§1420.16. Special district in Jefferson Parish

A. Creation. The governing authority of the parish of Jefferson is hereby authorized pursuant to this Part and more specifically by this Section to create, by ordinance, a special taxing district and political subdivision of the state, referred to in this Section as the "district."

B. Boundaries. The district shall be comprised of the property bounded by the Westbank Expressway in Jefferson Parish, Highway 23, the Plaquemines Parish line, and the Orleans Parish line.

The district shall be established for the primary purpose of promoting, encouraging, and participating in infrastructure improvements to stimulate the economy through commerce, industry, and research and for the utilization and development of natural, physical, and human resources of the area.

D. Rights and powers. The district, acting by and through the Jefferson Parish Council, referred to in this Section as the "board" shall have and exercise all powers of a political subdivision necessary or convenient for the carrying out of its objects and purposes, including but not limited to the following:

(1) To sue and to be sued.

(2) To adopt bylaws and rules and regulations.

(3) To receive by gift, grant, donation, or otherwise any sum of money, property, aid, or assistance from the United States, the state of Louisiana, or any political subdivision thereof, or any person, firm, or corporation.

(8) To establish such funds or accounts as are necessary for the conduct of the affairs of the district.

E.(1) In addition to any other authority provided for in this Section and pursuant to a cooperative endeavor agreement, the district may issue revenue bonds payable solely from an irrevocable pledge and dedication of up to the full amount of any sales tax increments designated by the board to finance or refinance or to pay all or a portion of the costs of projects located within the district which will result in economic development or the maintenance of existing jobs or will achieve other economic goals that will benefit the parish of Jefferson. The district may also utilize any sales tax increments designated by the board for any authorized purpose of the district.

(2)(a) A sales tax increment may consist of that portion of state sales tax revenues of the state of Louisiana and any political subdivision whose boundaries are coterminous with those of the state collected each year on the sale at retail, the use, the lease or rental, the consumption, and storage for use or consumption of tangible personal property and on sales of services, all as defined in R.S. 47:301 et seq., or any other applicable provision of law, as amended, from taxpayers located within the district which exceeds the sales tax revenues that were collected by such taxing authorities in the year immediately prior to the year of establishment of the district.

(ii) The initial annual baseline collection rate and the monthly baseline collection rate shall be certified by the chief financial officer of Jefferson Parish. The certification shall also be published one time in the official journal of Jefferson Parish.

SENATE FLOOR AMENDMENTS

Amendments proposed by Senator Hines to Reengrossed House Bill No. 366 by Representative Townsend

AMENDMENT NO. 1

On page 1, line 2, between "1226.6(A)" and the comma "," insert "and to enact R.S. 47:6026"

AMENDMENT NO. 2

On page 1, line 5, after "zone;" insert the following:

"to authorize Cane River Heritage Area tax credits; to provide for certain definitions; to provide relative to applications for credits; to authorize the Department of Culture, Recreation and Tourism to enter into certain contracts; to provide relative to certain requirements and limitations relative to such tax credits;"

AMENDMENT NO. 3

On page 2, after line 23, insert the following:

"Section 2. R.S. 47:6026 is hereby enacted to read as follows:

§6026. Cane River Heritage Tax Credit

A. Purpose. The unique, nationally significant cultural, historic, natural, and scenic resources of the Cane River Heritage Area should be utilized in a sustainable manner to their maximum potential in order to improve the quality of life of the inhabitants of the region. Many of the tax incentive and capital access programs administered by the Department of Economic Development do not target heritage-based businesses located in the trace area. The primary purpose of this Section is to assist individuals and businesses engaged in heritage-based commercial activities in obtaining capital and tax incentives.

B. Definitions. For the purposes of this Section, the following terms shall have the meanings ascribed to them unless the context clearly indicates otherwise:

(1) "Cultural heritage" means those qualities that capture the traditions, customs, beliefs, history, folklore, lifeways, and material culture of the Cane River Heritage Area.

(2) "Department" means the Department of Culture, Recreation and Tourism.

(3) "Development zone" means the Cane River Heritage Area Development Zone.

(4) "Heritage-based cottage industry" means a small business with no more than twenty full- or part-time employees or an individual who is sustainably harnessing the Cane River Heritage Area’s cultural heritage and natural heritage resources for purposes which include interpreting, accessing, developing, promoting, or reinforcing the unique character and characteristics of the heritage area. "Heritage-based cottage industries" shall include lodging, including bed and breakfasts, camping, houseboats, and recreational vehicle facilities; museums, including living museums and interpretive facilities; artists and craftmakers of authentic or locally made products; authentic food packaging, production, and harvesting; music production and instrument making; historic homes, house museums, and historic sites; boat, canoe, kayak, and bicycle rentals; wild and scenic sites; hunting, fishing, and birding guide services; tour planning and cultural guide services; swamp tours, airboat tours,
helicopter tours, plane tours, and balloon tours; retail facilities of authentic products; and agricultural tours. "Heritage-based cottage industry" shall not include hotels, motels, restaurants, gaming facilities, churches, and housing. In order to qualify as a heritage-based cottage industry, for purposes of this Section, the owner of the business must be a resident of the heritage area development zone.

