"B. Competition between cable television, satellite, and other providers has promoted and continues to promote additional consumer choices for cable or video service and similar services, and the technology used to provide these services is not constrained or limited by local governmental subdivision boundaries. Accordingly, it is appropriate for the legislature of the state of Louisiana to review and update the policy of this state with regard to these services. The legislature of the state of Louisiana finds that revising the current system of regulation of these services will relieve consumers of unnecessary costs and burdens, encourage investment, and promote deployment of innovative offerings that provide competitive choices for consumers. Additionally, the legislature of the state of Louisiana finds that it is in the best interests of consumers for cable or video franchises to be non-exclusive and for requests for competitive cable or video franchises not to be unreasonably refused. The legislature of the state of Louisiana further finds that a streamlined policy framework providing statewide uniformity is necessary to allow these functionally equivalent services to compete fairly and to deploy new consumer services more quickly.

C. After the effective date of this Chapter, no local governmental subdivision may issue a cable or video franchise. A local governmental subdivision may continue to enforce existing cable or video franchises until they expire or are terminated pursuant to the provisions of this Chapter.

D. This Chapter occupies the entire field of franchising or otherwise regulating cable or video service and pre-empts any ordinance, resolution, or similar matter adopted by a local governmental subdivision that purports to address franchising or otherwise regulating cable or video service."

B. An incumbent provider of cable or video service exercising its termination option shall file a statement of termination with the secretary of state on a form as required by the secretary of state and submit copies of such filing with any affected local governmental subdivision.

A. Local governmental subdivisions shall be prohibited from imposing in-kind compensations and grants. Notwithstanding any other provision of law to the contrary, if a local government was receiving in-kind compensations or grants from an incumbent cable provider on the effective date of this Chapter, the holder of a state-issued certificate of franchise authority shall pay to each such local governmental subdivision in which the holder of a state-issued certificate of franchise authority is offering cable or video service fifteen cents per month for each subscriber served by the holder of a state-issued certificate of franchise authority within the municipality or unincorporated areas of the parish until the expiration date set forth in the incumbent cable service provider's franchise agreement that was in effect as of the effective date of this Chapter, at which time such payments shall end. If an incumbent cable service provider opts to apply for a state-issued certificate of franchise authority and terminate its existing franchise agreement with a local governmental subdivision, as provided in R.S. 45:1360, all holders of a state-issued certificate of franchise authority shall continue to make payments as provided in this Section until the date the incumbent cable service provider's franchise agreement would have expired had it not been terminated. Payments made pursuant to this Section shall be in lieu of any in-kind compensation and grants.

B. Payments under this Section shall be made in the same manner as and as a part of the certificate holder's payment of franchise fees pursuant to R.S. 45:1361, and all definitions, exemptions, and administrative provisions applicable to franchise fees shall apply to such payments.

C. The holder of a state-issued certificate of franchise authority may recover from the provider's customers any contributions or grants imposed by this Section.

D. All contributions or grants paid to local governmental subdivisions under this Section are paid in accordance with 47 U.S.C. § 531 and 541(a)(4)(B) and shall be used by the local governmental subdivision as allowed by federal law only to support the capital costs incurred for the construction and operation of public, educational, and governmental access channel content and facilities.

AMENDMENT NO. 18

On page 15, between lines 20 and 21, insert the following:

"§1371. Right to seek declaratory judgment; procedure; notice

A. Because the legislature finds and declares that questions of law may be raised by some persons with respect to the constitutionality of some of the provisions of the Competitive Cable and Video Services Act, the public welfare requires that such questions of law be resolved with expedition in order to avoid disruption of the orderly implementation of its provisions. Therefore, the legislature finds that the remedy of declaratory judgment, through the use of an expedited proceeding tried by priority and preference, to determine the constitutionality of the provisions of the Competitive Cable and Video Services Act should be immediately made available in order to avoid confusion by the public. Therefore, any domiciliary of this state may institute an action in the Nineteenth Judicial District Court seeking a declaratory judgment, through the use of a summary proceeding tried by priority and preference, to determine the constitutionality of the provisions of the Competitive Cable and Video Services Act. Any such proceeding shall be filed within ninety days following the effective date of this Chapter.

B. The attorney general and the secretary of state shall be served with a copy of the proceeding and be entitled to be heard. Any interested party may file a request for notice with the secretary of state within fifteen days following the effective date of this Chapter. Upon being served with a copy of any proceeding filed pursuant to this Section, the secretary of state shall forward a copy of the proceeding to any interested party who has filed such a request for notice. Any interested party shall be entitled to be heard at such proceeding.

C. In the interest of further expediting this procedure, the Nineteenth Judicial District Court, First Circuit Court of Appeal, and Louisiana Supreme Court are urged to minimize all unnecessary delays and may suspend all applicable rules of court in contravention hereof and for this limited purpose."

The motion shall set forth the facts sought to be proved by the member's testimony, the relevance of those facts to the proceeding, the basis for the mover's belief that the member has personal knowledge of those facts, and a statement as to why such testimony is not otherwise privileged under the privileges and immunities provision of Article III, Section 8 of the Louisiana Constitution. If the agency, subordinate presiding officer, or administrative law judge, as applicable, determines that the motion is well-founded, that denial of the motion may prejudice the case of the mover, and that the mover has made a sound argument supported in law and jurisprudence that the legislative privilege is inapplicable to the facts sought to be proved, the agency, subordinate presiding

officer, or administrative law judge, as applicable, shall order a hearing in accordance with Paragraph (2) of this Subsection.

(b)(i) Any subordinate presiding officer or administrative law judge on his own motion seeking to compel the attendance of a member of the Louisiana Legislature, in his capacity as a state lawmaker, as a witness or deponent in any administrative proceeding shall enter into the record his intent to compel such attendance. (ii) The agency, subordinate presiding officer, or administrative law judge shall appoint or otherwise arrange for another subordinate presiding officer or administrative law judge to conduct the hearing required in Paragraph (2) of this Subsection.

(2) Prior to the issuance of a subpoena commanding the appearance or testimony of a member of the legislature pursuant to Paragraph (1) of this Subsection, a hearing shall be conducted in accordance with the following provisions:

(a) Notice of the hearing must be provided to all parties, the member, and the attorney general. In the case of a member of the Louisiana House of Representatives, notice must also be made to the clerk of the House of Representatives and in the case of a member of the Louisiana Senate, notice must also be made upon the secretary of the Louisiana Senate at their respective offices in the State Capitol building.

(b) Notice may be served by sheriff or by certified mail, return receipt requested, a minimum of fifteen days prior to the date of the hearing.

(c) The content of the notice shall include the facts sought to be proved by the member's testimony, the relevance of those facts to the proceeding, the basis for the belief that the member has personal knowledge of those facts, and a supported statement as to why such testimony is not otherwise privileged under the privileges and immunities provision of Article III, Section 8 of the Louisiana Constitution.

(d) At the hearing, the member or attorney general or both may question the requesting party regarding the content of the notice and may present evidence or argument in opposition to the issuance of a subpoena or other order compelling discovery.

(e) The provisions of R.S. 13:3667.1 shall apply to the scheduling of the hearing and all other administrative proceedings.

(3) After the hearing, if the subordinate presiding officer or administrative law judge, as applicable, determines that the member's testimony is necessary to the proceeding and that the testimony is not privileged, he shall issue the subpoena or order.
