§3217.1. Board of Supervisors of Community and Technical Colleges system; assignment of institution

A. The Louisiana Community and Technical College System is composed of the institutions under the supervisors and management of the Board of Supervisors of community and Technical Colleges as follows:

* * *

(8) Sowela Technical Community College.

(9) L.E. Fletcher Technical Community College.

(10) All public postsecondary technical colleges which provide vocational-technical education.

(11) Any other community college, technical college, or other institution or program now or hereafter under the supervision and management of the Board of Supervisors of Community and Technical Colleges.

* * *

C.(1)(a) Not later than February 1, 2006, the Board of Supervisors of the Community and Technical Colleges System shall establish a technical division pursuant to a plan prepared as provided in Paragraph (3) of this Subsection and subject to the limitations provided in this Subsection that shall be comprised of all the institutions provided in Subsection (A)(8), (9), and (10) of this Section.

(b) The technical division may be staffed in the system office by a vice president of technical services to correspond to a vice president of community college services as determined by the president of the system. Such vice president shall be appointed by and be answerable to the president of the system. There shall be no single institutional chancellor with administrative or operational authority over all institutions in the technical division.

(2)(a)(i) The technical division shall be established by organizing such institutions into not less than five nor more than ten regions. The mission of the technical division shall be to ensure that high quality technical services are accessible to every citizen seeking such services in each region as part of a fully integrated regionally comprehensive system of technical and community college services.

(ii) Technical services shall include: remedial education and adult education, career preparation, customized training and rapid response workforce development, and community services.

(b) The administrative and operational leadership structure for each region shall be established according to the variation of the institutions and components that are part of or planned for the region in compliance with the plan approved and made operational by the board of supervisors.

(3)(a)Such structure shall include providing for regional coordinating authority to be exercised by a vice chancellor for technical education of a comprehensive community college, or the chancellor of a technical community college, or the head of a technical institution; but in no case shall regional authority be exercised by a person who is not employed directly on the campus of an institution in the region.

(b) The person exercising regional coordinating authority shall:

(i) Prepare and submit to the Board of Supervisors of the Louisiana Community and Technical College System for its approval a proposed operational and capital outlay budget for each institution, based on a budget submitted by the head of each such institution in the region, and a proposed budget for the operation of his office.

(ii) Allocate to each institution in the region all operational and capital outlay funding appropriated by the state legislature for expenditure by each institution.

(4)(a) Not later than August 16, 2005, the commissioner of higher education shall appoint or assign a person with the appropriate expertise and background to research and prepare a plan for the organization and establishment of the division in compliance with this Subsection for presentation to the board.

(b) In preparing such plan, the person shall consider and account for the population patterns across the state, the enrollment patterns in the various institutions of postsecondary education in the state, the evidence of commuting patterns in each area of the state, the level of accreditation of the various community colleges and other institutions that are part of the Community and Technical College System, and the programs in place at the various institutions.

(c) In researching the plan, the person shall consult with representatives of the students to be served, the faculty of the institutions involved, the businesses and industries in each region, and the members of the legislature in each region."

§700.12. Damages to oyster leases; mineral activity; settlements and claims

Notwithstanding any other law to the contrary, including but not limited to R.S. 56:423 et seq., the claim of any lessee of oyster beds

or grounds who is requested to enter into a settlement for damages which may occur due to an oil and gas activity which proposes to intrude upon the leasehold may be settled in the following manner:

* * *

(4) If the claim is brought before the board, the ~~board owner of the oil and gas activity shall, at its own expense,~~ have a biological survey made of the leased premises to determine the quality and value of the beds and grounds which will be involved in the proposed operation. A biological survey shall be performed before the operations begin and upon completion of the activity. ~~The owner of the oil and gas activity shall donate to the board an amount sufficient to pay the costs of the biological survey. Any funds donated to pay the costs of the biological survey shall be used only for that purpose.~~

(5) If the claim is brought before the board, the owner of the oil and gas activity shall ~~file the initial biological survey with the board and~~ pay a deposit to the board based on estimated damages as determined by the board after consideration of the results of the biological survey and any other information provided to the board. After payment of the deposit, the owner may proceed with his proposed activity. Upon completion of the activity, ~~at the expense of the owner of the oil and gas activity the board owner of the oil and gas activity, at his own expense,~~ shall have another biological survey performed and filed with the board so that actual damages to the leasehold may be determined by the board.