(5) "Natural heritage" means one of those qualities that capture the environmental features of the Cane River Heritage Area, including man-made and natural resources and wildlife.

(6) "Small business" means a business with no more than twenty full- or part-time employees.

C. (1) There shall be allowed a credit against any Louisiana income or corporation franchise taxes for a heritage-based cottage industry located or to be located in the development zone. The Department of Culture, Recreation and Tourism may enter into contracts for periods not exceeding five years with a heritage-based cottage industry in order to facilitate the tax credits authorized by this Section. The contract shall be granted for any exemptions or credits which are not directly related to the concern located within the development zone, and no tax exemption or credit shall be granted for any tax or portion of a tax applicable to operations or activities of a concern located outside of the development zone.

(2) Applications for contracts of exemption or credit shall be submitted to the department. The department shall evaluate applications to determine whether the requirements for a contract have been satisfied. The Department of Revenue shall aid the department in determining whether the tax information furnished by the applicant is true and correct. The Department of Labor shall aid the department in verifying employment data.

D. (1) Whenever the secretary of the department finds that a concern satisfies the requirements of this Section, he shall certify the application.

(2) The tax credit authorized by the provisions of this Section shall be for an amount of up to one thousand five hundred dollars, which may be used against the tax liability for state income and corporation franchise taxes related to the operations of the cottage industry within the development zone.

(3) In addition, the department may also enter into contracts with eligible cottage industries for a one thousand five hundred dollar tax credit per new employee hired during the taxable year for which the credit is claimed. In order to qualify for this credit, the applicant must have net new hires of one full-time employee or two part-time employees. A full-time employee is a person employed for at least thirty-two hours per week. A part-time employee is a person employed for at least twenty hours per week. In order to qualify as a new hire for purposes of this credit, the employee must have been a resident of the heritage area development zone for at least thirty days prior to employment. The credit may be apportioned to any state income tax liability or any state corporate franchise tax liability, but shall not be applied to any liabilities for penalty or interest due or outstanding at the time the credit is generated. This credit shall be applicable only to a position that did not previously exist in the business and that is filled by a resident of the development zone who is performing duties in connection with the operation of the business as a regular, full-time employee.

(4) Taxpayers who are awarded credits pursuant to the provisions of this Section in excess of their income and corporation franchise tax liability may carry forward their unused credits for no more than ten years from the date the credit was originally awarded.

(5) Application of credits.

A financing statement sufficiently indicates the collateral that it
covers if the financing statement provides:

    *    *    *
§9-510. Financing statement

(a) Consumer goods. A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(1) Except as otherwise provided in subsection (a)(2), acceptance of the record by the filing office described in R.S. 10:9-501(a)(3), the secured party instead shall release the security interest in the manner provided by R.S. 34:852.1 et seq. If the financing statement was filed in the filing office described in R.S. 10:9-501(a)(3), the secured party instead shall release the security interest in the manner provided by R.S. 34:852.1 et seq.

(2) the debtor did not authorize the filing of the initial financing statement. However, if the financing statement was filed in the filing office described in R.S. 10:9-501(a)(1), the secured party instead shall release the security interest in the manner provided by R.S. 32:701 et seq. If the financing statement was filed in the filing office described in R.S. 10:9-501(a)(3), the secured party instead shall release the security interest in the manner provided by R.S. 34:852.1 et seq.

§9-513. Termination statement

(a) Consumer goods. A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(1) Except as otherwise provided in subsection (a)(2), acceptance of the record by the filing office constitutes filing.

(2) A financing statement covering a titled motor vehicle not held as inventory for sale or lease is filed when received provided the receipt is subsequently validated by the secretary of the Department of Public Safety and Corrections, office of motor vehicles.

(3) A financing statement covering a titled vessel not held as inventory for sale or lease is filed when received provided the receipt is subsequently validated by the Department of Wildlife and Fisheries.

§9-514. Numbering, maintaining, and indexing records; communicating information provided in records

(i) Inapplicability to Department of Public Safety and Corrections and Department of Wildlife and Fisheries. Subsections (a)(4) and (c) through (f) do not apply to the Department of Public Safety and Corrections, office of motor vehicles, or to the Department of Wildlife and Fisheries.

§9-519. Numbering, maintaining, and indexing records; communicating information provided in records

§9-506. Effect of errors or omissions

If a search of the records of the office of the secretary of state or the Department of Public Safety and Corrections, office of motor vehicles, or of the records of the Department of Wildlife and Fisheries, as applicable, under the debtor's correct name, using that office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with R.S. 10:9-503(a), the name provided does not make the financing statement seriously misleading.

§9-515. Duration and effectiveness of financing statement; effect of lapsed financing statement

(2) A financing statement covering a titled motor vehicle not held as inventory for sale or lease is filed when received provided the receipt is subsequently validated by the secretary of the Department of Public Safety and Corrections, office of motor vehicles.

(3) A financing statement covering a titled vessel not held as inventory for sale or lease is filed when received provided the receipt is subsequently validated by the Department of Wildlife and Fisheries.

(1) consistent with this Chapter; and

This Subsection shall not apply to an insurer that ceases writing homeowner's insurance or to policy deductibles increased for all homeowners policies in the state.

