HOUSE BILL NO. 699—

BY REPRESENTATIVE MONTGOMERY

AN ACT

To enact Chapter 10-A of Title 45 of the Louisiana Revised Statutes of 1950, to be comprised of R.S. 45:1356 through 1368, relative to cable services; to create the "Competitive Cable and Video Services Act"; to provide guidelines for cable and video services; to provide for certificate of franchise authority to be distributed by the secretary of state; to provide for franchise fees associated with cable or video services; to provide for franchise fee audits and dispute resolutions; to provide for the distribution of these fees; to provide for a prohibition against build-out requirements; to authorize a local governmental subdivision to regulate a certificate holder; to prohibit discrimination with regards to cable or video services; to provide for public, educational, and governmental access channels; and to provide for related matters.

Read by title.

The above bill was taken up with the amendments proposed by the Senate.

SENATE COMMITTEE AMENDMENTS

Amendments proposed by Senate Committee on Commerce, Consumer Protection and International Affairs to Engrossed House Bill No. 699 by Representative Montgomery

AMENDMENT NO. 1

On page 1, line 11, after "channels;" insert "to provide for opt-in procedures; to provide for in-kind contributions; to provide for declaratory judgment;"

AMENDMENT NO. 2

On page 1, line 3, change "1368" to "1371"

AMENDMENT NO. 3

On page 1, line 15, change "1368" to "1371"

AMENDMENT NO. 4

On page 1, at the beginning of line 21, before "The Legislature"

AMENDMENT NO. 5

On page 2, between lines 3 and 4, insert the following:

"B. Competition between cable television, satellite, and other providers has promoted and continues to promote additional consumer choices for cable or video service and similar services, and the technology used to provide these services is not constrained or limited by local governmental subdivision boundaries. Accordingly, it is appropriate for the legislature of the state of Louisiana to review and update the policy of this state with regard to these services. The legislature of the state of Louisiana finds that revising the current system of regulation of these services will relieve consumers of unnecessary costs and burdens, encourage investment, and promote deployment of innovative offerings that provide competitive choices for consumers. Additionally, the legislature of the state of Louisiana finds that it is in the best interests of consumers for cable or video franchises to be non-exclusive and for requests for competitive cable or video franchises not to be unreasonably refused. The legislature of the state of Louisiana further finds that a streamlined policy framework providing statewide uniformity is necessary to allow these functionally equivalent services to compete fairly and to deploy new consumer services more quickly."

C. After the effective date of this Chapter, no local governmental subdivision may issue a cable or video franchise. A local governmental subdivision may continue to enforce existing cable or video franchises until they expire or are terminated pursuant to the provisions of this Chapter.

D. This Chapter occupies the entire field of franchising or otherwise regulating cable or video service and pre-empts any ordinance, resolution, or similar matter adopted by a local governmental subdivision that purports to address franchising or otherwise regulating cable or video service.

AMENDMENT NO. 6

On page 5, line 17, after "Section." delete the remainder of the line and delete lines 18 through 24 in their entirety.

B. An incumbent provider of cable or video service exercising its termination option shall file a statement of termination with the secretary of state on a form as required by the secretary of state and submit copies of such filing with any affected local governmental subdivision.

C. Termination of existing franchises is effective immediately upon issuance of a certificate of state franchise issued by the secretary of state.

A. Local governmental subdivisions shall be prohibited from imposing in-kind compensations and grants. Notwithstanding any other provision of law to the contrary, if a local government was receiving in-kind compensation or grants from an incumbent cable service provider on the effective date of this Chapter, the holder of a state-issued certificate of franchise authority shall pay to each such local governmental subdivision in which the holder of a state-issued certificate of franchise authority is offering cable or video service fifteen cents per month for each subscriber served by the holder of a state-issued certificate of franchise authority within the municipality or unincorporated areas of the parish until the expiration date set forth in the incumbent cable service provider’s franchise agreement that was in effect as of the effective date of this Chapter, at which time such payments shall end. If an incumbent cable service provider opts to apply for a state-issued certificate of franchise authority and terminate its existing franchise agreement with a local governmental subdivision, as provided in R.S. 45:1360, all holders of a state-issued certificate of franchise authority shall continue to make payments as provided in this Section until the date the incumbent cable service provider’s franchise agreement would have expired had it not been terminated. Payments made pursuant to this Section shall be in lieu of any in-kind compensation and grants.