* * *

§700.13. Establishment of the board

* * *

C. The board shall develop a list of qualified biologists to provide biological test data in determining the quality, condition, and value of oyster beds and grounds. The secretary, in conjunction with the board, shall develop a list of qualifications for these biologists. ~~If a claim is brought before the board under the provisions of R.S. 56:700.12(4) and a biological survey is needed, the board shall~~ When an owner of an oil and gas activity is required under the provisions of R.S. 56:700.12(4) to perform a biological survey, he shall choose a biologist to conduct the survey from the list of qualified biologists maintained supplied by the board. The secretary, in conjunction with the board, shall adopt rules providing for a regular rotation of the names on this list so that each of the listed qualified biologists is selected on a regular basis.

* * *

F. Notwithstanding the provisions of R.S. 56:424, representatives or assigns of the ~~Oyster Lease Damage Evaluation Board owner of the oil and gas activity~~ may remove, as a sample, oysters from an oyster lease on state water bottoms in order to make determinations in matters before the Oyster Lease Damage Evaluation Board. In order to take such samples, the representatives or assigns of the ~~Oyster Lease Damage Evaluation Board~~ owner of the oil and gas activity shall first submit written notice to the lease holder. If the lease holder has not granted permission within ~~thirty~~ fifteen days after the written request for permission was submitted, the representatives or assigns of the ~~board~~ owner of the oil and gas activity shall notify the lease holder of the date and time that the lease will be surveyed. The lease holder may accompany the biologist during the survey or may authorize another person to accompany the biologist during the survey.

* * *

AMENDMENT NO. 6

On page 3, after line 10, insert

"Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval."

On page 1, line 2, delete "To" and insert "To amend and reenact R.S. 22:215.22 and to"

AMENDMENT NO. 2

On page 1, between lines 5 and 6, and insert the following:

"Section 1. R.S. 22:215.22 is hereby amended and reenacted to read as follows:"

R.S. 22:215.22 Inherited metabolic diseases; coverage for food products; coverage of benefits for specialized infant formulas that are deemed to be medically necessary by a licensed physician

* * *

B. As used in this Section, the following words shall have the following meanings:

* * *

3) "Specialized infant formula" means a nutritional formula that has been determined by a licensed physician as medically necessary for the treatment of a disease or condition. "Specialized infant formula" shall also include the concept of "exempt formula" as defined in 21CFR§1073. "Exempt formula" is an infant formula intended for commercial or charitable distribution that is represented and labeled for use by infants who have inborn errors of metabolism or low birth weight, or who otherwise have unusual medical or dietary problems.

C. Coverage provided pursuant to this Section shall not exceed eligible benefits of two hundred dollars per month. The provision of this Subsection shall not be applicable to Subsection E.

* * *

E. Any health, hospital, or medical expense insurance policy, hospital or medical service contract, employee welfare benefit plan, health and accident insurance policy, or any other insurance contract of this type, including a group insurance plan, and a self-insurance plan that provides medical and surgical benefits for expenses incurred in the purchase of prescription drugs, which is delivered, issued for delivery, or renewed in this state on or after January 1, 2006, shall provide coverage for specialized infant formulas when such specialized formulas, as determined by a licensed physician, are medically necessary for the treatment of a disease or condition and are administered under the direction of a physician.

F. The provisions of Subsection (E) shall apply to any new policy, contract, program, or plan issued by an entity subject to the provisions of this Section on or after January 1, 2006. Any such policy, contract, program, or plan in effect prior to January 1, 2006 shall convert to the provisions of this Section on or before the renewal date thereof but in no event later than January 1, 2007."

AMENDMENT NO. 3

On page 1, line 6 change "Section 1." to "Section 2."

Rep. Farrar moved that the amendments proposed by the Senate be rejected.

(c) Any ancillary development or business resulting from the business, of which the authority is notified, within three years from the date that the business entered into commercial production, where the ancillary development or business continues the modernization of the project and results in an additional employment increase in this state of at least ten percent over the level of jobs maintained at the project site at the time of the ancillary development or an increase of at least ten percent over the level of jobs maintained at the project site at the time of the ancillary development by Louisiana residents in an adjoining state within the parameters set forth in R.S. 51:3052(2).

(d) Upon the recommendation of the governor and the executive director, the board of directors of the authority shall consider any project that will create at least five hundred permanent net new full-time jobs in this state, or an adjoining state, if the adjoining state falls within the parameters of R.S. 51:3052(2) and one-quarter of the jobs will be filled by Louisiana residents, and which meets the capital infrastructure investments and wage levels contained in Subparagraph (a) of this Paragraph.

(6) "Project area" means the project site, together with any area or territory within the state, or an adjoining state, within the parameters of R.S. 51:3052(2), lying within sixty-five miles of any portion of the project site. The project area shall also include all territory within a parish if any portion of such parish lies within sixty-five miles of any portion of the project site."