(2) For any policy holder who has continuous homeowner's coverage with an insurer for a period of three years, any replacement policy or any change or transfer of a policy covering one dwelling to insure another dwelling owned by such policy holder shall not constitute or be treated as the issuance of a new policy regardless of the change in policy identification information. For purposes of determining the period of coverage, including whether such policy holder's coverage is required to be continued with such insurer, the time period in each dwelling insured with such company shall be aggregated.

C. This provision will apply if and only if on December 16, 17, and 18, 2005 during the time period provided for in Paragraph (B)(1) of this Section, one of the following occurs:

1. Title to or possession of an item of tangible personal property is transferred from a selling dealer to a purchaser.

2. A customer selects an eligible item from the selling dealer's inventory for layaway that is physically set aside in the selling dealer's inventory for future delivery to that customer.

3. The customer makes final payment and withdraws an item from layaway that might have been placed before December 16, 17, and 18, 2005 the time period provided for in Paragraph (B)(1) of this Section.

4. The customer orders and pays for an eligible item and the selling dealer accepts the order for immediate shipment, even if delivery is made after December 16, 17, and 18, 2005 the time period provided for in Paragraph (B)(1) of this Section, provided that the customer has not requested delayed shipment.

D. Eligible items that customers purchase on December 16, 17, and 18, 2005 during the time period provided for in Paragraph (B)(1) of this Section with "rain checks" will qualify for exemption, regardless of when the "rain checks" were issued. However, issuance of "rain checks" during the exemption period will not qualify items for exemption if the otherwise eligible items are actually purchased after December 18, 2005 the time period provided for in Paragraph (B)(1) of this Section.

E.(1) When a customer purchases an eligible item on December 16, 17, and 18, 2005 during the time period provided for in Paragraph (B)(1) of this Section and exchanges the item without additional cash consideration after December 18, 2005, such time period for an essentially identical item of different size, color, or other feature, no additional tax is due.

(2) When a customer after December 18, 2005 the time period provided for in Paragraph (B)(1) of this Section, returns an eligible item that was purchased on December 16, 17, and 18, 2005 during such time period and receives credit on the purchase of a different item, the appropriate sales tax is due on the purchase of the new item.

F. Articles that are normally sold as a unit must continue to be sold in that manner and cannot be priced separately in order to bring the individual items below the two thousand five hundred dollar eligibility threshold. Items that are advertised as "buy one, get one at a reduced price" cannot be averaged in order for both items to fall under the two thousand five hundred dollar eligibility threshold.

G. For a sixty-day period after December 18, 2005 the time period provided for in Paragraph (B)(1) of this Section, when a customer returns an item that would qualify for an exemption, no credit or refunds of sales tax shall be given unless the customer provides a receipt or invoice that shows that the state sales tax was paid, or the retailer has sufficient documentation that shows that the tax was paid on the specific item. This sixty-day period is not intended to change a dealer's policy concerning the time period during which returns will be accepted.

H.(4) Notwithstanding any other provision of law to the contrary, the sales tax levied by the state of Louisiana and its political subdivisions whose boundaries are coterminous with those of the state shall not apply to the first two thousand five hundred dollars of the sales price or cost price of any purchases of tangible personal property by businesses located in a Hurricane Katrina or Hurricane Rita Federal Emergency Management Agency Individual Assistance Area that occur on December 16, 17, and 18, 2005.

(2) This Subsection shall only apply to purchases of tangible personal property that will replace property damaged, destroyed, or lost as a result of the conditions created by Hurricane Katrina or Hurricane Rita.

(2) No business shall be entitled to purchase tangible personal property under this Section without the payment of tax before applying for and receiving from the secretary of the Department of Revenue a Sales Tax Holiday Exemption Certificate.

(4) The secretary of the Department of Revenue shall issue Sales Tax Holiday Exemption Certificates to business applicants that meet all of the following criteria:

(a) The business is located in a Hurricane Katrina or Hurricane Rita Federal Emergency Management Agency Individual Assistance Area.

(b) The business had property that was damaged, destroyed, or lost as a result of the conditions created by Hurricane Katrina or Hurricane Rita.

8. To incur debt and issue bonds, notes, certificates, and other evidences of indebtedness, when authorized to do so by ordinance of the municipal governing authority. The district shall be deemed to be an issuer for purposes of R.S. 33:9037, and the issuance of bonds shall be subject to the provisions of R.S. 33:9037.

9. To establish such funds or accounts as are necessary for the conduct of the affairs of the district.

The tax shall be in addition to all other taxes levied by any other taxing authority on the occupancy of hotel rooms within the district, whether by sales and use tax, hotel or motel occupancy tax, or otherwise. The rate of the tax shall not exceed the lesser of the aggregate rate of all taxes levied and collected, now or in the future by any other taxing authority without regard to the tax authorized by this Act, on the occupancy of hotel rooms within the district or seven percent. (3) It is hereby recognized that without the accomplishment of the purposes of the district that there would be no collection of a hotel occupancy tax by any taxing authority within the district. Accordingly, if the district elects to levy and collect the tax authorized in this Act, such levy shall not supersede or be in lieu of any other tax on hotel occupancy within the district, whether by sales and use tax, hotel or motel occupancy tax, or otherwise, but shall be in addition to any such tax within the municipality levied by the state of Louisiana, local governmental subdivisions, and other political subdivisions or special taxing districts.