B. Payments under this Section shall be made in the same manner as and as a part of the certificate holder’s payment of franchise fees pursuant to R.S. 45:1361, and all definitions, exemptions, and administrative provisions applicable to franchise fees shall apply to such payments.

C. The holder of a state-issued certificate of franchise authority may recover from the provider’s customers any contributions or grants imposed by this Section.

D. All contributions or grants paid to local governmental subdivisions under this Section are paid in accordance with 47 U.S.C. § 531 and 541(a)(4)(B) and shall be used by the local governmental subdivision as allowed by federal law only to support the capital costs incurred for the construction and operation of public, educational, and governmental access channel content and facilities.

On page 15, line 14, change “§1368.” to “§1369.”

AMENDMENT NO. 18
On page 15, between lines 20 and 21, insert the following:

§1371. Right to seek declaratory judgment; procedure; notice

A. Because the legislature finds and declares that questions of law may be raised by some persons with respect to the constitutionality of some of the provisions of the Competitive Cable and Video Services Act, the public welfare requires that such questions of law be resolved with expedition in order to avoid disruption of the orderly implementation of its provisions. Therefore, the legislature finds that the remedy of declaratory judgment, through the use of an expedited proceeding tried by priority and preference, to determine the constitutionality of the provisions of the Competitive Cable and Video Services Act should be immediately made available in order to avoid confusion by the public. Therefore, any domiciliary of this state may institute an action in the Nineteenth Judicial District Court seeking a declaratory judgment, through the use of an expedited proceeding tried by priority and preference, to determine the constitutionality of the provisions of the Competitive Cable and Video Services Act. Any such proceeding shall be filed within ninety days following the effective date of this Chapter.

B. The attorney general and the secretary of state shall be served with a copy of the proceeding and be entitled to be heard. Any interested party may file a request for notice with the secretary of state within fifteen days following the effective date of this Chapter. Upon being served with a copy of any proceeding filed pursuant to this Section, the secretary of state shall forward a copy of the proceeding to any interested party who has filed such a request for notice. Any interested party shall be entitled to be heard at such proceeding.

C. In the interest of further expediting this procedure, the Nineteenth Judicial District Court, First Circuit Court of Appeal, and Louisiana Supreme Court are urged to minimize all unnecessary delays and may suspend all applicable rules of court in contravention hereof and for this limited purpose.

Constitution.

(ii) The agency, subordinate presiding officer, or administrative
law judge shall appoint or otherwise arrange for another subordinate
presiding officer or administrative law judge to conduct the hearing
required in Paragraph (2) of this Subsection.

(2) Prior to the issuance of a subpoena commanding the
appearance or testimony of a member of the legislature pursuant to
Paragraph (1) of this Subsection, a hearing shall be conducted in
accordance with the following provisions:

(a) Notice of the hearing must be provided to all parties, the
member, and the attorney general. In the case of a member of the
Louisiana House of Representatives, notice must also be made to the
clerk of the House of Representatives and in the case of a member of

receipt requested, a minimum of fifteen days prior to the date of the
hearing.

(c) The content of the notice shall include the facts sought to be
proved by the member’s testimony, the relevance of those facts to the
proceeding, the basis for the belief that the member has personal
knowledge of those facts, and a statement as to why such
testimony is not otherwise privileged under the privileges and
immunities provision of Article III, Section 8 of the Louisiana

(d) At the hearing, the member or attorney general or both may
question the requesting party regarding the content of the notice and
may present evidence or argument in opposition to the issuance of a

testimony is necessary to the proceeding and that the testimony is not
privileged, he shall issue the subpoena or order. The member or the
attorney general may apply directly to the Supreme Court of

deponent in any administrative proceeding which is not issued in
strict conformity with the provisions of this Subsection is void ab
initio.