AMENDMENT NO. 8

On page 2, after line 23, insert the following:

"C. (1) The authority, through its board of directors, is hereby designated and empowered to act on behalf of the state in submitting project site proposals for any project eligible for assistance under this Chapter, which proposal shall be subject to approval by the legislature. Pursuant to this designation, the authority is empowered to take all steps appropriate or necessary to effect the siting, development, and operation of a project, within the State including the negotiation of a price for the site. If the state or an adjoining state within the parameters set forth in R.S. 51:3052(2) is selected as the preferred project site for the project, the authority is hereby designated and empowered to act on behalf of the state and to represent the state in the planning, financing, development, construction, and operation of the project or any facility related to the project, upon an affirmative vote of a majority of the board of directors and the concurrence of any affected public agency.

(2) The authority may take affirmative steps to coordinate fully all aspects of the submission of project site proposals for the project and, if the state, or an adjoining state, within the parameters set forth in R.S. 51:3053(2) is selected as the preferred site for the project, to coordinate fully, upon an affirmative vote of a majority of the board of directors and with the concurrence of the affected public agency, the development of the project or any facility related to the project with private business, the United States government, and other public agencies. All public agencies are encouraged to cooperate to the fullest extent possible to effectuate the duties of the authority; however, the development of the project or any facility related to the project by the authority may be undertaken only upon an affirmative vote of a majority of the board of directors and the concurrence of any affected public agency.

* * *

§3055. Functions and activities of the authority

The authority, by a majority vote of the members of the board of directors, may engage in whatever activities and projects it deems most appropriate to encourage and assist project site selection and other development of projects and facilities related to projects throughout the state or an adjoining state within the parameters set forth in R.S. 51:3052(2) and in doing so, may undertake the following functions:

* * *

(16) From and after the date of notification to the authority by the enterprise that the state or an adjoining state within the parameters set forth in R.S. 51:3052(2) has been finally selected as the site of the project, and subject to legislative approval, to acquire by expropriation and to own, maintain, use, operate and convey or otherwise dispose of, any and all property of any kind, real, personal or mixed, or any interest or estate therein, within the project area, necessary for the project or any facility related to the project, with the concurrence of any affected public agencies, and the exercise of the powers granted by this Chapter, according to the procedures provided by law; however, the authority shall not expropriate any property owned or operated by any entity subject to the jurisdiction of the Louisiana Public Service Commission or a similar body that regulates public utilities, or hydrocarbon transportation companies, except as otherwise provided by law.

* * *

(21) To develop plans for technology transfer activities to ensure private sector conduits for exchange of information, technology, and expertise related to the project to generate opportunities for commercial development within the state or an adjoining state within the parameters set forth in R.S. 51:3052(2)."

AMENDMENT NO.1

On page 1, delete lines 16 through 20 and on page 2, delete lines 1 through 3 and insert:

"A. The provisions of this Part shall not apply to gratuitous care provided by friends or members of the individual's family.

B. The provisions of this Part shall apply to all direct service workers employed by a licensed agency and who attend to individuals receiving state or federally funded home and community-based services. An individual being served shall meet the following criteria:

(1) Be eligible for care in an intermediate care facility for the mentally retarded or be eligible for care in a nursing facility but who has chosen to receive assistance in his residence.

(2) Is able to self-direct the services or resides in a residence where there is daily monitoring by a family member, a direct service worker or other health care provider.

(3) Has a current plan of care.

(4) Receives a periodic assessment by a registered nurse on at least a quarterly basis, unless it is determined by the registered nurse in collaboration with the individual's physician, that a less frequent assessment periodicity is appropriate and is based on the individual's health status."

AMENDMENT NO. 2

"A. In order to be authorized to perform the procedures specified in R.S. 37:1032, a direct service worker shall be employed by a licensed agency and shall receive the following training:

(1) All training required by agency licensing laws or the rules and regulations for participating in Medicaid reimbursement or the requirements of the state or federally funded home or community-based service.

(2) In order to administer medications, at least sixteen hours of fundamentals of medication administration training including, but not limited to, medication administration, handling and storage of medications, side effects and drug interactions. This training may be a part of the training required in Paragraph 1 of Subsection A of this Section.

(3) At least six hours of person-specific training from a registered nurse who has assessed the health status of the individual in the residence where the services are to be performed and determined that the direct service worker can perform the tasks in a safe, appropriate manner, with additional person-specific training by a registered nurse whenever the tasks to be performed or the types of medications to be administered are changed. Written documentation of training provided by the registered nurse shall be submitted to and maintained by the direct service worker's employing agency.

(4) Current Cardio-Pulmonary Resuscitation certification.