G. (1) The district may issue revenue bonds payable from an irrevocable pledge and dedication of all or any part of the revenues of the tax authorized by this Act in order to finance or refinance the purposes of the district.

(2) However, the revenue bonds shall not be sold to public economic development groups.

(3) The dedication of the tax authorized hereby to retire the revenue bonds shall not impair existing obligations of the district.

H. The tax authorized hereby shall cease to be levied by the district one year after the earlier of seven years after the effective date of the ordinance of the municipality authorizing the levy of the tax or the date that all debt incurred under the authority of the provisions of this Act has been paid in full as to principal and interest. Upon the cessation of the levy of such tax, any remaining funds shall be transferred by the district to the municipality.

I. Nothing contained in this Act shall authorize the municipality to guarantee any bonds or other evidence of indebtedness authorized hereby, and the bonds or other evidences of indebtedness authorized by this Act shall never be paid or payable from any municipal or other funds except as expressly authorized by this Act.

J. This Section shall be strictly construed to effect the purposes thereof.

Section 3. R.S. 33:9038.53 is hereby repealed.

(i) The temporary teacher deduction.

* * *

(7) "Tax table income", for nonresident individuals, means the amount of Louisiana income, as provided in this Part, allocated and apportioned under the provisions of R.S. 47:241 through 247, plus the total amount of the personal exemptions and deductions already included in the tax tables promulgated by the secretary under authority of R.S. 47:295, less the proportionate amount of the federal income tax liability, the temporary teacher deduction, the exclusion provided for in R.S. 47:297.3 for S Bank shareholders, the deduction for expenses disallowed by I.R.C. Section 280C, and personal exemptions and deductions provided for in R.S. 47:294. The proportionate amount is to be determined by the ratio of Louisiana income to federal adjusted gross income. When federal adjusted gross income is less than Louisiana income, the ratio shall be one hundred percent."

AMENDMENT NO. 3

AMENDMENT NO. 4
On page 3, between lines 3 and 4 insert the following:

“§6026. Student career option tax credits

A.(1) The legislature hereby determines that a major impediment to the economy of the state is the lack of an adequate number of people in the workforce with sufficient education and work skills to find and keep good paying jobs already present and those that would be here if more of the workforce was of higher quality. Further, the legislature finds that the availability of a tax credit which provides an incentive for manufacturing/industry-related businesses to employ junior and senior high school students will be a step toward providing such a workforce. It also will benefit the students by increasing the completion of related course work, improving school and work attendance, and leading to higher high school graduation rates. Work based learning will increase employment of Louisiana’s young people in high-skill, high wage jobs that will enable them to form families, live good lives, and contribute to their communities.

(2) The legislature hereby determines that the availability of a tax credit which provides an incentive for appropriate businesses to employ students with disabilities will further the important goal of assuring such children a means to lead happy, independent lives.”
B. Definitions. For purposes of this Section, the following terms shall have the following definitions:

(1) “Student with disabilities” means an individual who is experiencing developmental delays, as measured by appropriate diagnostic instruments and procedures, in one or more of the areas of cognitive development, physical development, communication development, social or emotional development, and adaptive development, or who has a diagnosed physical or mental condition which results in developmental delay.

(2) “Superintendent” means the superintendent elected by each city, parish, or other local school board.

C. (1) Qualified taxpayers shall be allowed a non-refundable student career option tax credit against any Louisiana individual or corporation income or corporation income or franchise tax for fifty percent of up to two thousand five hundred dollars of wages paid to each eligible student career option employee, all as provided for in this Section.

(2)(a) An eligible student career option employee means a junior or senior high school student or a student with disabilities employed under a work-based learning agreement between a high school and the taxpayer pursuant to an approved career and technical education program in the student’s area of concentration offered by the high school under the High School Career Option Law provided for in Subpart A-1 of Part III of Chapter 1 of Title 17 of the Louisiana Revised Statutes of 1950, which agreement provides the student with employment in any appropriate business in the student’s area of concentration proposed by the superintendent and approved by the Louisiana Department of Education.

(b)(i) The work-based learning agreement shall provide that the student employee shall be employed for a minimum of fifteen hours each week at a wage which shall not be less than one and two-tenths times the federal minimum hourly wage, and which employment agreement will be entered into only if approved by the superintendent.

(ii) Each work-based learning agreement shall contain such identifying data which the Department of Revenue determines by rule is sufficient to determine the taxpayer’s eligibility for and amount of the tax credit.

D. A credit shall be granted to a taxpayer for wages paid to an eligible student career option employee until the taxpayer is notified in writing by a certified work-based teacher-coordinator or the superintendent that the student employee is not complying with the academic requirements of the career and technical education program.

E. The credits provided for in this Section shall be allowed against income tax or corporate franchise tax for the taxable period in which the credit is earned. If the tax credit exceeds the amount of such taxes due, then any unused credit may be carried forward as a credit against subsequent tax liability for a period not to exceed ten years.

F. Notwithstanding anything to the contrary in either Chapter 1 or Chapter 5 of Subtitle II of this Title 47, as amended, the following rules shall apply with respect to the application of the credit established in Subsection A of this Section:

(1) The credit for taxes paid by or on behalf of a corporation shall be applied against Louisiana corporate income and corporation franchise taxes of such corporation.

