However, no person shall enter into separate contracts valued at two thousand five hundred dollars or less with the same person or governmental entity or agency thereof as a subterfuge to avoid the disclosure requirements of this Section.

(5) Each elected or appointed official and immediate family member subject to the provisions of this Section shall file an initial disclosure statement with the Board of Ethics no later than thirty days after the official, immediate family member, or legal entity enters into the contract—whichever occurs later. The initial disclosure statement shall contain all of the information required by Subsection A of this Section Paragraph 1 of this Subsection, except that instead of the actual amount of income or value of any thing of economic value derived from the contract by the official or immediate family member for the previous calendar year, the official or immediate family member shall include the amount of income or value of any thing of economic value to be derived or, if the actual amount is unknown at the time the statement is due, reasonably expected to be derived from the contract or subcontract for the first calendar year of the contract or subcontract.

(8) Annual disclosure statements shall not be required for the receipt of things of economic value pursuant to contracts or subcontracts entered into prior to an elected or appointed official taking office; however, if an elected or appointed official or immediate family member thereof receives or reasonably expects to receive a thing of economic value otherwise required to be disclosed by this Section pursuant to the renewal of such a contract or subcontract occurring after the official takes office, such official or immediate family member shall file a disclosure statement no later than thirty days after such renewal in accordance with Subsection C of this Section Paragraph 2 of this Subsection and annually thereafter in accordance with this Subsection.

(9) All disclosure statements filed pursuant to this Section shall be a matter of public record.

(10) Failure to file a statement, failure to timely file a statement, failure to disclose required information, filing a false statement, or engaging in a subterfuge to avoid the disclosure requirements of this Section shall subject a person required to file to penalties as provided by this Chapter.

In addition to other applicable penalties, whoever fails to file a statement required by this Section, or knowingly and willfully fails to timely file any such statement, or knowingly and willfully fails to disclose or to accurately disclose any information required by this Section shall be assessed a civil penalty in accordance with R.S. 42:1157 for each day until such statement or the required accurate information is filed. The amount of the penalty shall be one hundred dollars per day.

(11) In addition to other applicable penalties, whoever enters into separate contracts or subcontracts valued at two thousand five hundred dollars or less as a subterfuge to avoid the disclosure requirements of this Section shall be subject to the penalties of R.S. 42:1157.

For the purposes of this Section, the term "appointed state official" or "appointed official" shall mean a person holding an office in any branch of state government or other position on a state agency, board, or commission or any executive office of any state agency, board, commission, or department which is specifically established or specifically authorized by the constitution or laws of this state or by executive order of the governor and which is filled by appointment or election by an elected or appointed public official or by a governmental body composed of such officials of this state.