B. Any unlicensed person performing the procedures authorized by this Part on the effective date of this law shall complete the training required by this Section no later than twelve months after promulgation of the regulations required by this Part. Training specified in Subsection A of this Section shall be repeated if the registered nurse does not certify that the direct service worker has demonstrated a sufficient level of competency in subject matter."

AMENDMENT NO. 7

On page 3, delete lines 17 through 20 and insert the following:

"C. A direct service worker shall undergo an annual competency validation, specified in rules adopted by the Louisiana Board of Nursing and the Department of Health and Hospitals, performed by a registered nurse, to determine whether the direct service worker continues to perform the authorized, person-specific tasks appropriately. Documentation of the annual competency review provided by the registered nurse shall be submitted to and maintained by the direct service worker's employing agency."

"G. The provisions of this Section shall be in addition to any power or authority granted to any parish or political subdivision, board, district, or commission granted by law, including but not limited to R.S. 33:4169 (D), (E)(1) and (2), and (F). Furthermore, nothing contained in this Section shall be interpreted or construed to prevent any political subdivision otherwise empowered from exercising any power or authority granted at any time prior to or during either the design or construction phase of any facility described in this Section. Nor shall anything in this Section be interpreted or construed to prevent a party involved in the design or construction of any such facility from subsequently engaging in the operation or maintenance of the completed facility pursuant to a separate contractual agreement. No such exercise of power or authority and no such contract shall be exercised or entered into in violation of the provisions of Chapter 10 of Title 38 of the Louisiana Revised Statutes of 1950."

Gautreaux, Hollis, Jackson, Jones, Kostelka, Malone, Marionneaux, Michot, Murray, Nevers, Romero, Schedler, Shepherd, Smith and Theunissen to Reengrossed House Bill No. 842 by Representative Alario

AMENDMENT NO. 1

Delete Senate Floor Amendment No. 5 proposed by Senator Ellington and adopted by the Senate on June 20, 2005

AMENDMENT NO. 2

On page 27, between lines 23 and 24, insert the following:

"Section 10.

Payable out of State General Fund (Direct) to the TEACH Fund \$ 10,800,000

Section 11.

Payable out of the State General Fund by Statutory Dedications out of the TEACH Fund to the School and Community Support Program for a pay increase, including related benefits, for certain certificated personnel, in the event that House Bill No. 461 of the 2005 Regular Session of the Legislature, which establishes the TEACH Fund, is enacted into law \$ 12,500,000

Provided, however, that of the State General Fund by Statutory Dedications out of the TEACH Fund appropriated herein, \$10,350,000 shall be allocated to provide a one-time salary adjustment of \$530 unless the State Board of Elementary and Secondary Education implements this funding or the legislature appropriates this funding in Fiscal Year 2006-2007 including related benefits, to certificated personnel in those public school districts who would not have otherwise received the average \$530 pay increase pursuant to Senate Concurrent Resolution No. 125 of the 2005 Regular Session of the Louisiana Legislature. In the event that Senate Concurrent Resolution No. 125 of the 2005 Regular Session of the Louisiana Legislature is not approved by the Legislature, and the Minimum Foundation Program reverts to the formula prescribed by Senate Concurrent Resolution No. 122 of the 2004 Regular Session of the Louisiana Legislature, then the Department of Education shall distribute these funds accordingly.

Provided, further, that of the State General Fund by Statutory Dedications out of the TEACH Fund appropriated herein, \$450,000 shall be allocated to provide a uniform one-time salary supplement unless the Legislature appropriates the funding in the 2006-2007 Fiscal Year of \$530, including related benefits, to certificated personnel in the following entities: the LSU University Laboratory School; the Southern University Laboratory School; Type 2 Charter Schools; Type 5 Charter Schools; the Louisiana School for the Visually Impaired; the Louisiana School for the Deaf; the Louisiana Special Education Center; the Louisiana School for Math, Science and the Arts; the New Orleans Center for the Creative Arts-Riverfront; Special School Districts; and the Department of Public Safety and Corrections, Office of Youth Development.

Further, in the event that the official Fiscal Year 2005-2006 Revenue Estimating Conference forecast adopted after July 1, 2005, exceeds the official Fiscal Year 2005-2006 Revenue Estimating Conference forecast adopted on May 15, 2005, the initial \$12,500,000 in excess revenues recognized shall be dedicated as noted to accelerating payoff of the Unfunded Accrued Liability for the following: the Louisiana State Employees Retirement System, \$4,700,000; and the Teachers' Retirement System of Louisiana, \$7,800,000."

Rep. Alario moved that the amendments proposed by the Senate be rejected.