(2) The credit for taxes paid by an individual shall be applied against Louisiana personal income taxes.

(3) The credit for taxes paid by or on behalf of a corporation classified under Subchapter S of the Internal Revenue Code of 1954, as amended, as an S corporation shall be applied first against any Louisiana corporate income and corporation franchise taxes due by such S corporation, and the remainder of any such credit shall be allocated to the shareholder or shareholders of such S corporation in accordance with their respective interests and applied against the Louisiana income tax of such shareholder or shareholders of the S corporation.

(4) The credit for taxes paid by or on behalf of a partnership shall be allocated to the partners according to their distributive shares of partnership gross income and applied against any Louisiana income tax and corporation franchise tax liability of such partners.

(5) The character of the credit for taxes paid by or on behalf of a partnership or S corporation and allocated to the partners or shareholders, respectively, of such partnership or S corporation, shall be determined as if such credit were incurred by such partners or shareholders, as the case may be, in the same manner as incurred by the partnership or S corporation, as the case may be.

(6) The credit for taxes paid by an estate or trust shall be applied against the Louisiana income tax imposed on estates and trusts.

G. The Department of Education in consultation with the Department of Revenue shall promulgate rules and regulations to carry out the purposes of this Section.

Section 2. The provisions of this Act shall be applicable to wages paid to eligible student career option employees for the 2007-2008 school year and thereafter.”

AMENDMENT NO. 4
On page 7, between lines 19 and 20 insert the following:

“§6026. Student career option tax credits

A. (1) The legislature hereby determines that a major impediment to the economy of the state is the lack of an adequate number of people in the workforce with sufficient education and work skills to find and keep good paying jobs already present and those that would be here if more of the workforce was of higher quality. Further, the legislature finds that the availability of a tax credit which provides an incentive for manufacturing/industry-related businesses to employ junior and senior high school students will be a step toward providing such a workforce. It also will benefit the students by increasing the completion of related course work, improving school and work attendance, and leading to higher high school graduation rates. Work based learning will increase employment of Louisiana’s young people in high-skill, high wage jobs that will enable them to form families, live good lives, and contribute to their communities.

(2) The legislature hereby determines that the availability of a tax credit which provides an incentive for appropriate businesses to employ students with disabilities will further the important goal of assuring such children a means to lead happy, independent lives.

B. Definitions. For purposes of this Section, the following terms shall have the following definitions:

(1) “Student with disabilities” means an individual who is experiencing developmental delays, as measured by appropriate diagnostic instruments and procedures, in one or more of the areas of cognitive development, physical development, communication development, social or emotional development, and adaptive development, or who has a diagnosed physical or mental condition which results in developmental delay.

(2) “Superintendent” means the superintendent elected by each city, parish, or other local school board.

C. (1) Qualified taxpayers shall be allowed a non-refundable student career option tax credit against any Louisiana individual or corporation income tax or corporation franchise tax for fifty percent of up to two thousand five hundred dollars of wages paid to each eligible student career option employee, all as provided for in this Section.

(ii) Each work-based learning agreement shall contain such identifying data which the Department of Revenue determines by rule is sufficient to determine the taxpayer’s eligibility for and amount of the tax credit.

D. A credit shall be granted to a taxpayer for wages paid to an eligible student career option employee until the taxpayer is notified in writing by a certified work-based teacher-coordinator or the superintendent that the student employee is not complying with the academic requirements of the career and technical education program.

E. The credits provided for in this Section shall be allowed against income tax or corporate franchise tax for the taxable period in which the credit is earned. If the tax credit exceeds the amount of such taxes due, then any unused credit may be carried forward as a credit against subsequent tax liability for a period not to exceed ten years.

F. Notwithstanding anything to the contrary in either Chapter 1 or Chapter 5 of Subtitle II of Title 47, as amended, the following rules shall apply with respect to the application of the credit established in Subsection A of this Section:

(1) The credit for taxes paid by or on behalf of a corporation shall be applied against Louisiana corporate income and corporation franchise taxes of such corporation.

(2) The credit for taxes paid by an individual shall be applied against Louisiana personal income taxes.

(3) The credit for taxes paid by or on behalf of a corporation classified under Subchapter S of the Internal Revenue Code of 1954, as amended, as an S corporation shall be applied first against any Louisiana corporate income and corporation franchise taxes due by such S corporation, and the remainder of any such credit shall be allocated to the shareholder or shareholders of such S corporation in accordance with their respective interests and applied against the Louisiana income tax of such shareholder or shareholders of the S corporation.

(4) The credit for taxes paid by or on behalf of a partnership shall be allocated to the partners according to their distributive shares of partnership gross income and applied against any Louisiana income tax and corporation franchise tax liability of such partners.

§1299.35.6. Woman's Right To Know

A. Legislative findings and purposes. The Legislature of Louisiana finds that:

* * * *

(5) Based on the above findings, it is the purpose of this Act to:

* * * *

(d) Ensure that every woman considering an abortion receive complete information regarding the availability of anesthesia or analgesics that would eliminate or alleviate organic pain to the unborn child that could be caused by the particular method of abortion to be employed.

