Within three months of the date of filing the rebate request, the Department of Revenue shall audit the rebate request. During such three-month period, the Department of Revenue shall disallow items determined to be ineligible for rebate. Within ten business days following the expiration of such three-month period, the Department of Revenue shall rebate the remaining twenty percent of the amount claimed on the rebate request less any amounts properly disallowed during the three-month audit period. If a local sales and use tax rebate is not issued within three months of the submission of a properly completed rebate request to the appropriate local authorities, the taxpayer may submit a request for review to the Department of Economic Development. If the Department of Economic Development determines that the issuance of any advance rebate of the local sales and use tax claimed in the rebate request is warranted, under standards to be determined by the Department of Economic Development, the department shall notify the Department of Revenue in writing of its approval of an immediate rebate of all or a portion of eligible local sales and use taxes claimed for rebate in the rebate request.

(bb) Within ten business days of receipt of such written notification from the Department of Economic Development, the Department of Revenue shall issue a rebate in the amount approved by the Department of Economic Development.
