B. Unless it is determined by the Department of Public Safety and Corrections, pursuant to rules adopted in accordance with the provisions of this Section, that a sexual offender is unable to pay all or any portion of such costs, each sexual offender to be electronically monitored shall pay the cost of such monitoring.

C. The costs attributable to the electronic monitoring of an offender who has been determined unable to pay shall be borne by the department if, and only to the degree that, sufficient funds are made available for such purpose whether by appropriation of state funds or from any other source. Only in the case that a sexual offender determined to be a sexually violent predator or a child sexual predator is unable to pay his own electronic monitoring costs, and there are no funds available to the department to pay for such monitoring, may the requirements of electronic monitoring be waived.

D. The Department of Public Safety and Corrections shall develop, adopt, and promulgate rules, in the manner provided in the Administrative Procedure Act, that provide for the payment of such costs. Such rules shall contain specific guidelines which shall be used to determine the ability of the offender to pay the required costs and shall establish the reasonable costs to be charged.