B. Informed consent; requirements. After a woman is determined to be pregnant, no abortion shall be performed or induced without the voluntary and informed consent of the woman upon whom the abortion is to be performed or induced. Except in the case of a medical emergency, consent to an abortion is voluntary and informed if and only if:

(1) At least twenty-four hours before the abortion, the physician who is to perform the abortion or the referring physician has informed the woman, orally and in person, of:

* * * *

(g) The availability of anesthesia or analgesics to alleviate or eliminate organic pain to the unborn child that could be caused by the method of abortion to be employed.

(2) The option of reviewing and receiving an explanation of an obstetric ultrasound image of the unborn child. Nothing contained in this Subparagraph shall require a woman to view or receive an explanation of the obstetric ultrasound images. Neither the physician or the woman shall be penalized should the woman choose not to view or receive an explanation of the obstetric ultrasound images.

* * * *

C.(1) Publication of materials. The Department of Health and Hospitals shall cause to be published in English, within ninety days after June 20, 1995, and shall update on an annual basis, the following easily comprehensible printed materials:
(a) Geographically indexed materials designed to inform the woman of public and private agencies and services available to assist a woman through pregnancy, upon childbirth, and while her child is dependent, including but not limited to adoption agencies. The materials shall include a comprehensive list of the agencies, a description of the services they offer, and the telephone number and addresses of the agencies, and inform the woman about available medical assistance benefits for prenatal care, childbirth, and neonatal care, and about the support obligations of the father of a child who is born alive. The department shall ensure that the materials described in this Section are comprehensive and do not directly or indirectly promote, exclude, or discourage the use of any agency or service described in this Section. The materials shall also contain a toll-free, all-hours-a-day telephone number which may be called to obtain orally such a list and description of agencies in the locality of the caller and of the services they offer. Such toll-free telephone number shall be funded by the Department of Health and Hospitals. The materials shall state that it is unlawful for any individual to coerce a woman to undergo an abortion, that any physician who performs an abortion upon a woman without her informed consent may be liable to her for damages in a civil action at law, and that the law permits adoptive parents to pay costs of prenatal care, childbirth, and neonatal care. The materials shall include the following statement:

(i) "There are many public and private agencies willing and able to help you to carry your child to term, and to assist you and your child after your child is born, whether you choose to keep your child or to place him or her for adoption. The state of Louisiana strongly urges you to contact them before making a final decision about abortion. The law requires that your physician or his agent give you the opportunity to call agencies like these before you undergo an abortion."

(ii) "By twenty weeks gestation, the unborn child has the physical structures necessary to experience pain. There is evidence that by twenty weeks gestation unborn children seek to evade certain stimuli in a manner which in an infant or an adult would be interpreted to be a response to pain. Anesthesia is routinely administered to unborn children who are twenty weeks gestational age or older who undergo prenatal surgery.

The board shall exercise the powers and have general supervision over the affairs of the commission during the interim between meetings of the commission. However, the board shall exercise no policy-making function, nor incur any indebtedness nor obligate under contract, nor make any disbursement of funds of the commission, except as may have been specifically authorized by the commission.

B. The board shall hold regular meetings as shall be provided in the bylaws and may hold special meetings at such times and places within the area as may be provided in the bylaws. Board meetings may be called by the chairman and shall be called by the chairman upon written request of any two members of the board.

C. A majority of the members of the board shall constitute a quorum for the transaction of business.

D. The board shall keep and maintain minutes of all meetings and shall make a copy of such minutes available through the commission's secretary.

§9100.30. Executive director

The executive director, with the concurrence of the commission, may hire such staff and other personnel as may be necessary to carry out the directions and instructions of the commission, and do other acts as may be directed or authorized by the commission.

§9100.31. Advisory authority of commission; official representation

A. The commission may advise the governing authority, the mayor, or any other agency, department, board, commission, or other entity of local, state, or federal government with respect to all proposed matters of government policy which affect the area including, but not limited to, decisions regarding planning, zoning, streets, recreation, social services programs, education, health, safety, budget, and sanitation.

B. The governing authority, mayor, or applicable agency, department, board, commission, or other entity of local, state, or federal government shall provide at least thirty days written notice to the commission officers and executive director of any intent to acquire or dispose of an interest in immoveable property in the area or any intent to change the use of property owned or leased by the respective governmental entity in the area.
C. (1) Proposed government action as covered by this Part, includes but is not limited to, actions of the governing authority, the mayor, or any other agency, department, board, commission, or other entity of local, state, or federal government.

(2) Each local, state, or federal agency, department, board, or commission, prior to transmitting to the governing authority or other respective governmental entity any proposed revenue bond issuance, or before the formation of any final policy, decision, or guidelines with respect to grant applications, comprehension plans, requested or voting on the proposition at an election held for that purpose in accordance with the provisions of this Section. For purposes of this Section, "parcel" means a lot, a subdivided portion of ground, or an individual tract.

D. The issues and concerns raised in recommendations of the commission shall be given great weight during the deliberations of the governing authority, the mayor, or any other agency, department, board, commission, or other entity of local, state, or federal government. This requires acknowledgment of the commission as the source of the recommendation and reference to each issue and concern.

