lump sum benefit payment from the system for up to three hundred hours of annual leave so converted. Any lump-sum benefit payment made by the system under the provisions of this Section shall be calculated based on the person's rate of pay on the date he separates from service and shall not be calculated based on average compensation. Payment hereunder shall be made only after certification by the division of administration of the person's leave balance and of the fact that the person has not previously received payment for any leave.

(C)(1) The division of administration shall report to the Joint Legislative Committee on the Budget the number of positions renumbered pursuant to the provisions of this Section and the fiscal savings created thereby on or before March 15, 2006. Positions within the executive branch of state government which are caused to be vacated by this Section, directly or indirectly, including by promotion to fill a vacated position, shall not be filled, except upon approval of the division of administration and in accordance with the rules and regulations of the Civil Service Commission. However, before any such approval by the division of administration of the employment of a person not already employed by the agency or not currently employed by the state, the agency shall, if necessary and feasible, and subject to the approval of the division of administration, refill the vacancy from within the agency or in cooperation with the Civil Service Commission transfer employees from another agency to refill the vacancy.

(2) In no case, shall any department within the executive branch of state government refill more than twenty-five percent of the..."
positions caused to be vacated by the provisions of this Section, as reported pursuant to the provisions of Paragraph (1) of this Subsection. The division of administration shall make quarterly reports to the Joint Legislative Committee on the Budget on the number of positions which have been filled by the hiring of new employees or by transfer from one agency to another agency and the salaries associated therewith.

(D) Any person who elects to retire under the provisions of this Section who is reemployed in a position which would otherwise make him eligible for system membership shall not become a member; his benefit shall be suspended upon reemployment and no supplemental benefit shall be earned while he is so employed. The system shall promulgate rules to provide for the implementation of the provisions of this Section, including agency reporting of any retirees reemployed

(E) The legislature shall annually appropriate out of the general fund or any budget surplus an amount equal to ten percent of the reduction in the general fund expenditures attributable to the provisions of this Section to make an additional payment to the Louisiana State Employees' Retirement System for purposes of reducing the unfunded accrued liability that existed on June 30, 1988."
