Any bona fide resident of the state of Louisiana who is in need of medical services, including but not limited to the uninsured, shall be eligible for treatment by any general hospital owned or operated by the board of the state in accordance with policy adopted by the LSU Board of Supervisors or the board of trustees for the Medical Center of Louisiana at New Orleans or the board of directors for the University Hospital Corporation. However, any person with an income greater than two hundred percent of the federal poverty level otherwise eligible for treatment may be denied access to non-emergency nonemergency medical care if such person refuses to pay any appropriately adopted reasonable charges for treatment or service received, unless the patient's clinical condition requires immediate treatment as determined by the patient's treating physician, or if the patient has purchased insurance or is able to pay, and has refused to pay for previous medical services without justifiable excuse or to make arrangements for periodic partial payments, unless the patient's clinical condition requires immediate treatment as determined by the patient's treating physician or medical director. In no event shall emergency treatment be denied to anyone; and in no event shall any person housed in any parish jail facility or state prison in the state of Louisiana, irrespective of his state of residency, be denied medically necessary medical treatment in the nearest general hospital owned or operated by the board of the state. Further, any prisoner treated at a general hospital owned or operated by the board of the state shall have those services paid through the facility receiving state funding for the incarceration of said prisoner.

(B) Transfer of medical center. On the effective date of transfer as provided by Subsection (A) of this Section, the Medical Center of Louisiana at New Orleans, shall be transferred to the board of trustees of the Medical Center of Louisiana at New Orleans, hereinafter referred to in this Section as the "board of trustees". The board of trustees shall lease the assets of the medical center to the board of directors of the corporation, and operation and management of the medical center shall be the responsibility of the board of directors of the corporation for the duration of the lease. All unfinished business, references in laws and documents, employees, property, obligations, and books and records of the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, hereinafter referred to in this Section as the "Board of Supervisors", pertaining to the medical center shall be transferred as provided in this Section.

(C) Unfinished business. Upon the transfer of the medical center, any pending or unfinished business of the Board of Supervisors pertaining to the medical center shall be taken over and completed by the board of trustees of the medical center and the board of directors of the corporation with the same power and authority as that of the Board of Supervisors. The board of trustees and the board of directors of the corporation shall be successors in every way to the Board of Supervisors, and every act done by the board of trustees and the board of directors of the corporation in the exercise of the functions transferred from the Board of Supervisors, directly or through the medical center, shall be considered to have the same force and effect under any provisions of the constitution and laws in effect on the effective date of transfer as if done by the Board of Supervisors.

(D) References in laws and documents. Wherever the Board of Supervisors is referred to or designated by the constitution or by any law or contract or other document which pertains to the medical center, after the effective date of transfer such reference or designation shall be considered to apply to the board of trustees or the board of directors of the corporation, whichever body is applicable as outlined in R.S. 40:2003 and 2003.1.

(E) Legal proceedings and documents continued. Any legal proceeding to which the Board of Supervisors is a party which pertains to the medical center and which is filed, initiated, or pending before the court on the effective date of transfer, and all documents involved in or affected by such legal proceeding shall retain their effectiveness and shall be continued in the name of the Board of Supervisors. All further legal proceedings and documents in the continuation, disposition, and enforcement of such legal proceeding shall be in the name of the Board of Supervisors, and the board of trustees shall be substituted for the Board of Supervisors without the necessity for amendment of any document to substitute the name of the board or the name or title of any office, official, employee, or other agent or representative of the board of directors. Any legal proceeding and all documents involved in or affected by such legal proceeding, which has been continued in the name of the board shall retain their effectiveness, and those provisions of this Section requiring their continuation, disposition, and enforcement of a legal proceeding and documents related thereto shall be in the name of the Board of Supervisors and shall not affect their validity. The definitions provided in R.S. 36:924 shall be applicable to this Section.

(F) Protection of obligations; federal assistance. (1) This Act is not intended to and it shall not be construed so as to impair the contractual or other obligations of the Board of Supervisors or of the state. All obligations of the Board of Supervisors pertaining to the medical center hereafter shall be considered to be the obligations of the state through the board of trustees to the same extent as if originally made by it and the same are hereby ratified. In like manner, and in order to prevent any violation of the provisions, terms, or conditions of any gift, donation, deed, will, trust, or other

instrument or disposition by which property vested in the board of trustees by this Act was previously vested in the Board of Supervisors, or diversion from the purposes for which such property was so vested, it is hereby specifically provided that each such instrument or disposition hereafter shall be considered to have vested such property in the board of trustees in the same manner and to the same extent as if originally so done. Any authority of the Board of Supervisors providing for the vesting of property shall transfer to the board of trustees.

(2) The board of trustees shall be the successor in every way to the Board of Supervisors including all of the obligations and debts of the Board of Supervisors with respect to the medical center. All funds dedicated by or under authority of the constitution and laws of this state or any of its subdivisions to the payment of any bonds issued for construction or improvements for the medical center shall continue to be collected and dedicated to the payment of those bonds, unless and until other provision is made for the payment of such bonds. In like manner, all other dedications and allocations of revenues and sources of revenues herefore made shall continue in the same manner, to the same extent, and for the same purposes as were provided prior to the enactment of this Act, unless and until other provision is made for the payment of such bonds.

(3) This Act shall not be construed or applied in any way which will prevent full compliance by the state, or any department, office or agency thereof, with the requirements of any act of the Congress of the United States or any regulation made thereunder by which federal aid or other federal assistance has been or hereafter is made available to this state, or any department, office, agency, or subdivision thereof, anything contained in this Act to the contrary notwithstanding, and such compliance hereafter shall be accomplished by the board of trustees and the board of directors of the corporation insofar as such compliance affects the Board of Supervisors.

(G) Transfer of property. All books, papers, records, money, actions, and other property of every kind, movable and immovable, real and personal, herefore possessed, controlled, or used by the Board of Supervisors with respect to the medical center are hereby transferred to the board of trustees. All funds of the Board of Supervisors budgeted for use by the medical center are hereby transferred to the board of trustees.

(H) Transfer of employees. All employees heretofore engaged in the performance of duties of the medical center on behalf of the Board of Supervisors are hereby transferred to the board of trustees or the corporation and shall continue to perform the duties herefore performed, subject to applicable state civil service laws, rules, and regulations. Subject to such laws, positions in the unclassified service shall remain in the unclassified service.

Section 8.(A) This Section and Sections 5 and 8(A) shall become effective upon signature of this Act by the governor, or if this Act is not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided in Article III, Section 18 of the Constitution of Louisiana. If this Act is vetoed by the governor and subsequently approved by the legislature, this Section and Sections 5 and 8(A) shall become effective on the day following such approval.

(B) Sections 1, 2, 3, 4, 6, 7, and 8(B) through (H) shall become effective upon the publication of notice in the State Register as provided for by Section 8(A) of this Act."