E. The views of the commission shall only be presented by an officer of the commission or by a commission representative duly selected at a public meeting by the commission to represent its views on the particular issue or proposed action.

(2) The fee shall be levied only upon request by the commission to the city of New Orleans and only after the question of its levy has been approved by a majority of the registered voters of the area voting on the proposition at an election held for that purpose in accordance with the Louisiana Election Code at a regularly scheduled election. The commission may increase the amount of the fee, by duly adopted resolution, not to exceed the amount provided in Paragraph (1) of this Subsection without the necessity of an election.

(3) The fee shall be levied initially for a term not to exceed nine years, provided that such term shall expire on December thirty-first of the year of a mayoral election. Any election to undo renewal of the fee shall be held only at the same time as the mayoral primary election.

(5) Any unpaid fee will be added to the tax rolls of the city and shall be enforced with the same authority and subject to the same penalties and procedures as are unpaid ad valorem taxes.

(6) Except for the collection fee authorized in this Subsection, the proceeds of the fee shall be used solely and exclusively for the purposes and benefit of the commission. The proceeds shall be paid over to the Board of Liquidation, City Debt, day by day as the same proceeds are collected and received by the appropriate officials of the city of New Orleans and maintained in a separate account. The Board of Liquidation, City Debt, shall remit to the commission payments requested by warrant or draft not more than thirty days after the receipt of the warrant or draft. B. The commission shall cooperate and may contract with local, state, or federal government or any agency, department, board, commission or other entity thereof and may accept gifts, grants, and donations of property and money therefrom.

AMENDMENT NO. 8
On page 40, between lines 16 and 17, insert:

"§6060. Residential property insurance tax credit
A. It is the intention of the Legislature in enacting this Section to provide some relief from the high cost of insurance premiums caused by hurricanes Katrina and Rita to home owners and to offset such costs to encourage people who might be considering locating in the state. The tax credit is intended to temporarily mitigate the cost of such premiums for those residing in their pre-Katrina homes, those who re-build their pre-Katrina homes or replace them with substantially similar new homes, and those who purchase new homes and relocate to Louisiana.
B. For tax years beginning during calendar year 2007, there shall be allowed a credit against any Louisiana individual income tax due in such tax year for thirty-three percent of the amount of difference between qualifying insurance premiums paid during such tax year and the qualifying insurance premiums paid on such qualifying property prior to Hurricane Katrina in 2005. There shall be no credit allowed for tax years beginning on or after January 1, 2008.
C. For purposes of this Section, the following terms or phrases shall have the meaning ascribed to them in this Subsection:
(1) "Person" shall mean a natural person or a juridical person.
(2) "Qualifying insurance premium" means all insurance premiums paid for Fire, Allied Lines (Wind), or Homeowners insurance policies which cover qualifying property. "Qualifying insurance premium" shall not include premiums paid by any company issuing insurance policies.
(3)(a)(i) "Qualifying insurance premium paid prior to Hurricane Katrina in 2005" means the amount of money paid as annual qualified insurance premiums on policies insuring qualified property prior to Hurricane Katrina's landfall, or amounts paid to an escrow agent or other third party for such premiums, provided that the property has not been constructed, reconstructed, repaired, or otherwise modified after landfall of Hurricane Katrina in 2005 in a manner which materially increases the value of the property because of such construction, reconstruction, repair, or modification in excess of the increased cost of labor, materials, and supplies used in such construction, reconstruction, repair, or modification since landfall of Hurricane Katrina in 2005.
(ii) If the value of such property has been materially increased because of such construction, reconstruction, repair, or modification in excess of such costs, then "qualifying insurance premium paid prior to Hurricane Katrina in 2005" means the amount of qualified insurance premiums that would have been paid by the person prior to landfall of Hurricane Katrina in 2005 if the construction, reconstruction, repair, or modification had not materially increased the value of the property in excess of such costs as determined by the insurer according to rules and regulations promulgated by the commissioner of insurance, in consultation with the Department of Revenue, in accordance with the Administrative Procedure Act.

(iii) If the property was not covered by insurance because it was not constructed or occupied until after Hurricane Katrina’s landfall in 2005, then "qualifying insurance premium paid prior to Hurricane Katrina in 2005" means the amount of insurance premiums that would have been paid on occupied property of similar value prior to Hurricane Katrina’s landfall as determined by the insurer according to the rules and regulations required by Item (ii) of this Subparagraph.

(b) If only a portion of annual premiums were paid prior to Hurricane Katrina’s landfall, then the monthly amount shall be annualized on a twelve-month basis.

(4) "Qualifying property" means property which is used or designed to be used as a residence or dwelling unit, and structures which are adjacent to such residence or building for residential use, but shall not mean property used for commercial purposes.

D. Notwithstanding any other provision of law to the contrary, any excess of allowable credit established by this Section over the tax liabilities against which such credit can be applied, as provided in this Section, shall constitute an overpayment, as defined in R.S. 47:1621(A), and the secretary shall make a refund of such overpayment from the current collections of the taxes imposed by Chapter 1 of Subtitle II of this Title, together with interest as provided in R.S. 47:1624. Failure of the secretary to pay or disallow, in whole or in part, any claim for a credit or a refund shall entitle the aggrieved taxpayer to proceed with the remedies provided in R.S. 47:1625.

