On page 1 delete lines 12 through 18 and on page 2 delete lines 1 through 28 and on page 3 delete lines 1 through 8 and insert in lieu thereof the following:

"C.(1) The recovery district shall retain jurisdiction over any school transferred to it for a period of not less than five school years not including the school year in which the transfer occurred if the transfer occurred during a school year. At the end of the initial transfer period, the school may be returned to the system from which it was transferred unless the school is continued in the recovery district in accordance with the provisions of Paragraph (3) of this Subsection.

(2)(a) No later than nine months prior to the expiration of the five-year initial or subsequent transfer period, the recovery district shall make a report to the state board.

(b) The report shall include at a minimum each of the following elements:

(i) The status of each school transferred, the nature of its faculty and administration, the demographics and size of its student body, its organizational and management structure, whether there has been improvement in student academic performance and, if so, how much and, if not, why not.

(ii) A recommendation as to whether the school should be:

(aa) Continued in the recovery district pursuant to its reported operational status.

(bb) Continued in the recovery district with a change in its operational status and the nature of the recommended change.

(cc) Closed and the reasons therefor.

(dd) Returned to the administration and management of the transferring system with proposed stipulations and conditions for the return.

(3) No later than six months prior to the expiration of the five-year initial or subsequent transfer period, the state board shall take action on the recommendations of the recovery district. Any action that results in an affirmative agreement to maintain the school in the recovery district shall retain the school in the recovery district for an additional five-year period, unless a lesser time is adopted by the state board. The report and the action required in this Paragraph shall occur no later than six months prior to each period of continuation. Additionally, no later than six months prior to the expiration of the initial or subsequent transfer period, the state board shall conduct a public hearing within the jurisdiction of the city, parish, or other local public school board from which the school was transferred relative to whether the school should be continued in the recovery district or returned to the system. The state board by a majority vote of its membership may continue any school in the recovery district for additional periods of five years."