E. In addition to the other regulations provided for in this Section, the secretary of the Department of Revenue may promulgate rules and regulations in accordance with the Administrative Procedure Act for the administration of the tax credit provided for in this Section.

AMENDMENT NO. 4
On page 1, at the beginning of line 18, after "Section" delete "1." and insert "2."
For tax years beginning during calendar year 2007, there shall be allowed a credit against any Louisiana individual income tax due in such tax year for thirty-three percent of the amount of difference between qualifying insurance premiums paid during such tax year and the qualifying insurance premiums paid on such qualifying property prior to Hurricane Katrina in 2005. There shall be no credit allowed for tax years beginning on or after January 1, 2008.

C. For purposes of this Section, the following terms or phrases shall have the meaning ascribed to them in this Subsection:

(1) "Person" shall mean a natural person or a juridical person.

(2) "Qualifying insurance premium" means all insurance premiums paid for Fire, Allied Lines (Wind), or Homeowners insurance policies which cover qualifying property. "Qualifying insurance premium" shall not include premiums paid by any company issuing insurance policies.

(3)(a)(i) "Qualifying insurance premium paid prior to Hurricane Katrina in 2005" means the amount of money paid as annual qualified insurance premiums on policies insuring qualified property prior to Hurricane Katrina’s landfall, or amounts paid to an escrow agent or other third party for such premiums, provided that the property has not been constructed, reconstructed, repaired, or otherwise modified after landfall of Hurricane Katrina in 2005 in a manner which materially increases the value of the property because of such construction, reconstruction, repair, or modification in excess of the increased cost of labor, materials, and supplies used in such construction, reconstruction, repair, or modification since landfall of Hurricane Katrina in 2005.

(ii) If the value of such property has been materially increased because of such construction, reconstruction, repair, or modification in excess of such costs, then "qualifying insurance premium paid prior to Hurricane Katrina in 2005" means the amount of qualified insurance premiums that would have been paid by the person prior to landfall of Hurricane Katrina in 2005 if the construction, reconstruction, repair, or modification had not materially increased the value of the property in excess of such costs as determined by the insurer according to rules and regulations promulgated by the commissioner of insurance, in consultation with the Department of Revenue, in accordance with the Administrative Procedure Act.

(iii) If the property was not covered by insurance because it was not constructed or occupied until after Hurricane Katrina’s landfall in 2005, then "qualifying insurance premium paid prior to Hurricane Katrina in 2005" means the amount of insurance premiums that would have been paid on occupied property of similar value prior to Hurricane Katrina’s landfall as determined by the insurer according to the rules and regulations required by item (ii) of this Subparagraph.

(b) If only a portion of annual premiums were paid prior to Hurricane Katrina’s landfall, then the monthly amount shall be annualized on a twelve-month basis.

D. Notwithstanding any other provision of law to the contrary, any excess of allowable credit established by this Section over the tax liabilities against which such credit can be applied, as provided in this Section, shall constitute an overpayment, as defined in R.S. 47:1621(A), and the secretary shall make a refund of such overpayment from the current collections of the taxes imposed by Chapter 1 of Subtitle II of this Title, together with interest as provided in R.S. 47:1624. The right to a credit or refund of any such

A. It is the intention of the Legislature in enacting this Section to provide some relief from the high cost of insurance premiums caused by hurricanes Katrina and Rita to home owners and to offset such costs to encourage people who might be considering locating in the state. The tax credit is intended to temporarily mitigate the cost of such premiums for those residing in their pre-Katrina homes, those who re-build their pre-Katrina homes or replace them with substantially similar new homes, and those who purchase new homes and relocate to Louisiana.
overpayment shall not be subject to the requirements of R.S. 47:1621(B). All credits and refunds, together with interest thereof, must be paid or disallowed within one year of receipt by the secretary of any such claim for refund or credit. Failure of the secretary to pay or disallow, in whole or in part, any claim for a credit or a refund shall entitle the aggrieved taxpayer to proceed with the remedies provided in R.S. 47:1625.

E. In addition to the other regulations provided for in this Section, the secretary of the Department of Revenue may promulgate rules and regulations in accordance with the Administrative Procedure Act for the administration of the tax credit provided for in this Section.

(2) In the case of an individual who purchases and installs such a system, the tax credit shall be claimed on the return for the taxable year in which such system is completed and placed in service. In the case of an individual who purchases a newly constructed home with such a system, the tax credit shall be claimed on the return for the taxable year in which the act of sale of the house takes place. In the case of an apartment project owner who purchases and installs such systems, the tax credits for owner entities other than individuals shall be claimed in accordance with the provisions of Subsection E of this Section.

C. If the credit against Louisiana income tax exceeds the amount of such person’s tax liability for the taxable period, then such excess tax credit may be carried forward as a credit against any subsequent individual income tax liability of such person for a period not exceeding ten years.

D. As used in this Section:

(1) "Wind energy system" means a system of apparatus and equipment with the primary purpose of intercepting and converting wind energy into mechanical or electrical energy and transferring this form of energy by a separate apparatus to the point of use or storage.

The rules shall be promulgated within ninety days of the effective date of this Act.

Section 2. This Act shall be applicable to taxable periods beginning on and after January 1, 2008.

Section 3.
